**The Battle for the Keys** Justin W Bass,2014-04-01 There has been a lack of serious historical investigation of the famous creedal statement 'Christ descended into hell' that was universally affirmed by the church for the first 1,500 years of Church history. This book is an in-depth investigation of the history of the doctrine of Christ's descent and how Revelation 1:18 alludes to Christ's descent. COMMENDATION In The Battle for the Keys Justin Bass leads us through an exceptional exegetical, historical, and theological exploration of the question of both the whether and whither of the Christ's descensus ad infernos. Whatever doubters or believers choose to do with Dr Bass's competent and convincing evidence, arguments and conclusions, they cannot choose to ignore them. - Michael J. Svigel, Dallas Theological Seminary, USA

Lighthouses of the Florida Keys Love Dean, 1998 An updated historical account of the Florida Keys lighthouses full of history and legend.

*ONCE UPON A TIME IN THE FLORIDA KEYS* Gene Thornton, 2014-03-19 The author grew up in South Eastern PA, graduated from high school in 1950 and after several part times jobs he completed a course at Temple U. He found a job with one of this country's first foreign car dealerships in Exton PA. Later married and self employed for ten years now with three children. Both the author and his wife were tired of the cold winters, sold their business and moved to the Florida Keys. The Keys then being very laid back, sparsely populated and warm all year around was deeply appreciated. After buying a restaurant, bar with a marina in Key Largo the author got to meet all sorts

of people, people of the nature he had never experienced. Actually even at the age of 37, I would feel safe in saying I grew up in the Keys, just in a manner of speaking. There were all sorts of experiences here, many unexpected. None really harmful but amusing and many times hilarious. It just was the character and nature of the residents and those passing through. The author having actually participated or witnessed some of these events, events that would likely never happen on the mainland. Life in the Keys was anything but dull, and it sure was different. Sometimes more like an adventure.
