David Kirk

*Who Killed Santa?* Neil Haven,2013 Synopsis: In this hilarious and irreverent send-up, Santa is hosting his annual holiday party attended by the usual holiday favorites: Frosty, Tiny Tim, The Little Drummer Boy, and Rudolph, who all have a bone to pick with Santa. After the introduction of the sexy new Little Drummer Girl, tempers flare, and Santa ends up with a candy cane through the heart. No one will confess, no one can leave, and Christmas is in jeopardy. As the tension builds, a couple of incompetent detectives enter the scene, and all the dirty secrets of these iconic holiday characters are revealed. Eventually, with the help of the audience, the murderer is convicted and sentenced. \* The show features parodies of holiday songs and four different endings. Cast Size: 3 Males, 2 Females, 1 Either

**I Saw Mommy Killing Santa Claus** Liliana Hart,Louis Scott,2024-03-18 In the latest Harley & Davidson mystery, there's a new meaning to the twelve days of Christmas. Hank and Agatha stumble upon a serial killer who's rewriting Santa Claus's naughty and nice list by knocking off big guys in red suits with beards. Hank isn't sure he believes this is a serial killer. Despite Agatha's insistence, he knows serial killers aren't as common as she'd like them to be for her research. Maybe deadline enthusiasm is making Agatha see this as more than it is. But Agatha knows her way around bodies, and the dead Santa's have too much in common not to be connected. Her real-world training as a forensic anthropologist pays off as she matches wits with law enforcement's best, and a deviant killer's worst.

**Don't Kill Santa!** Donald Davis,2006 The author draws on his southern roots and the storytelling tradition to present a humorous collection of tales about celebrating the Christmas season as a child.

*The Santa Claus Killer* RJ Smith,2013-05-15 There's a murder in the heart of Manhattan, a simple corpse... stretched out upon a bench in Herald Square Park. On any other day, in any other city, the bloody slaying would be a sidebar of filler news for the networks to bury. But this was Christmas in the city that never slept, the Big Shiny Apple... a 24-hour media show of spectacular brilliance. At the center of the universe, the King of Christmas, Mr. Jolly Old Santa Claus didn't end up dead in broad daylight. The Mayor knew the murder was a real tourist killer, a heartbreak story that could destroy the biggest shopping season of the year. Thus, with City Hall wanting answers, the Police Commissioner is leaning on his men for answers. Enter the tough talking, street savvy, Puerto Rican Lieutenant, Rico Martinez, and his crackerjack Irish Sergeant, Mike Murphy. Dispatched to the scene to hunt down

leads, they are intent on cracking the case. What nobody expected was a parallel FBI Serial Killer Task Force investigation into similar murders. When the agencies come together, it doesn't take long for everyone to figure they're hunting the same psychotic, diabolical lunatic who's already on police radar. In a rush against time... New York's Finest must break out the killer's Naughty List, and hunt down the monster intent on ruining Christmas. Lock the doors, close the blinds, and run for your life. It's gonna be a merry, scary Christmas. Called 'The 'Scariest book since The Exorcist', Smith hits a home run with this psychological thriller.

*Cyborgs, Santa Claus and Satan* Fraser A. Sherman,2015-09-03 In the three decades since the first SF film produced for television—1968's *Shadow on the Land*—nearly 600 films initially released to television have had science fiction, fantasy, or horror themes. Featuring superheroes, monsters, time travel, and magic, these films range from the phenomenal to the forgettable, from low-budget to blockbuster. Information on all such American releases from 1968 through 1998 is collected here. Each entry includes cast and credits, a plot synopsis, qualitative commentary, and notes of interest on aspects of the film. Appendices provide a list of other films that include some science fiction, horror, or fantasy elements; a film chronology; and a guide to alternate titles.

The Santa Claus Man Alex Palmer,2015-10-01 The true story of John Duval Gluck, Jr., who in 1913 founded the Santa Claus Association, which had the sole authority to answer Santa's mail in New York City. He ran the organization for 15 years, gaining fame for making the myth of Santa a reality to poor children by arranging for donors to deliver the toys they requested, until a crusading charity commissioner exposed Gluck as a fraud. The story is wide in scope, interweaving a phony Boy Scout group, kidnapping, stolen artwork, and appearances by the era's biggest stars and New York City's most famous landmarks. The book is both a personal story and a far-reaching historical one, tracing the history of Christmas celebration in America and the invention of Santa Claus.

- In today's digital age, the

availability of Kill That Santa 20 books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Kill That Santa 20 books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Kill That Santa 20 books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Kill That Santa 20 versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Kill That Santa 20 books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Kill That Santa 20 books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Kill That Santa 20 books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow

digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Kill That Santa 20 books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our

fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Kill That Santa 20 books and manuals for download and embark on your journey of knowledge?
