KANYE WEST Kanye West - rapper, producer, fashion designer, cultural phenomenon. He is all of these amazing things successfully, and yet they are not nearly enough to describe the iconoclast everyone over the last decade or so has come to either love, or love to hate. He bucks against institutions but also seeks to be accepted. Sometimes he is in the heights of influence and respectability, other times he is the national punchline; he is both clown and cool guy. One never quite knows what he is thinking or where he's headed next but whatever it is - he knows how to keep people guessing, and keep them talking not only about him, but about he society we inhabit. This is the story of Kanye West: genius and madman all at once, blessed and cursed by his gifted - beautiful, dark, twisted - mind.
