Darts Beginning to End George Silberzahn,2009-06-25 Your techniques have given me the tools to become the best player I can be. Joe Everett (aka: dart face) New York City Certainly from reading the additional information in George's book (a must for all dart players) I now understand and feel when my stroke is good and bad and also I'm in a position where I am able to correct it if the first dart thrown is poor. Antony Sharrett (aka: Tanman) Harrogate, England I know it's working for me because now what feels like a bad night would have been considered a great night 6 months ago. Mark Kelly (aka: Drac0) Australia I have never felt more controlled and focused with my darts. The drills, the reading material, all of it are a huge help. Greg Kanen (aka: P-man) S. Africa The way George writes makes you wanna read it. Davin Burgess, (aka: davin) Nashville, Tennessee, U.S.A.

Who was the first darts player to endorse a darts product? Why did a Bolton darts team go 'topless' in the 1990s? The answers to these and many other darts questions can be found in this book. Kissing Secrets Lynn Robin,2021-02-16 Zane is standing in front of Kiss, a breathing shield to protect her against everything and anything, everyone and anyone. But he can't shield her from the truth. No. Not even he can. The Angel Made of Fire is still alive. He has survived the attack of the Nightmares—but he holds Kiss and Zane responsible for the chaos that has been unleashed upon heaven and earth, demanding of them to find a solution. No matter the fact that neither of them ever meant for this to happen; No matter the fact that it has all been done out of love. As Skylar realizes she is losing control over the Nightmares, she struggles to tighten her grasp and

starts to realize she has given Julian far more power than he should ever have received. A tentative trust blooms to life between her and August, but are they strong enough to stand up against Julian, the former Monster of Cages? Secrets. Betrayal. Lies. Angels. Monsters. Nightmares. It all began with a kiss. It will all end with another one.

Darts and Flowers Dean Backus,2022-08-23 Written in fresh, snappy prose, the book includes multiple twists and turns....Funny and LGBTQ+ affirming, Darts and Flowers is a story about teenagers who are desperate to be loved, validated, and part of a community. (5 of 5 stars!) - Foreword Reviews When Josh Bradshaw returns to his childhood home and the house down the street from his childhood best friend, it seems like it could be a new beginning. After all, he's older now, and although his feelings haven't changed, he now has words to describe what he felt. He's gay, and he's had a crush on Brian Esau since they were eleven. Zack Standish couldn't be happier that his best friend is back home, and although he's not sure how to respond to the fact that Josh is gay, there is one very clear silver lining: Missy, the girl of his dreams, is dating his best friend's crush. The plan is simple: 1. Break up Brian and Missy. 2. Confess their love to their respective crushes. 3. Live happily ever after. It's a win-win for everyone... or maybe not. When the plan spirals out of control, Zack and Josh must choose what matters most—their childhood friendship or the romance just within reach. Debut young adult author Dean Backus spins a fun and crafty tale of friendship, identity, secrets, and love in this LGBTQ romantic comedy set in the 1990s at a private Seattle high school. Darts and Flowers is inspired by Shakespeare's comedies and iconic teen films of the 90s. The Breakfast Club-esque cast spans the breadth of academic institution social-strata with a perfect mix of personalities comprising the secondary characters....This is a well-written, laugh out loud (even during the painful scenes) epic that takes the best of high school, Twelfth Night-inspired dramedy and infuses it with current social sensibilities, wrapping it all in a warm, hopeful hug. - Booklife Booklife suggests Darts and Flowers is great for fans of: Stephen Chbosky's The Perks of Being A Wallflower and Lindsay Sproul's We Were Promised Spotlights. Readers compare it to Only Mostly Devastated by Sophie Gonzales and Simon vs. the Homo Sapiens Agenda by Becky Albertalli. Enjoy!

The Little Book of Darts Brian Belton,2011-11-01 This book is a fascinating and entertaining mixture of the history and characters of the darts world. It features player profiles, trivia – including players' walk-on music, quickest matches, longest matches, 9-dart finishes, the most loved and hated players and celebrity fans – as well as a treasure trove of statistical information. As such, all the tension, glory, complexity and irony of the 'art of the arras' is portrayed. Funny, interesting and perplexing, the reader will smile, reminisce, laugh and occasionally experience bewilderment as the spirit of the oche is brought to life. The wit and skill of players is mixed with expressions of frustration, pain, confusion and anguish. Fighters, moaners, clowns and philosophers rub shoulders between the pages, creating an atmosphere that anyone who has either watched or played the game will recognise. With this book, Brian Belton hits the bullseye of a simple passion that has enjoyed a massive resurgence of popularity in recent years.

The Body in the Mobile Library Peter Bradshaw,2024-03-14 'Staggering and unforgettable storytelling' Mel Giedroyc In his retirement at the Vatican City, emeritus pope Benedict XVI is hard at work on his magnum opus: a high-school comedy screenplay. At a grimy pub in North London, a doctoral researcher is abducted by gangsters peddling William Wordsworth's handwritten account of drug-fuelled sex

orgies. In the West African state of Benin, a politician's daughter inherits a large cash sum which she can only launder with the help of a random Englishman sourced on the internet. With twenty-one deliciously observed, gloriously mischievous short stories – some previously narrated on BBC Radio 4 or published in literary magazines, others completely new – Peter Bradshaw explores the boundary between the plausible and the absurd, often with a laugh-out-loud gag up his sleeve. Amid the playfulness, he has an enduring warmth and sympathy for every character, however hapless. He offers pinpricks of light in a dark sky of confusion and pain.

The Ultimate Book of Darts Anne Kramer, 2013-09-13 Share in the euphoria that comes of the “kill shot” by learning the skills and techniques required to play a great game of darts. From the history of the sport to choosing the right type of equipment, *The Ultimate Book of Darts* is written in an accessible style that is perfect for both novices and seasoned professionals. Dart throwing is now a global phenomenon with new players emerging every day. This amazing sport demands remarkable precision and an agile mind from its competitors. Learn the rules for playing team games and tips for improving your score and ability for more advanced competitions. Author Anne Kramer focuses on the mechanics of dart throwing by discussing the pros and cons of various stances, such as toes square to the line versus one foot behind the other. This guide emphasizes good form over accuracy. If you develop good form, the accuracy will follow. Aside from mechanics this book also discusses the necessary equipment from types of darts to board materials, dimensions, and mounting. Whether you’re an expert marksman who competes in a pub league or a guy who just enjoys throwing sharp objects, this is the go-to guide to a longstanding and fun tradition.

All about Darts Ivan L. Brackin, William Fitzgerald, 1986 The basic rules and traditions of dart playing as well as the many different games and strategies for winning play are discussed.

The Outrageous and Completely Untrue History of the Sport of Darts Paul Seigel, 2010-07-06 This is Dartoid's most recent and tiniest work of darts fiction and we should indeed be grateful for the latter. I can solemnly attest that it is, in my very humble opinion, quite the most historically inaccurate and stupid thing that anyone has ever put to paper. Despite his advanced apologies to his God, and many others, I am certain that they are insufficient to prevent him from being cast into Hades when the Grim Reaper eventually comes to call. Having said that, IT IS FUN!!!

The Mini Book of Mini Darts Randall Lotowycz, John Passineau, 2013-01-01 Now you can play one of the world's best-loved games anytime, anywhere. A working miniature dart kit, *The Mini Book of Mini Darts* has everything you need to get your game on, and more. Created, designed, and illustrated by the team behind the successful *Darts!* calendar, it includes 40 colorful dartboards (used for 43 games); an ingenious fold-out design that features a stand-up magnetic backer; six blunt-tipped magnetic mini darts; and a full-color book filled with games, rules, technique, lore, and trivia. A celebration of darts. Ah, that satisfying thwack when the dart hits its target—but with no worries about needle-sharp projectiles going astray, or the need for a regulation distance between the oche (throwing line) and dartboard. Just set up the easel-style board on a desk, table, office cubicle, dorm-room floor—Nor yes, bar—then move back a few feet and play. The 43 games start on the traditional side, with classics like Cricket and 501 played on familiar boards of concentric rings, then move quickly into quirky, innovative, and fun challenges like Pyramid Power, Trip to the Stars, Cupid's Arrow, Roulette, Please Stand By, and Coney Island Hustle. The boards themselves are works of art, with imagery ranging from bowling pins to Stonehenge to a mushroom and pepperoni pizza, from a Mayan calendar to a drum kit. Plus readers will learn about top players, the origins of 401 games, darts—the darts version of the yips—and how to master the perfect throw.
