La organizado de la intelekta laboro per "La ponto," de K.W. Bühner kaj Ad Karl Wilhelm Bühner,1911

Pri terminologia laboro en Esperanto Wera Blanke,2013 Terminology in Esperanto, and the influence of Esperanto speakers and interlinguists on the development of international norms of terminology and on the creation of Termnet and Infoterm. The author of the book, Wera Blanke, is a recipient of the Eugen Wuster award (2006) of InfoTerm. --- Por la perspektivo de Esperanto de aparta signifo estas ghia apliko kiel faka lingvo kun tau'ga terminologio, ellaborenda surbaze de la principoj de ISO/TC 37. Pri tiuj principoj kaj ilia apliko al Esperanto informas la libro. Kelkaj chapitroj ankau' priskribas la ne sufiche konatan fakton, ke planlingvuloj jam frue komprenis la gravecon de terminologiaj problemoj kaj traktis ilin. Sekve la terminologio-scienco por sia elformigho ricevis decidajn planlingvajn impulsojn de interlingvistoj, aparte de Eugen Wuster kaj Ernest Drezen. La libro ankau' montras la klopodojn pri la starigo kaj funkciigado de la Terminologia Esperanto-Centro de UEA, ghiajn atingojn kaj la kialojn de ghia pasivigho. La libro krome entenas proprajn terminologiajn esplorojn de la au'torino, recenzojn kaj eseon pri teknikaj aspektoj de publika parolo kaj diskutado. Fine de la libro, kiu ordigas 38 eseojn en 8 sekcioj, oni trovas ampleksan bibliografion de la uzita literaturo kaj de la publikajhoj de Wera Blanke. La verko entenas faktojn, spertojn kaj montras erarojn. Per tio ghi espereble kontribuos al la evoluigo de pli sistema terminologia laboro en Esperanto. --- Wera Blanke (*1933), Berlin, havis diversajn profesiojn, i.a. shi estis lumgradisto (en filmtekniko), aktorino, labor-kaj kreo-terapiistino. En 1976 shi ekesperantistighis; ekde 1979 shi okupighas pri la estigho de esperantaj fakvortoj kaj principoj de ilia formado. Shi esploris kaj verkis pri planlingvaj impulsoj por la evoluigo de terminologio(-scienco), iniciatis la Terminologian Esperanto-Centron (kiun UEA fondis 1987), multe prelegis, organizis kaj verkis pri la temo, chefe en Esperanto kaj la germana. En 2006, lau' sugesto de Infoterm (Internacia Informcentro por Terminologio en Vieno), shi ricevis la specialan premion Eugen Wuster.

German Employment Law Nicole Elert,Christopher T. Brooks,2014-01-01 In modern employment practice, the question of who falls under the jurisdiction of German labor law (employees, freelancers, employers, works councils, labor unions, representatives for the disabled, employer's associations, etc.) is an increasingly salient issue faced by foreign firms and firm owners, human resource, tax, and legal departments, as well as investors and foreign employees. Specifically, many firms have questions concerning the application of German law for establishing, managing, and terminating employment contracts with foreign or German workers within Germany. In this connection, issues frequently arise concerning foreign assignment, residency, and visa law, and an extremely wide range of legal provisions must be taken into account, including the AGG (General Non-Discrimination Act), BetrVG (German Employees Representation Act), Tarifrecht (Collective Bargaining Law), BUrlG (German Federal Leave Act), TzBfG (Part-Time Work and Fixed-Term Employment Act), AÜG (Employee Transfer Act), BDSG (German Federal Data Protection Act), KSchG (German Protection Against Dismissal Act), EntgeltfortzahlungsG (Continued Remuneration Act), GewO (German Industrial Code), and MutterschutzG (Maternity Protection Act). Beyond this, secondary questions related to income tax law, international taxation, and social security law may arise. Against this complex backdrop, the present work intends to answer questions most frequently asked by foreigners when dealing with German employment law.

Child Labor Requirements in Agriculture Under the Fair Labor Standards Act ,1984

Gendered Practices in Working Life Tuula Heiskanen,Liisa Rantalaiho,2016-07-27 Gendered distinctions and differences in working life are produced by often hidden practices. What are they like? How do they work? The book creates, through its multidisciplinary approach and rich empirical data, a wide perspective on gendered practices in working life, from the level of labour market structures to the personal experiences of women and men. Some taken-for-granted assumptions of gender in social sciences and feminist research are challenged by a view through the 'Nordic window'.

Everyday Transgressions Adelle Blackett,2019-04-15 Adelle Blackett tells the story behind the International Labour Organization's (ILO) Decent Work for Domestic Workers Convention No. 189, and its accompanying Recommendation No. 201 which in 2011 created the first comprehensive international standards to extend fundamental protections and rights to the millions of domestic workers laboring in other peoples' homes throughout the world. As the principal legal architect, Blackett is able to take us behind the scenes to show us how Convention No. 189 transgresses the everyday law of the household workplace to embrace domestic workers' human rights claim to be both workers like any other, and workers like no other. In doing so, she discusses the importance of understanding historical forms of invisibility, recognizes the influence of the domestic workers themselves, and weaves in poignant experiences, infusing the discussion of laws and standards with intimate examples and sophisticated analyses. Looking to the future, she ponders how international institutions such as the ILO will address labor market informality alongside national and regional law reform. Regardless of what comes next, Everyday Transgressions establishes that domestic workers' victory is a victory for the ILO and for all those who struggle for an inclusive, transnational vision of labor law, rooted in social justice.

laboro - laqueo ,1987-01

Knowledge Workers in the Information Society Pasi Pyöriä,2005 Offers a critical perspective on knowledge work, arguing that the rise of knowledge work is not only an economic or managerial issue, it reflects a major social and cultural transformation comparable to the Industrial Revolution. Sheds light on the everyday realities of knowledge work, with empirical evidence from Finland.

A Grammar and Commentary on the International Language Esperanto ,1905

The International Auxiliary Language Esperanto: Grammar & Commentary George Cox,2019-11-27 'The International Auxiliary Language Esperanto' is a book written by George Cox, where he explains the history, purpose, and advantages of Esperanto, a language designed to be a common second language for the world. By learning Esperanto, people of all nationalities can

easily correspond on any topic, read books in translation, and participate in international congresses without the need for interpreters. The book includes a comprehensive grammar and commentary section, exercises, and useful lists of primary words and phrases. Cox's work highlights the potential of Esperanto to facilitate communication and understanding across borders, making it an essential read for anyone interested in language, culture, and international relations.

Whispering the Strategies of Language: An Psychological Quest through **Laboro**

In a digitally-driven world where screens reign supreme and immediate conversation drowns out the subtleties of language, the profound secrets and mental subtleties concealed within words usually move unheard.
