📖 **THINK LIKE A MONK** Jay Shetty,2020-09-08 Jay Shetty, social media superstar and host of the #1 podcast On Purpose, distills the timeless wisdom he learned as a monk into practical steps anyone can take every day to live a less anxious, more meaningful life. When you think like a monk, you'll understand: -How to overcome negativity -How to stop overthinking -Why comparison kills love -How to use your fear -Why you can't find happiness by looking for it -How to learn from everyone you meet -Why you are not your thoughts -How to find your purpose -Why kindness is crucial to success -And much more... Shetty grew up in a family where you could become one of three things—a doctor, a lawyer, or a failure. His family was convinced he had chosen option three: instead of attending his college graduation ceremony, he headed to India to become a monk, to meditate every day for four to eight hours, and devote his life to helping others. After three years, one of his teachers told him that he would have more impact on the world if he left the monk's path to share his experience and wisdom with others. Heavily in debt, and with no recognizable skills on his résumé, he moved back home in North London with his parents. Shetty reconnected with old school friends—many working for some of the world's largest corporations—who were experiencing tremendous stress, pressure, and unhappiness, and they invited Shetty to coach them on well-being, purpose, and mindfulness. Since then, Shetty has become one of the world's most popular influencers. In 2017, he was named in the Forbes magazine 30-under-30 for being a game-changer in the world of media. In 2018, he had the #1 video on Facebook with over 360 million views. His social media following totals over 38 million, he has produced over 400 viral videos which have amassed more than 8 billion views, and his podcast, On Purpose, is consistently ranked the world's #1 Health and Wellness podcast. In this inspiring, empowering book, Shetty draws on his time as a monk to show us how we can clear the roadblocks to our potential and power. Combining ancient wisdom and his own rich experiences in the ashram, Think Like a Monk reveals how to overcome negative thoughts and habits, and access the calm and purpose that lie within all of us. He transforms abstract lessons into advice and exercises we can all apply to reduce stress, improve relationships, and give the gifts we find in ourselves to the world. Shetty proves that everyone can—and should—think like a monk.

📖 **THE HANDBOOK OF CONTEMPORARY ANIMISM** Graham Harvey,2014-09-11 The Handbook of Contemporary Animism brings together an international team of scholars to examine the full range of animist worldviews and practices. The volume opens with an examination of recent approaches to animism. 📖 **MOUNTAIN HANDS** Sam Venable,2000 Hazel Pendley creates heirloom-quality quilts. Ed Ripley wraps bits of fur and feathers into trout flies the size of gnats. Edna Hartong still makes an item that has all but disappeared from the American scene: lye soap. All of these people, and many more like them, are Appalachians who work with their hands. Journalist Sam Venable and photographer Paul Fird spent four years combing the hills and hollows of Southern Appalachia to find these talented individuals and let them talk about their work. Mountain Hands is an intimate look at more than three dozen such craftspeople and their vocations. Venable and Fird encountered folks who pursue popular crafts, such as basketweaving and clockmaking. But they found practitioners of other trades--wallpaper hangers and rail splitters, beekeepers and gravediggers--whose work also depends upon dexterity and upon expressing a distinctive Appalachian way of life. Some are college educated, some can barely read and write; some have lived in these hills all their lives, others have only recently come to call them home. Yet each feels bound to the region through a deep sense of belonging, and each owes at least part of his or her livelihood to handwork. While most of us may think of working with one's hands as entering computer data, these individuals attest to the perseverance--and appeal--of more traditional ways. Mountain Hands is a celebration in words and photographs of gifted people who understand and appreciate the Appalachian heritage--and who live it every day. The Author: A fifth-generation Southern Appalachian, Sam Venable is a newspaper columnist whose award-winning observations on daily life appear four times a week in the Knoxville News-Sentinel. A graduate of the University of Tennessee, Venable has spent most of his career roaming the highlands of his home state. He and his wife, Mary Ann, also a Tennessee native and UT graduate, live in a log house atop a wooded ridge on the outskirts of Knoxville. The Photographer: Paul Fird is a native of Rome, Georgia. He holds a degree in biology from Shorter College but has spent his professional career as a news photographer. After working for two newspapers in Georgia, he moved to Tennessee in 1990 and became a staff photographer for the News-Sentinel. Fird is an avid hiker, canoeist, and backpacker. He and his wife, Stephanie, live in Knoxville.

📖 **LITERARY LISTS** Roman Alexander Barton,Eva von Contzen,Anne Riggemeier,2023-05-23 This book provides a concise introduction to lists in literature from the early modern period to the twenty-first century. Tracing the changing functions of the literary list across time, it offers a broad range of case studies which situate selected enumerations in their respective contexts and demonstrate the versatility and creative potential of the list form. Starting with a review of previous research on the literary list, the book discusses four main constellations of enumeration: series and the great chain of being; itemization and enumerative realism; 'letteracettera' and experimental list-making; 'white noise' and creative exploits of enumeration between formal playfulness and existential exploration. The epilogue offers an analytical toolkit for the study of literary lists based on rhetorical theory.

The clues cover every topic from Rod Serling to Regis Philbin, from game shows to family dramas, from old favorites to series that still rule the ratings. Test your skills on Emmy winners, theme songs, spin-offs, miniseries, soap operas, and lots more.

📖 **JUDGES, VOLUME 8** Trent C. Butler,2017-12-12 The Word Biblical Commentary delivers the best in biblical scholarship, from the leading scholars of our day who share a commitment to Scripture as divine revelation. This series emphasizes a thorough analysis of textual, linguistic, structural, and theological evidence. The result is judicious and balanced insight into the meanings of the text in the framework of biblical theology. These widely acclaimed commentaries serve as exceptional resources for the professional theologian and instructor, the seminary or university student, the working minister, and everyone concerned with building theological understanding from a solid base of biblical scholarship. Overview of Commentary Organization Introduction—covers issues pertaining to the whole book, including context, date, authorship, composition, interpretive issues, purpose, and theology. Each section of the commentary includes: Pericope Bibliography—a helpful resource containing the most important works that pertain to each particular pericope. Translation—the author's own translation of the biblical text, reflecting the end result of exegesis and attending to Hebrew and Greek idiomatic usage of words, phrases, and tenses, yet in reasonably good English. Notes—the author's notes to the translation that address any textual variants, grammatical forms, syntactical constructions, basic meanings of words, and problems of translation. Form/Structure/Setting—a discussion of redaction, genre, sources, and tradition as they concern the origin of the pericope, its canonical form, and its relation to the biblical and extra-biblical contexts in order to illuminate the structure and character of the pericope. Rhetorical or compositional features important to understanding the passage are also introduced here. Comment—verse-by-verse interpretation of the text and dialogue with other interpreters, engaging with current opinion and scholarly research. Explanation—brings together all the results of the discussion in previous sections to expose the meaning and intention of the text at several levels: (1) within the context of the book itself; (2) its meaning in the OT or NT; (3) its place in the entire canon; (4) theological relevance to broader OT or NT issues. General Bibliography—occurring at the end of each volume, this extensive bibliography contains all sources used anywhere in the commentary.
