**Beautiful Machines** Blake Z. Rong,2019-10-08 Start your engines for a grand tour of the most stylish grand motoring automobiles ever created. Evoking an era when elegance, romance, and outright performance defined the automobile--and the fascinating stories that made them icons of the road. From the shark-inspired Maserati Ghibli to the fiery Lamborghini Miura, from European elegance with American firepower such as the Iso Grifo and Facel Vega to the groundbreaking designs of the Alfa Romeo Tipo 33 Stradale and Renault Alpine and the advanced technology behind the Jensen FF or Porsche 918 Spyder--these cars are less transportation and more testaments to beauty, freedom, ambition, innovation, and speed. Beautiful Machines was conceived and edited by gestalten. The stories are written by automobile expert Blake Z. Rong with a preface by Classic Driver's Jan Baedeker and gestalten's Robert Klanten.

**Actions and Goals** Marshall Dotson,2016-11-16 How is A Game of Thrones the same story as The Lego Movie? How is the mind-bending plot of Inception identical to the terse narrative of Gravity? In what way is Clarice Starling's struggle to silence the lambs indistinguishable from Harry Potter's pursuit of the philosopher's stone? Despite the striking difference in these stories, they share a less conspicuous similarity: they're all structured on a universal pattern of actions undertaken by their characters.This sequence of six Actions and Goals is the hidden foundation of modern story structure. By aligning the unique actions your characters takes with these universal story actions, you can create propulsive narratives that grab your audience by the lapels and punch them in the face (figuratively, of course). Whether you're writing for television or plotting a novel, penning your first screenplay or coming off your most recent bestseller, this groundbreaking

storytelling technique is guaranteed to change your perception of story. Actions and Goals will teach you: How to use the actions of your character to structure your story. Why your character's goal should change as the story progresses. The five turning points and the decision your character must make at each one. How a conflict of ideals creates the opposition your character faces. How your character's attempt to fulfill a new role propels him through the narrative. Successful storytellers understand the importance of structure. Actions and Goals gives you beat by beat examples of this structural secret at work in over a dozen critically acclaimed novels and films. From The Hunger Games to The Empire Strikes Back, from Titanic to Iron Man, you will learn the simple, effective structure at the heart of them all.

**Achtung-Panzer!** Heinz Guderian, 1995 This is one of the most significant military books of the twentieth century. By an outstanding soldier of independent mind, it pushed forward the evolution of land warfare and was directly responsible for German armoured supremacy in the early years of the Second World War. Published in 1937, the result of 15 years of careful study since his days on the German General Staff in the First World War, Guderian's book argued, quite clearly, how vital the proper use of tanks and supporting armoured vehicles would be in the conduct of a future war. When that war came, just two years later, he proved it, leading his Panzers with distinction in the Polish, French and Russian campaigns. Panzer warfare had come of age, exactly as he had forecast. This first English translation of Heinz Guderian's classic book - used as a textbook by Panzer officers in the war - has an introduction and extensive background notes by the modern English historian Paul Harris.

*An Illustrated History of the Knights Templar* James Wasserman, 2006-09-18 A lavishly illustrated, comprehensive look at the mysterious history of the Order of the Knights Templar • Presents the myths and historical truths of the Knights Templar, the elite warrior army of the pope who were destroyed as heretics some 700 years ago • Examines the evidence of the Templar connections to the Assassins and the Cathars • Includes more than 170 period illustrations and contemporary photos of former Templar strongholds in Europe and Jerusalem Despite the increasing scholarship devoted to the study of the Templar order, founded in 1119, the mystery surrounding the Templars endures. Secret societies from the Freemasons to the Ordo Templi Orientis claim descent from this religious order of warrior-monks. As the private army of the pope, the Knights Templar were initially established to protect Christian pilgrims traveling to the Holy Land but grew to become one of the most powerful organizations in the Middle Ages. With period illustrations from manuscripts from the Crusades, interpretive romantic paintings from the 18th and 19th centuries,

and contemporary photos by Steven Brooke and others of former Templar strongholds in Europe and Jerusalem, James Wasserman, author of the bestselling *The Templars and the Assassins*, provides a fascinating history of the Order and the many mysteries and legends that surround it. Wasserman presents the evidence for the Templar connection to mystical Islamic organizations such as the Assassins as well as their ties to “heretical” groups such as the Cathars, who were targeted by a crusade in southern France to expunge the challenge they presented to the orthodoxy of their time. In addition to providing an overview of the Templars’ actions during the Crusades, Wasserman revisits the trial and the charges leveled against them, showing how the Order was ruthlessly crushed. He also explores the nature of the treasure they left behind, which has fueled popular imagination for centuries.

*I Will Survive* Gloria Gaynor, 2014-03-11 *I Will Survive* is the story of Gloria Gaynor, America's Queen of Disco. It is the story of riches and fame, despair, and finally salvation. Her meteoric rise to stardom in the mid-1970s was nothing short of phenomenal, and hits poured forth that pushed her to the top of the charts, including Honey Bee, I Got You Under My Skin, Never Can Say Goodbye, and the song that has immortalized her, I Will Survive, which became a #1 international gold seller. With that song, Gloria heralded the international rise of disco that became synonymous with a way of life in the fast lane - the sweaty bodies at Studio 54, the lines of cocaine, the indescribable feeling that you could always be at the top of your game and never come down. But down she came after her early stardom, and problems followed in the wake, including the death of her mother, whose love had anchored the young singer, as well as constant battles with weight, drugs, and alcohol. While her fans always imagined her to be rich, her personal finances collapsed due to poor management; and while many envied her, she felt completely empty inside. In the early 1980s, sustained by her

marriage to music publisher Linwood Simon, Gloria took three years off and reflected upon her life. She visited churches and revisited her mother's old Bible. Discovering the world of gospel, she made a commitment to Christ that sustains her to this day.

*The Retreat from Moscow* William Nicholson, 2010-05-26 How well do we know the people we marry? Is it wrong to decide it's time to be honest? Is love enough to save a family? In *The Retreat from Moscow*, William Nicholson, the celebrated author of *Shadowlands*, tells the powerful story of a husband who decides to be truthful in his marriage, and of the wife and son whose lives will never be the same again. Edward and Alice have been married for thirty-three years. He is a teacher at a boys school, perfectly at home with his daily crossword and lately engrossed in reading about Napoleon's costly invasion of Moscow. She is an observant Catholic, exacting and opinionated, and has been collecting poems about lost love for a new anthology. Jamie, their diffident thirty-two year old son, is visiting for the weekend when Edward announces he has met another woman. With the coiled intensity of Tom Stoppard's *The Real Thing* and the embracing empathy of Edward Albee's best family dramas, *The Retreat from Moscow* shines a breathtakingly natural light on the fallout of a shattered marriage.

Warhol-isms Andy Warhol, 2022-05-10 A unique collection of brilliant quotations from the legendary Pop artist One of the most influential artists of his time and ours, Andy Warhol is nearly as renowned for what he said as for what he did. Indeed, he is so quotable that things he never said are endlessly and plausibly attributed to him, including, fittingly, the most celebrated fake Warhol

saying—"In the future, everyone will be world-famous for 15 minutes." Warhol-isms separates legend from fact to present a unique and comprehensive collection of authentic quotations from the Pop artist. Gathered from interviews and other primary sources, these deadpan, droll, ironic, and sincere gems—in which a superficial embrace of superficiality often disguises provocative, unconventional ideas—provide compelling insights into the life and work of an artist who has left an indelible mark on art and popular culture. Select quotations from the book: I think an artist is anybody who does something well. I went to [a psychiatrist] once, and he never called me back. They always say that time changes things, but you actually have to change them yourself. I've never met a person I couldn't call a beauty. New things are always better than old things. I'm still a commercial artist. I was always a commercial artist.

The Sixth Station Linda Stasi, 2013-12-01 Some say Demiel ben Yusef is the world's most dangerous terrorist, personally responsible for bombings and riots that have claimed the lives of thousands. Others insist he is a man of peace, a miracle worker, and possibly even the Son of God. His trial in New York City for crimes against humanity attracts scores of protestors, as well as media and religious leaders from around the world. Cynical reporter Alessandra Russo heads to the UN hoping for a piece of the action, but soon becomes entangled in controversy and suspicion when ben Yusef singles her out for attention among all other reporters. As Alessandra begins digging into ben

Yusef's past, she is already in more danger than she knows—and when she is falsely accused of murder during her investigation, she is forced to flee New York. On the run from unknown enemies, Alessandra finds herself on the trail of a global conspiracy and a story that could shake the world to its foundations. Is Demiel ben Yusef the Second Coming or the Antichrist? The truth may lie in the secret history of the Holy Family, a group of Templars who defied the church, and a mysterious relic stained with the sacred blood of Christ Himself.
