Pilgrim at Tinker Creek Annie Dillard, 2009-10-13 Winner of the Pulitzer Prize “The book is a form of meditation, written with headlong urgency, about seeing. . . . There is an ambition about her book that I like. . . . It is the ambition to feel.” – Eudora Welty, New York Times Book Review Pilgrim at Tinker Creek is the story of a dramatic year in Virginia's Roanoke Valley, where Annie Dillard set out to chronicle incidents of beauty tangled in a rapture with violence. Dillard's personal narrative highlights one year's exploration on foot in the Virginia region through which Tinker Creek runs. In the summer, she stalks muskrats in the creek and contemplates wave mechanics; in the fall, she watches a monarch butterfly migration and dreams of Arctic caribou. She tries to con a coot; she collects pond water and examines it under a microscope. She unties a snake skin, witnesses a flood, and plays King of the Meadow with a field of grasshoppers. The result is an exhilarating tale of nature and its seasons.

Beautiful Machines was conceived and edited by gestalten. The stories are written by automobile expert Blake Z. Rong with a preface by Classic Driver's Jan Baedeker and gestalten's Robert Klanten.

Twelve Years a Slave Solomon Northup, 2024-01-04 Filmatised in 2013 and the official recipient of three Oscars, Solomon Northup's powerful slave narrative 'Twelve Years a Slave' depicts Nortup's life as he is sold into slavery after having spent 32 years of his life living as a free man in New York. Working as a travelling musician, Northup goes to Washington D.C, where he is kidnapped, sent to New Orleans, and sold to a planter to suffer the relentless and brutal life of a slave. After a dozen years, Northup escapes to return to his family and pulls no punches, as he describes his fate and that of so many other black people at the time. It is a harrowing but vitally important book, even today. For further reading on this subject, try 'Uncle Tom's Cabin' by Harriet Beecher Stowe. Solomon Northup (c.1807-c.1875) was an American abolitionist and writer, best remembered for his powerful race memoir 'Twelve Years a Slave'. At the age of 32, when he was a married farmer, father-of-three, violinist and free-born man, he was kidnapped in Washington D.C and shipped to New Orleans, sold to a planter and enslaved for a dozen years. When he gained his freedom, he wrote his famous memoir and spent some years lecturing across the US, on behalf of the abolitionist movement. 'Twelve Years a Slave' was published a year after 'Uncle Tom's Cabin' by Harriet Beecher Stowe and built on the anti-slavery momentum it had developed. Northup's final years are something of a mystery, though it is thought that he struggled to cope with family life after being freed.

Pirates of Pensacola Keith Thomson, 2005-04 The Cooke and Hood families have been at each other's throats since the Spanish Main days. The latest chapter in their piratic rivalry takes place in 2004, when an old treasure map turns up. None of this seems to matter to Morgan Cooke, a cowardly, landlubbing accountant entirely ignorant of his heritage until his estranged father, Isaac, in need of crewmen, kidnaps him and thrusts him into the fray. When Morgan wakes up on a boat in the middle of the Caribbean, he learns that piracy still flourishes, albeit with far more discretion than in the old days--pirates disguise their fast boats as shrimpers or tugs--but with no less bloodshed. Judging even a shot at riches vastly preferable to a return to his lonely, fluorescent-lit work station existence, Morgan pierces his ear, dons the eye patch and peg leg, and set sail for glorious adventure.

Achtung-Panzer! Heinz Guderian, 1995 This is one of the most significant military books of the twentieth century. By an outstanding soldier of independent mind, it pushed forward the evolution of land warfare and was directly responsible for German armoured supremacy in the early years of the Second World War. Published in 1937, the result of 15 years of careful study since his days on the German General Staff in the First World War, Guderian's book argued, quite clearly, how vital the proper use of tanks and supporting armoured vehicles would be in the conduct of a future war. When that war came, just two years later, he proved it, leading his Panzers with distinction in the Polish, French and Russian campaigns. Panzer warfare had come of age, exactly as he had forecast. This first English translation of Heinz Guderian's classic book - used as a textbook by Panzer officers in the war - has an introduction and extensive background notes by the modern English historian Paul Harris.

Epilogue - The Dark Duet C. J. Roberts, 2014-10-27 This edition of EPILOGUE - The Dark Duet features a new cover that when combined with the other books in DARK DUET - Platinum Edition series makes a lovely addition to any bookshelf. It is NO DIFFERENT in content from previous editions of the series. CAPTIVE IN THE DARK (BOOK 1): Caleb is a man with a singular interest in revenge. Kidnapped as a young boy and sold into slavery by a power-hungry mobster, he has thought of nothing but vengeance. For twelve years he has immersed himself in the world of pleasure slaves searching for the one man he holds ultimately responsible. Finally, the architect of his suffering has emerged with a new identity, but not a new nature. If Caleb is to get close enough to strike, he must become the very thing he abhors and kidnap a beautiful girl to train her to be all that he once was. Eighteen-year-old Olivia Ruiz has just woken up in a strange place. Blindfolded and bound, there is only a calm male voice to welcome her. His name is Caleb, though he demands to be called Master. Olivia is young, beautiful, naïve and willful to a fault. She has a dark sensuality that cannot be hidden or denied, though she tries to accomplish both. Although she is frightened by the strong, sadistic, and arrogant man who holds her prisoner, what keeps Olivia awake in the dark is her unwelcome attraction to him. SEDUCED IN THE DARK (BOOK 2): What is the price of redemption? Rescued from sexual slavery by a mysterious Pakistani officer, Caleb carries the weight of a debt that must be paid in blood. The road has been long and fraught with uncertainty, but for Caleb and Livvie, it's all coming to an end. Can he surrender the woman he loves for the sake of vengeance? Or will he make the ultimate sacrifice? EPILOGUE - THE DARK DUET (BOOK 3): It didn't happen exactly as Livvie said. She's been very kind to me in the retelling of our story. The truth is far more...complicated. DARK DUET - THE BONUS MATERIAL (BOOK 4): 1) The NEW 32,000 word novella DETERMINED TO OBEY, featuring secondary characters Kid, Felipe, and Celia. 2) Eight scorching-hot fan-written Dark Duet short stories hand-selected by the author. 3) CJ's favorite interviews & Reviews Author Endorsements: 'This series is the most incredible mindf**k I've ever experienced.' Or something along those lines. Write whatever you want and slap my name on it. I loved it that much.' – Colleen Hoover, #1 New York Times Bestselling Author I have never had an author move me to the point that I felt I needed to get in my car and go after someone who was fictional. --Tina Reber, NYT and USA Today Bestselling Author of the LOVE series Absolutely amazing! I have not been this captivated by a book, by a series, in years! Thank you to everyone who told me to read these. -- Aleatha Romig, NYT Bestselling Author of the Consequences series I'm very stingy with five stars. I usually only give those to modern classics or books that I am absolutely crazy about. Here is why I think CID deserves five.... -- Tarryn Fisher, USA Today Bestselling Author of the Love Me With Lies series Just know that I think it was an exhilarating (albeit somewhat exhausting) reading experience and I LOVED it. And... I appreciated it even more once I was done. I felt mostly... complete. Crazy right? Ahhh but sometimes, it just is what it is. It was rich, well rounded, uncomfortable, exciting and scary (in multiple ways). Emotionally affecting. I lived it, I didn't just read it, although I was VERY happy to be on this side of the book. *phew* I may enjoy the fictional thrill and I may like it crazy at times, but I'm very content on the safe side of life. --

Metaphor and Translation Dorota Śliwa,2019-10-16 This volume brings together the ideas put forward at an international conference on Metaphor and Translation held at the University of Toulon, France, in June 2017. The bilingual nature of the contributions here provides an insight into recent linguistic theories from both the English- and French-speaking worlds. This diversified approach is further enhanced by contributors being based in a large number of countries worldwide and working on different language combinations. The kinds of problem areas investigated here include a wide range of themes. They cover aspects ranging from methodological and theoretical issues to specialist areas such as literature, culture and the economy. Whatever the theoretical approach applied, the findings come up with interesting and useful conclusions as to how metaphor is translated in the types of discourse analysis proposed. As a result, this volume will be of interest to both scholars and students involved in metaphor studies and translation, as well as to professional translators wishing to keep track of recent theories and practical issues in the field.

Hard Bodies Susan Jeffords,1994 Hard Bodies looks at some of the most popular films of the Reagan era and examines how the characters, themes, and stories presented in them often helped to reinforce and disseminate the policies, programs, and beliefs of the 'Reagan Revolution.'

Sissy Dreams: From Boyfriend to Girlfriend Paul Zante, Receiving a text from Sasha, my girlfriend, at work was always risky. Especially when she wanted to know if her girlfriend was horny. A short and sweet (and filthy) story.

Living With It Lizzie Enfield,2014-06-26 One-year-old Iris is deaf. Her parents, Ben and Maggie, are devastated. So are their close friends Isobel and Eric. Isobel knows that her decision, taken years ago, not to have her own children vaccinated against measles is to blame for Iris's deafness. And Ben knows this too. To make matters worse, Isobel is the woman he fell in love with in his twenties - the woman who married his best friend. As he and Maggie start legal proceedings, Isobel's world begins to unravel. Lizzie Enfield's compelling new novel explores the hearts and minds of ordinary people as they struggle to come to terms with the choices they've made. Acutely observed and utterly gripping, it explores love and loss, guilt and recovery, with humour, honesty and page-turning prose.
