IBM Cognos Business Intelligence V10.1: Intelligence Unleashed Dean Browne, IBM Redbooks, 2010-10-25 Organizations are pressured constantly to understand and react quickly to information. In addition, the complexity and volumes of data for all aspects of the environments in which organizations operate is increasing. Markets, regulatory environments, customer and supplier data, competitive information, and internal operational information all impact how data is viewed and interpreted. With a capable and efficient business intelligence (BI) solution, all levels of an organization can receive information how, when, and where they need it to make faster and better aligned decisions. Every user can have access to all the capabilities of the BI solution, and often organizations can determine a user's business need to access information using typical characteristics that are defined by that user's role. Many organizations often satisfy this complexity and these diverse demands with a number of point solutions. With IBM® Cognos® Business Intelligence (BI), you can satisfy needs throughout the user community and ensure that everyone can work and collaborate from a consistent set of data. In addition, IT is simplified with fewer components to deploy, manage, and maintain. Organizations need to make the most of a workforce that is increasingly driven to multi-task, network, and collaborate. IBM Cognos BI delivers analytics that everyone in the organization can use to answer key business questions. This IBM Redguide™ publication highlights features of IBM Cognos BI version 10.1.

You're Hired! Resume Tactics Job Search Strategies That Work Rae A. Stonehouse, 2018-12-10 In times of tough job markets, getting invited for a job interview can be like winning a lottery. It is often said that "resumes are your ticket to job searching success." Are your resumes ready to land you that ever-elusive job interview? Yes, you read that right. Resumes... plural. The days of one-size-fits-all resumes are long gone. Your resume needs to be a living, breathing document that you customize for each job opportunity. You won't win a lottery if you don't have a ticket and you are unlikely to be invited for a job interview if you don't have a dynamic, effective resume that features you as the solution to a problem. Your resume is your ticket that leads to being invited for an interview where you can expand upon your value. *You're Hired! Resume Tactics - Job Search Strategies That Work*, offers resume writing tactics to maximize your job searching effectiveness and get you invited for an interview. Are you new to the workforce and think your resume is on the lean side? We share tactics to leverage your academic experience. Or perhaps you have been out of work for a while? In many ways it's like getting out of school all over again and poses challenges on what experiences you can leverage to your advantage. Maybe you are at a crossroads in your life and are changing careers? Will your earlier experience be of any use in a new

career? We think so. An effective, eye-catching resume increases the chances you will be invited to interview. We show you how to craft and fine-tune a magnetic resume that will attract an employer's attention. Resumes are still the not so secret weapon to landing a job. You're Hired! Resume Tactics - Job Search Strategies That Work puts you to work in learning how to use 'best practices' to create customized resumes that increase your chances of winning an interview. The content is excerpted from You're Hired! Job Search Strategies That Work, with bonus articles covering a range of frequently asked questions about resume writing as answered by the author. Hiring managers are under pressure to hire the right candidate. Your task is to become the only choice. The right choice!

You're Hired! Rae A. Stonehouse, 2018-10-29 Looking for work? Having difficulty in landing your dream job... or any job? Don't know how to do it? You're Hired! Job Search Strategies That Work provides powerful strategies and tactics to land your next job. Searching for and landing a job can be a stressful, demoralizing experience, especially, if you don't know how to do it properly. The 'old ways' of finding a job often don't work anymore. Finding rewarding work ... is work! You're Hired! Job Search Strategies That Work, puts you to work in learning how to use 'best practices' to land your 'dream' job. This easy-to-read book is a systematic program providing strategic tactics to maximize your job searching effectiveness. Did you know there is a psychology behind the process of job searching? You're Hired! Job Search Strategies That Work helps you understand the psychology of job-searching and sets you up for envisioning your success. Resumes... It is often said that "resumes are your ticket to job searching success." Resumes are still the not so secret weapon to landing a job. You won't win a lottery if you don't have a ticket and you are unlikely to be invited for a job interview if you don't have a dynamic, effective resume that features you as the solution to a problem. Your resume is your ticket that leads to being invited for an interview where you can expand upon your value. An effective, eye-catching resume will get you an interview. We show you how to craft and fine-tune a magnetic resume that will attract an employer's attention. Are you networking? Many job search industry professionals say that networking is the single most effective strategy for landing your next job. You may think you don't know anyone who can help you with your job search. But you know more people than you think, and they are willing to help you. However, you need to reach out and connect with them first. "It's not who you know... it's who knows you know..." You're Hired! Job Search Strategies That Work helps you build upon your existing network of contacts and take it to the next level, an opportunity-creating machine. References... Do you have your professional and personal references in place? Are they primed to be your personal cheerleaders? No? Well they should be. You're Hired! Job Search Strategies That Work provides you with proven tactics to leverage your references to help nail the job for you. Job Interviewing... While looking for a new job and going through hiring interviews can be exciting for some people, for many of us it can be a stressful experience. Is the thought of a job interview keeping you awake at night? You're Hired! Job Search Strategies That Work systematically builds your skills to excel at interview questions and help you sleep at night. From our experience, one of the biggest problems job seekers often face is they feel they are coming from an inferior position and they don't have a lot of personal power. The belief being that the Employer has the superior position and has all the power. Sound familiar? Yes, they have the job and they have the power to give you the job ... or not. What you may not realize is many Hiring Managers are under similar pressures as you, the job seeker. They are

accountable to their superiors should the person they hire not work out. They have the pressure of finding the right candidate for the vacancy they need to fill. You're Hired! Job Search Strategies That Work levels the playing field between you and the employer. Your task is to become the only choice. The right choice!

Find Your Fit Sue Kaiden, 2016-10-20 Master the new world of work. You want—no, you need—a new job. But not just any job. The job. So you polish your resume till it shines. You apply for countless openings, tailoring your message to each. You search for the hidden job market, although it remains very well hidden. And the response? Well, it's underwhelming. To top things off, maze-like online application systems appear designed to keep you and the perfect job apart. What's going on? How people successfully land jobs has changed. You need help from a pro, someone who navigates career data, the labor market, and hot jobs with ease. You want a coach who will tell you what to pursue and what to avoid, and an expert who has mastered job-hunting and career change to offer wisdom gained from experience. What you need is a career coach. Better yet, several. Expert career coaches contributing to this volume include Lakeisha Mathews, Dan Schwartz, Sheila Margolis, Alisa Cohn, Michelle Riklan, Marie Zimenoff, Laura Labovich, Lynne Williams, Thea Kelley, Jean Juchnowicz, Alan DeBack, Marilyn Feldstein, Vivian Blade, David Hosmer, Barbara Seifert, and Nicole Miller. Find Your Fit guides you through answering foundational questions like: What do I want to do with my career? Where should I do it? And how do I get there? As you develop a strong sense of self-awareness, you'll be able to identify the work environment best for you, shape your online identity, and network more effectively by focusing on people instead of openings. You'll learn about coveted employee referrals, and how to get one at your target company. With the help of experienced career coaches, you'll be able to handle any kind of interview. And, you'll become familiar with the pre-employment testing and assessments increasingly common today. What are you waiting for? Your personal coaching session awaits.
