The Book on Managing Rental Properties Brandon

Turner, Heather Turner, 2015-10-28 No matter how great you are at finding good rental property deals, you could lose everything if you don't manage your properties correctly! But being a landlord doesn't have to mean middle-of-the-night phone calls, costly evictions, or daily frustrations with ungrateful tenants. Being a landlord can actually be fun IF you do it right. That's why Brandon and Heather Turner put together this comprehensive book that will change the way you think of being a landlord forever. Written with both new and experienced landlords in mind, The Book on Managing Rental Properties takes you on an insider tour of the Turners' management business, so you can discover exactly how they've been able to maximize their profit, minimize their stress, and have a blast doing it! Inside, you'll discover:

- The subtle mindset shift that will increase your chance at success 100x!
- Low-cost strategies for attracting the best tenants who won't rip you off.
- 7 tenant types we'll NEVER rent to--and that you shouldn't either!
- 19 provisions that your rental lease should have to protect YOU.
- Practical tips on training your tenant to pay on time and stay long term.
- How to take the pain and stress out of your

bookkeeping and taxes. - And much more!

The Landlord Entrepreneur Bryan M. Chavis, 2017-09-05 From the author of the real estate investment bible *Buy It, Rent It, Profit!* comes a fresh guide to teach new and aspiring landlords how to go from managing a single rental property to successfully managing a large rental portfolio. In his first book, real estate expert Bryan Chavis created the ultimate how-to guide for buying and managing rental properties, with practical, realistic ways to build lasting, long-term wealth. Now, he takes his acclaimed program one step further. *The Landlord Entrepreneur* shifts the focus from dealing exclusively with residential real estate to building a dynamic property management business. By following the step-by-step instructions in this new guide, anyone can create a fully functioning, professional property management company in only ten days. With Chavis's modern take on real estate, you will learn the five phases of property management and the skills needed to successfully move through them—as well as the hacks and tricks to build your profitable business from the ground up. Full of smart, practical business advice, *The Landlord Entrepreneur* is the only guide you need to become a successful property manager in today's real estate market.

Landlording on AutoPilot Mike Butler, 2018-03-05 Simplify Your Landlord Experience with Smart Strategies and Smarter Tools

“Without Landlording on Autopilot, I doubt I would have ever succeeded with rental properties. Mike's book guided my business every step of the way, and I owe a huge debt to Mike for his insights. This book is a MUST-READ for any current or future landlord.” -Brandon Turner, BiggerPockets.com

Landlording on Autopilot is the property investor's guide to doing it all with less stress and lolhigher profits. As a full-time undercover police detective, author Mike Butler developed his proven, simple system for managing hundreds of rentals on the side; in this book, he shares his methods to help you transition your rentals from a headache into a fun, problem-free source of consistent higher profits and income. Whether you're looking for your first rental property, or just looking for a better way to manage the ones you have, this book shows you his strategies, mind-set, tools and technologies to make your rental business a boatload easier while giving you a lot more time to do what you want! Mike's simple methods can be implemented in downtown Manhattan or Anytown, USA, whether you manage high-end penthouses or Section 8 rentals, and you can do it all from your smartphone or tablet—and

best of all, most of the technology doesn't cost a penny. There comes a time in every landlord's "landlording" experience when the income doesn't feel worth the hassle. Don't give up! Investment property can be a wonderful source of income—with the right approach. Mike Butler's approach is "autopilot", and it tips the scales toward more profit, more income, and much less stress. Discover the latest—and mostly free—landlording technologies HUGE Updates on Section 8, rental application processing changes, and more How To deal with the latest rash of federal, state, and local laws attacking landlords Explore market trends and conditions through the eyes of a seasoned real estate investor If your properties are taking up too much of your life, Landlording on Autopilot is your ultimate guide to reclaiming your time—and your profit. PLUS... FREE GIFTS from Mike Butler! "159 point Rent Ready Checklist" "Your 18 page 'Ultimate How To Guide' to Taking Multi-Purpose Photos and Videos of Your Rentals" 12 Brand New Updated FORMS for Your Rental Business

Managing Rental Properties for Maximum Profit Greg M. Perry, 1997 There is no reason why landlords must sacrifice their entire lives to managing rental properties--especially if they own just one or two properties. But still, more and more landlords wind

up completely frustrated from the constant demands on their properties. In his book, *Managing Rental Properties for Maximum Profit*, author Greg Perry shares a foolproof system for managing rental properties, making money, and having lots of spare time. Other books on the market offer landlording advice for the big-time landlord, the owner of apartment complexes, and rental corporations. This book is intended for the less-encumbered landlord, someone who just owns one or a handful of properties. This 2nd edition is revised with the latest information on federal housing laws and the use of computers for more efficient record keeping, including a clear guide to researching property listings on the Internet. There are also up-to-date samples of leases, rental applications, eviction notices, and other important documents that can be customized. Readers will learn how to:

- Attract desirable tenants
- Keep good tenants happy and get rid of bad tenants
- Save a fortune on renovations, advertising, and other expenses
- Buy new properties and turn them into the most attractive houses on the block

About the Author Greg Perry owns and manages or co-manages over 50 rental properties, mostly single-family dwellings. He says his foolproof system for rental management has turned his rental business into a virtual turnkey operation. He is the

author of 46 computer how-to-books and teaches full-time at a community college. He lives in Tulsa, Oklahoma.

Real Estate Software Guidelines Michael J. Berkery, 1984

Landlording on Autopilot Mike Butler, 2017-03-15 Discover how Mike Butler managed 75 rental properties while working full-time as a police detective--before he hired any part-time help For many investors, landlording is a pain, but not for those who use Mike Butler's Landlording on Autopilot system. It's a simple, proven method for managing rental properties in your spare time--without the headaches. Mike Butler developed this system while he worked full time as a police officer. Before long, he was buying and managing dozens of properties--and consistently bringing in more than 100% of his rents. Includes free customizable, downloadable forms! Butler shares all the vital techniques of autopilot landlording:

- * Screening and finding great tenants you can trust
- * Training tenants to do your landlording work for you
- * Increasing your cash flow with a simple push-button management system
- * Using little-known tax breaks available to full-time or part-time landlords
- * Easily complying with landlording regulations and legal stuff you might not think of
- * Identifying the most profitable types of properties
- * Marketing and advertising your properties at little or no

cost * Utilizing powerful, ready-to-use landlording forms * Getting rid of bad tenants quickly, safely, and cheaply when buying properties * Using creative tactics to consistently bring in more than 100% of the rent Once you've learned Mike Butler's system, you'll make more money in less time with less effort. Today, Mike Butler is retired from the police force and enjoys more than \$1 million a year from his rental properties. Using the techniques and strategies of Landlording on Autopilot will help you achieve your dreams.

Every Landlord's Tax Deduction Guide Stephen

Fishman, 2020-12-02 Maximize your tax deductions Rental real estate provides more tax benefits than almost any other investment. Every Landlord's Tax Deduction Guide is the only book that focuses exclusively on IRS rules and deductions for landlords. The book covers the latest tax laws, including changes under the Coronavirus Aid, Relief, and Economic Security Act (CARES Act) that are particularly beneficial to landlords. Learn about landlord tax classifications, reporting rental income, hiring workers, and depreciation. Find out how to: handle casualty and theft losses distinguish between repairs and improvements deduct home office, car, travel, and meals keep proper tax records and much more. Filled with practical advice and real-world examples, Every

Landlord's Tax Deduction Guide will save you money by making sure you owe less to the IRS at tax time. This edition is updated to cover changes under the Coronavirus Aid, Relief, and Economic Security Act (CARES Act).
