Icons in Time, Persons in Eternity C.A. Tsakiridou, 2016-05-13 Icons in Time, Persons in Eternity presents a critical, interdisciplinary examination of contemporary theological and philosophical studies of the Christian image and redefines this within the Orthodox tradition by exploring the ontological and aesthetic implications of Orthodox ascetic and mystical theology. It finds Modernist interest in the aesthetic peculiarity of icons significant, and essential for re-evaluating their relationship to non-representational art. Drawing on classical Greek art criticism, Byzantine ekphrasis and hymnography, and the theologies of St. Maximus the Confessor, St. Symeon the New Theologian and St. Gregory Palamas, the author argues that the ancient Greek concept of enargeia best conveys the expression of theophany and theosis in art. The qualities that define enargeia - inherent liveliness, expressive autonomy and self-subsisting form - are identified in exemplary Greek and Russian icons and considered in the context of the hesychastic theology that lies at the heart of Orthodox Christianity. An Orthodox aesthetics is thus outlined that recognizes the transcendent being of art and is open to dialogue with diverse pictorial and iconographic traditions. An examination of Ch'an (Zen) art theory and a comparison of icons with paintings by

Wassily Kandinsky, Pablo Picasso, Mark Rothko and Marc Chagall, and by Japanese artists influenced by Zen Buddhism, reveal intriguing points of convergence and difference. The reader will find in these pages reasons to reconcile Modernism with the Christian image and Orthodox tradition with creative form in art.

**Patsy Cline: the Making of an Icon** Douglas Gomery, 2011-03-17 Patsy Cline remains a much beloved singer, even though she died in 1963. By 1996, Patsy Cline had become such an icon that The New York Times magazine positioned her among a pantheon of women celebrities who transcended any single cultural genre. A series of essays on Heroine Worship included Patsy Cline with such feminine icons as Eleanor Roosevelt, Martha Graham, Indira Gandhi, Aretha Franklin, and Jackie Onassis. The making of an icon is a cultural process that transcends traditional biographical analysis. One does not need to know the whole life story of the subject to understand how the subject became an icon. This book explores how Patsy Cline transcended class and poverty to become the country music singer that non-country music fans embraced. It goes beyond a traditional biography to explore the years beyond her death. This is the first thoroughly researched book on Patsy Cline. It is true to Patsy and her legacy. Judy Sue Huyett-Kempf President, Celebrating Patsy Cline The Patsy Cline Historic House Winchester, Virginia Douglas Gomery taught mass media history at the University of Wisconsin, Northwestern University, New York University, the University of

Utrecht the Netherlands), and the University of Maryland. He retired in 2005 to become the Official Historian for Celebrating Patsy Cline and Resident Scholar at the Library of American Broadcasting.
