Rough Ride In Vegas Donna Foley Mabry,2008-10-16 It's National Finals Rodeo Week in Las Vegas, with even more people than usual traveling to the City of Sin in hopes of fulfilling their dreams. And they'll do almost anything to get what they want. There's Sonny Monroe, a country music superstar clinging to the edge of disaster. Ferlin and Patsy, who just want to be married by an Elvis impersonator, see the rodeo, and get home. Lil'bit Meade hoping to win the barrel racing event with her stallion. Charles Driscoll is starting a new job and plans to prove he has what it takes. Sandy dreaming of collecting a thirteenmillion-dollar jackpot. And Inquizitor, a rodeo bull so deadly he can't be bred, wants one more chance to kill. When one of the new arrivals winds up dead, casino owner Alexandra Merritt and homicide

detective Mike Simmons have a case to solve, and they must do so before the suspects all leave town. There's only one murderer, but everyone involved will find that it is a Rough Ride in Vegas.

In The Desert Of Desire William L. Fox,2007-08-01 Las Vegas, says William Fox, is a pay-as-you-play paradise that succeeds in satisfying our fantasies of wealth and the excesses of pleasure and consumption that go with it. In this context, Fox examines how Las Vegas's culture of spectacle has obscured the boundaries between high art and entertainment extravaganza, nature and fantasy, for-profit and nonprofit enterprises. His purview ranges from casino art galleries—including Steve Wynn's private collection and a branch of the famed Guggenheim Museum—to the underfunded Las Vegas Art Museum; from spectacular casino animal collections like those of magicians Siegfried and Roy and Mandalay Bay's Shark Reef exhibit to the city's lack of support for a viable public zoo; from the environmental and psychological impact of lavish water displays in the arid desert to the artistic ambiguities intrinsic to Las Vegas's floating world of showgirls, lapdancers, and ballet divas. That Las Vegas represents one of the world's most opulent displays of private material wealth in all its forms, while providing miserly funding for local public amenities like museums and zoos, is no accident, Fox maintains. Nor is it unintentional that the city's most important

collections of art and exotic fauna are presented in the context of casino entertainment, part of the feast of sensation and excitement that seduces millions of visitors each year. Instead, this phenomenon shows how our insatiable modern appetite for extravagance and spectacle has diminished the power of unembellished nature and the arts to teach and inspire us, and demonstrates the way our society privileges private benefit over public good. Given that Las Vegas has been a harbinger of national cultural trends, Fox's commentary offers prescient insight into the increasing commercialization of nature and culture across America.

The Finals Jim Bainbridge, 2009-11-20 This book traces the history of the Wrangler National Finals Rodeo (NFR) from its inception through its 50th year: 1959-2008. Each year's section contains a personal reflection from one of that year's champions, a narrative wrap-up of the other events of that NFR, photos, and grids showing detailed results of each contestant's performance in each round, to the extent possible. The book is published by the Professional Rodeo Cowboys Association, which previously published (1998) a similar book, "The Finals: A Complete History of the National Finals Rodeo," about the first 40 years of the NFR (208 pages). Most of the material from the first book is reprinted in the second book, some of it updated and corrected – especially, more complete and more accurate grids for the first 40 years. Approximately 48 pages of new material covering the 1989-2008 NFRs and the 50th anniversary celebration has been added for the new book.
