Reid L. Neilson

For the Strength of Youth The Church of Jesus Christ of Latter-day Saints, 1966 OUR DEAR YOUNG MEN AND YOUNG WOMEN, we have great confidence in you. You are beloved sons and daughters of God and He is mindful of you. You have come to earth at a time of great opportunities and also of great challenges. The standards in this booklet will help you with the important choices you are making now and will yet make in the future. We promise that as you keep the covenants you have made and these standards, you will be blessed with the companionship of the Holy Ghost, your faith and testimony will grow stronger, and you will enjoy increasing happiness.

LDS Activity Workbook: an Unofficial Companion to the Valiant Lesson Manual for the Doctrine and Covenants Honor Wright, 2018-05-07 This LDS activity workbook is designed for kids ages 8 to 11 who are in a Valiant class in Primary. This is an unofficial companion to the Lesson Manual 5 that covers the Doctrine & Covenants. Each lesson has at least 4 activities that were specifically created to reflect the teachings and values of each lesson: a word search, a cryptogram, a story from the lesson, a unique, intricate coloring page, a maze, or matching. Parents, use this activity workbook to help your children stay entertained at church or during the week to help your children become immersed in the gospel. Primary teachers, stop spending hours looking for handouts each week and grab a book for each of your students. Please note that while Honor T. Wright has gone to great lengths to make sure the content in this workbook conforms to the teachings of the gospel, this is not an official publication of the Church.

Fun Activities for LDS Families Elizabeth Sainsbury Orton, 2007-09-01

Activities That Inspire Young Women Cindy Parry, 1994-09 This activity leader's guide offers fourteen innovative learning projects that can be effectively used and enjoyed in the LDS Young Women program. The creative ideas presented will be of great value to all who lead, teach and serve. This is an idea book - a source which leaders can use as is or readily adapt to the specific needs of the girls they teach. Projects in this volume are both fun and spiritually rewarding. They include faith-centered activities that identify courageous kids who've made a difference in the community, a Christmas service project exemplifying the areas of good works, and a game night where each game has a parallel to the girls' personal responsibilities for choice and accountability. You're an Original, which features the identification of unique personal characteristics, is a fun activity based on the theme of individual worth. A pressure cooker demonstration becomes the basis for meaningful insights in the knowledge category, while a guest speaker who focuses on the miracle of life for the Glorious Creation - Starring You! activity gives emphasis to the divine nature value. The Still Small Voice and a Quality Worth Singing About are the activities for teaching the integrity value. Every activity is fun, motivational and truly uplifting. Two lesson plans are provided for each of the seven Values, and each lesson plan includes a clear lesson objective, a list of materials needed to teach that objective, suggestion on preparing the lesson and making it unique, appropriate invitations for each class member, and a step-by-step outline of the class activity. Each lesson plan also suggests interesting post-project assignments for class members to help them remember the lesson's goal and incorporate it into their daily lives. The enjoyable projects in this book can truly stimulate a ward or stake Young Women's program, build the spiritual nature of every class member, and make planning and executing each activity a joy for the instructor. *Activities That Inspire Young Women, Volume 2,*

continues and expands the exciting ideas for Young Women leaders that first appeared in Activities That Build Young Women, Volumes 1 and 2, and Activities that Inspire Young Women, Volume 1.

The Columbia Sourcebook of Mormons in the United States Terryl L. Givens, Reid L. Neilson, 2014-07-15 This anthology offers rare access to key original documents illuminating Mormon history, theology, and culture in the United States from the nineteenth century to today. Brief introductions describe the theological significance of each text and its reflection of the practices, issues, and challenges that have defined and continue to define the

Mormon community. These documents balance mainstream and peripheral thought and religious experience, institutional and personal perspective, and theoretical and practical interpretation, representing pivotal moments in LDS history and correcting decades of misinformation and stereotype. The authors of these documents, male and female, not only celebrate but speak critically and question mainline LDS teachings on sexuality, politics, gender, race, polygamy, and other issues. Selections largely focus on the Salt Lake-based LDS tradition, with a section on the post-Joseph Smith splintering and its creation of a variety of similar yet different Mormon groups. The documents are arranged chronologically within specific categories to capture both the historical and doctrinal development of Mormonism in the United States.
