Logic Puzzles Edward Godwin,2014-12-15 Readers test their logic skills through a series of fun exercises designed to give the brain a workout! Word problems and problems depicted through pictures present different kinds of logic puzzles that utilize different sets of important skills. In addition to basic logic, these problems also help readers develop their math skills through puzzles involving addition, multiplication, and time. Colorful illustrations make each logic puzzle fun to solve, and an answer key is provided for readers to determine how successful they were at finding their own solutions.
