Presents facts about each president accompanied by cartoon-style illustrations to serve as memory aids and quizzes to reinforce information.

Remembering the Presidents of the USA Kevin
Horsley, Eloise Cooper, Sophie Pretorius, 2014-02-18 Learn the first 44 U.S. presidents with this quick & easy guide from the Wall Street Journal–bestselling author of *Unlimited Memory* and *The Happy Mind*. In these pages, you will quickly learn all 44 Presidents of the United States in order. Just by looking at four pictures and reading through the descriptions, you will know the presidents forwards, backwards, inside, and out. You will also instantly learn some extra fun facts and trivia about each president. This book is not about rote learning or memorizing the presidents with some silly acronym, poem, or rhyme. It is about showing you a way to store information quickly and more effectively so that you can instantly recall information. Why is it important to know all the presidents? If you know all 44 presidents, you have a framework and timeline for all American and world history. Once you have the framework in order, it becomes easier to connect new information to it such as time periods and decisions that were made in history that shaped the world. By getting to know each president and doing more research into who they were as people and leaders, the more you will improve your knowledge and thinking on respectable leadership qualities. Having great references and strong stories in our minds can help us be better people in times of decision making and in life in general. When you are familiar with the presidents and the timeline that they fall into, it will also be easier to connect U.S. vice presidents and other countries' presidents to them and, therefore, further expand your general knowledge. You can also use this method of remembering to stretch your memory, increase your learning, and improve your

general knowledge in other areas of your life, as well. This book has no fluff. We will show you exactly what to do and we get straight to the point. Don't just read this book; play with the concepts and make it part of your thinking and your life.

100 Valuable Leadership Lessons from 10 U. S. Presidents

George Ilian, 2016-06-09 Learn the leadership lessons of: George Washington, Thomas Jefferson, Abraham Lincoln, Theodore Roosevelt, Woodrow Wilson, Franklin D. Roosevelt, Dwight D. Eisenhower, John F. Kennedy, Richard Nixon and Ronald Reagan. We are fortunate enough to have a lot of content around us that teaches leadership. We even have the power to excavate important lessons from some of the most historical figures in history. Today's business leaders can learn a lot by looking back on the important lessons bestowed by great men like George Washington, Abraham Lincoln, Franklin D. Roosevelt, and John F. Kennedy. This is true no matter how you might feel about their differing policies, beliefs or skills. Effective leadership is essential for being President. That's a given. So is the fact that CEOs of corporations must be great leaders. However, even if you have a small business or are self-employed, you too can benefit from being a great leader - perhaps even more than a CEO of a large corporation. The most effective leaders act from their set of core values. Sure, some people might not align with those values but those are not the people you should focus on anyway. To be a great leader, you must take those values and cultivate them into a vision. That's what the lessons highlighted throughout this book are going to show you. Can you adapt your leadership style to meet the unexpected? Are you ready to get started?

United States Presidents ,2008

The Presidents Brian Lamb,Susan Swain,2019-04-23 The complete rankings of our best -- and worst -- presidents, based on

C-SPAN's much-cited Historians Surveys of Presidential Leadership. Over a period of decades, C-SPAN has surveyed leading historians on the best and worst of America's presidents across a variety of categories -- their ability to persuade the public, their leadership skills, their moral authority, and more. The crucible of the presidency has forged some of the very best and very worst leaders in our national history, along with everyone in between. Based on interviews conducted over the years with a variety of presidential biographers, this book provides not just a complete ranking of our presidents, but stories and analyses that capture the character of the men who held the office. From Abraham Lincoln's political savvy and rhetorical gifts to James Buchanan's indecisiveness, this book teaches much about what makes a great leader -- and what does not. As America looks ahead to our next election, this book offers perspective and criteria to help us choose our next leader wisely.

The American Presidents David C. Whitney, 1969 Biographies of United States Presidents from George Washington to Richard Nixon.

The Next President Kate Messner, Adam Rex, 2020-03-24 An inspiring and informative book for kids about the past and future of America's presidents. Who will be the NEXT president? Could it be you? When George Washington became the first president of the United States, there were nine future presidents already alive in America, doing things like practicing law or studying medicine. When JFK became the thirty-fifth president, there were 10 future presidents already alive in America, doing things like hosting TV shows and learning the saxophone. And right now—today!—there are at least 10 future presidents alive in America. They could be playing basketball, like Barack Obama, or helping in the garden, like Dwight D. Eisenhower. They could be solving math problems or reading books. They could be making art—or already making change. • A breezy, kid-friendly survey of American history and American presidents • Great for teachers, librarians, and other

educators • Kate Messner's nonfiction picture books have been lauded by critics and received a variety of awards. For young readers and students who loved *The New Big Book of Presidents*, *Lincoln and Kennedy: A Pair to Compare*, and *Kid Presidents: True Tales of Childhood from America's Presidents*. A helpful addition to curriculums of 5th- to 8th-grade students studying U.S. History and civics and the federal government. • For readers ages 8-12 • U.S. history for kids • Students, librarians, teachers • 5th-8th-grade kids From award-winning author Kate Messner and New York Times bestselling artist Adam Rex comes a timely and compelling compendium about the U.S. presidents—before they were presidents. Kate Messner is an award-winning author whose many books for kids have been selected as Best Books by the New York Times, Junior Library Guild, IndieBound, and Bank Street College of Education. She lives on Lake Champlain with her family. Adam Rex is the author and illustrator of many beloved picture books and novels, including *Nothing Rhymes with Orange* and the New York Times bestseller *Frankenstein Makes a Sandwich*. He has worked with the likes of Jon Scieszka, Mac Barnett, Jeff Kinney, and Neil Gaiman. He lives in Tucson, Arizona.
