Model Rules of Professional Conduct American Bar Association. House of Delegates,Center for Professional Responsibility (American Bar Association),2007 The Model Rules of Professional Conduct provides an up-to-date resource for information on legal ethics. Federal, state and local courts in all jurisdictions look to the Rules for guidance in solving lawyer malpractice cases, disciplinary actions, disqualification issues, sanctions questions and much more. In this volume, black-letter Rules of Professional Conduct are followed by numbered Comments that explain each Rule's purpose and provide suggestions for its practical application. The Rules will help you identify proper conduct in a variety of given situations, review those instances where discretionary action is possible, and define the nature of the relationship between you and your clients, colleagues and the courts.

VAT and Financial Services Robert F. van Brederode,Richard Krever,2017-03-06 This book explains the theoretical and policy issues associated with the taxation of financial services and includes a jurisdictional overview that illustrates alternative policy choices and the legal consequences of those choices . The book addresses the question: how can financial services in an increasingly globalized market best be taxed through VAT while avoiding economic distortions? It supports the discussion of the key practical problems that have arisen from the particular complexity of the application of VAT to financial services, and allows for the evaluation of best practice by comparing the major current reform models now being implemented.
