

Legend Of Pingpong

Zdenko Uzorinac

Ping-Pong Diplomacy Nicholas Griffin, 2014-01-02 It was one of the most significant developments of the post-war era: China finally abandoning its close relationship with the Soviet Union to begin detente with the USA. Astonishingly, the man who helped make it happen was a British aristocrat, Ivor Montagu, a Soviet spy who knew Stalin and dined with Trotsky. Even more remarkably, the means to this rapprochement was table tennis, a sport loved by both Chairman Mao and Montagu. For years, Montagu had lived a dual life, working to spread communism and also table tennis around the world. Surprisingly, the two strands of his career would come together in an event of global significance. Nicholas Griffin weaves a compelling story to reveal the background to the famous occasion in 1971, when the USA's Glenn Cowan, a 19-year-old hippie, befriended China's world champion Zhuang Zedong, who was imprisoned during the Cultural Revolution. Within days, the Americans would be playing the Chinese in front of 18,000 fans in Beijing, with the whole world watching. It was the beginning of a thaw in Sino-US relations that forced the Soviets into a crippling arms race that acted as a catalyst to pressuring them into errors that would draw the Cold War to an end. Sometimes sport truly can have the biggest consequences.

ITTF 1926-2001 Table Tennis Legends Zdenko Uzorinac, 2001

Running the Table L. Jon Wertheim, 2008-10 Offers a portrait of Danny Basavich, a New Jersey-born pool hustler known as Kid Delicious, and his set-up man, Bristol Bob, as they embark on a four-year odyssey through the pool halls and urban billiard rooms of America.

The Man the Myth the Ping Pong Legend Tennis Publishing, 2019-08-13 This journal is a perfect gift for friends and family, male or female. Other features of this notebook are: - 120 pages - 6x9 inches - matte cover This book is convenient for writing. It has the perfect size to carry anywhere for journaling and note taking.

Ping-Pong Diplomacy Nicholas Griffin, 2014-01-07 Combining the insight of Franklin Foer's *How Soccer Explains the World* and the intrigue of Ben Affleck's *Argo*, *Ping Pong Diplomacy* traces the story of how an aristocratic British spy used the game of table tennis to propel a Communist strategy that changed the shape of the world. THE SPRING OF 1971 heralded the greatest geopolitical realignment in a generation. After twenty-two years of antagonism, China and the United States suddenly moved toward a détente—achieved not by politicians but by Ping-Pong players. The Western press delighted in the absurdity of the moment and branded it “Ping-Pong Diplomacy.” But for the Chinese, Ping-Pong was always political, a strategic cog in Mao Zedong's foreign policy. Nicholas Griffin proves that the organized game, from its first breath, was tied to Communism thanks to its founder, Ivor Montagu, son of a wealthy English baron and spy for the Soviet Union. *Ping-Pong Diplomacy* traces a crucial intersection of sports and society. Griffin tells the strange and tragic story of how the game was manipulated at the highest levels; how the Chinese government helped cover up the death of 36 million peasants by holding the World Table Tennis Championships during the Great Famine; how championship players were driven to their deaths during the Cultural Revolution; and, finally, how the survivors were reconvened in 1971 and ordered to reach out to their American counterparts. Through a cast of eccentric characters, from spies to hippies and Ping-Pong-obsessed generals to atom-bomb survivors, Griffin explores how a neglected sport was used to help realign the balance of worldwide power.

Ichiro Ogimura Cheryl Roberts, 1993

Adventures of the Ping-Pong Diplomats Fred Danner, 2012-01-17 This story reads like an adventure novel. The only difference is that the events in a novel are made up; these adventures really happened; the people are real; and the political effects of their actions have produced 40 years of peaceful coexistence between the Peoples Republic of China and the United States. This is the only historically complete narrative which covers the actual ping-pong diplomacy events, provides the background foreign policy information to explain why these events happened, & shows what could have happened if there were no ping-pong diplomats. The world news media was prevented from general coverage of the U.S. World Table Tennis Team to

China, while U.S. publicity about the return visit of the Chinese World Team to the U.S. on the Grand Tour was largely controlled to serve the political aims and objectives of the Nixon administration. For those average Americans who became our Cold-War Warriors willingly taking the risks involved, and those who worked behind the scenes to make their risks worthwhile; such experiences occur only once in a lifetime. America and the world are a lot better off because of their efforts. Its time to read the real story of ping-pong diplomacy!

The Man the Myth the Ping Pong Legend Daily Planner July 1st, 2019 to June 30th 2020 Smitten Notebooks,2019-11-19 You'll love this awesome planner. Ping Pong the New Table Game as Played in America (Classic Reprint) M. G. Ritchie,2018-01-31 Excerpt from Ping Pong the New Table Game as Played in America Then, for a period Of ten years, nothing was heard of the indoor sport. But in August, 1900, a little incident resulted in the formation of a Table Tennis club, and from this we date the real origin of Ping Pong.
