*The Great Lemonade Stand Standoff (The Secret Slide Money Club, Book 1)* Art Rainer,2019-07-15 When Jake, Sophia, and Brody slide down the tube slide at their local park, they are shocked to find themselves in an underground headquarters and transformed into Secret Slide Money Club agents. Soon the friends learn that they're in an ongoing battle against Albatross, a selfish villain who uses bad money choices to turn other kids into Albies. The agents must help the Albies get free of Albatross's reach and start to make good money choices—all while going on some ridiculous new adventures. In this first book in the series, the three friends must help a classmate raise money for their school. But when the Albies try to crash the agents' lemonade stand, it's time to launch some lemons while learning a lesson in giving. The Secret Slide Money Club is a unique early-reader fiction series that uses humor and adventure to teach children the foundational principles of financial health—Give, Save, Live. This first trio of books is quick-paced, offering tons of silliness and action

while showing young readers about God's way to be wise with money. Also available! Book 2—The Mad Cash Dash Book 3—Trouble at the Toy Store

**The Lemonade Stand** et. al., Michelle Faust, 2019-12 The Lemonade Stand is a collection of true stories of courage and perseverance contributed by nineteen inspiring women. Sometimes our biggest fears come to life--the tumor is malignant, you are going to prison, or you get that dreaded phone call in the middle of the night. When the worst kind of news arrives, it rocks your world. Finding that glimmer of hope to go on may seem impossible. Well, you've arrived at the right place. Welcome to The Lemonade Stand, where 19 brave women share their stories to surround you with grace. The Lemonade Stand is a true-story anthology--a legacy we are proud to carry forward with a unique twist. Courage and vulnerability are at the heart of each story. Triumph waits at each story's end. Author and contributor Michelle Faust wanted to share her story of perseverance with others. After writing a powerful essay about her struggles, she wanted to reach as many people as possible. As she began to share her story with those in her personal and professional network, she made an unexpected discovery. Others, too, had a common history of overcoming seemingly insurmountable tragedies, but just like Michelle, they had emerged with newfound strength and the desire to help others. She approached these brave women with the idea of sharing their collective wisdom in a book. The Lemonade Stand was born. While those sour lemons can invade both our entrepreneurial visions and success in life, they provide an opportunity to come together as a community of support. This book is a light for those in the dark. Expect to connect with a network of survivors. No matter how harrowing the ordeal, know that health,

joy, and success do return, and are waiting on the other side of calamity.

Maybe no one ever thought to look for him on an Indigenous reserve on Vancouver Island. It's a busy summer for Truly. Though her mother is less of a mother than she ought to be, and spends her time drinking and smoking and working her way through new boyfriends, Truly is determined to raise as much money for herself as she can through her lemonade stand ... and to prove that her cool new neighbour is the one and only King of Rock 'n' Roll. And when she can't find motherly support in her own home, she finds sanctuary with Andy El, the Salish woman who runs the trailer park.

**Stopping at Every Lemonade Stand** James Vollbracht, 2001-06-01 Children's lives today are complex, stressful, and dangerous. Kids are overscheduled, come home to empty houses and neighborhoods where they don't know a soul, and in school, face violence-all too often from their peers. In *Stopping at Every Lemonade Stand*, James Vollbracht provides a blueprint for transforming our unstable and disconnected culture into a healthier, supportive one. Vollbracht bases his approach on six overlapping circles of community-our personal circle, families, neighborhoods, larger communities, business worlds, and elders-and outlines simple actions within each circle that will help rescue our kids. Through a rich blend of heartwarming anecdotes and creative, practical strategies, *Stopping at Every Lemonade Stand* affirms the age-old wisdom that the power and responsibility to heal our communities rest in our own hands.

*Alex and the Amazing Lemonade Stand* Liz Scott, Jay Scott, Alex Scott, 2008-07-08 True story of a girl with cancer who organized

**The Startup Squad** Brian Weisfeld, Nicole C. Kear, 2019-05-07 Girls mean business in a brand-new series about friendship and entrepreneurship that Katherine Applegate, Newbery Medal-winning author of *The One and Only Ivan*, calls “A great read!” All the great leaders had to start somewhere. And Teresa (“Resa” for short) is starting with the lemonade stand competition her teacher assigned to the class—but making it a success is going to be a lot harder than Resa thinks. The prize: line-skipping tickets to Adventure Central. The competition: Val, Resa's middle school nemesis. And the biggest obstacle to success: Resa's own teammates. Harriet is the class clown, Amelia is the new girl who thinks she knows best, and Didi is Resa's steadfast friend—who doesn't know the first thing about making or selling lemonade. The four of them quickly realize that the recipe for success is tough to perfect—but listening to each other is the first step. And making new friends might be the most important one... The back of each book in this middle-grade series features tips from the Startup Squad and an inspirational profile of a girl entrepreneur! An Imprint Book An inspiring story about entrepreneurial girls. I loved this story of girls finding their way in the world of entrepreneurship. —Ann M. Martin, author of the *Baby-Sitters Club* series and Newbery Honor winner *A Corner of the Universe* “The Startup Squad encourages girls to dream big, work hard, and rely on each other to make good things happen. It teaches them how to

succeed—and reminds all of us that girls mean business!”—Sheryl Sandberg, COO of Facebook and founder of LeanIn.Org and OptionB.Org “A great read that is fast-paced, fun, and empowering. The Startup Squad comes complete with a treasure trove of tips for starting a business.” —Katherine Applegate, Newbery Medal-winning author of *The One and Only Ivan* This title has common core connections.
