Simply Beautiful Pamela Dunn,2014-10-12 So, what is true beauty? It sure isn't a mystical ingredient in ultra long-lasting lip gloss, and you certainly won't discover it hidden in the cosmetics aisle at the pharmacy. It's the knowledge that you love yourself, and that you're true to your own heart. It's having eyes that glitter with compassion and see the best in individuals. It's bearing lips that speak strongly when you've been bossed around and gently when somebody else has been. The most beautiful trait you are able to have is self-assurance! Work out what you like about yourself and let it glow. That's what true beauty is all about.
