Sam and the Firefly P.D. Eastman,2010-12-08 Sam the Owl and Gus the Firefly literally light up the sky in this classic Beginner Book edited by Dr. Seuss. In Sam and the Firefly, P. D. Eastman (author of Are You My Mother? and Go, Dog. Go!) introduces us to the dynamic duo of Sam and Gus, who soar through the air writing words in the night sky. But when Gus's words end up causing confusion and chaos for the people on the ground, it's up to Sam to help Gus "write" his wrongs. Originally created by Dr. Seuss, Beginner Books encourage children to read all by themselves, with simple words and illustrations that give clues to their meaning. ...provides interest, suspense and word repetition. Illustrations excellent. Recommended.--(starred) School Library Journal.

Light Up the Night Jean Reidy,2011-10-11 When it's time to sleep, it's nice to know there's a place that's safe. In a cozy house, in a comfy bed, under a blanket that's white and red under stars so bright they light up the night in your own little piece of the universe.

Light it Up Nicholas Petrie,2018 Lots of characters get compared to my own Jack Reacher, but Petrie's Peter Ash is the real deal.--Lee Child In this action-packed thriller starring war veteran Peter Ash, a well-planned and flawlessly executed hijacking reveals the hidden dangers of Colorado's mellowest business, but Ash may find there's more to this crime than meets the eye. Combat veteran Peter Ash leaves a simple life rebuilding hiking trails in Oregon to help his good friend Henry Nygaard, whose daughter runs a Denver security company that protects cash-rich cannabis entrepreneurs from modern-day highwaymen. Henry's son-in-law and the company's operations manager were carrying a large sum of client money when their vehicle vanished without a trace, leaving Henry's daughter and her company vulnerable. When Peter is riding shotgun on another cash run, the cargo he's guarding comes under attack and he narrowly escapes with his life. As the assaults escalate, Peter has to wonder: for criminals this sophisticated, is it really just about the cash? After finding himself on the defensive for too long, Peter marshals his resources and begins to dig for the truth in a scheme that is bigger--and far more lucrative--than he'd ever anticipated. With so much on the line, his enemy will not give up quietly...and now he has Peter directly in his sights.

Light It Up Kekla Magoon,2019-10-22 Told in a series of vignettes from multiple viewpoints, Kekla Magoon's Light It Up is a powerful, layered story about injustice and strength--as well as an incredible follow-up to the highly acclaimed novel How It Went Down. A girl walks home from school. She's tall for her age. She's wearing her winter coat. Her headphones are in. She's hurrying. She never makes it home. In the aftermath, while law enforcement tries to justify the response, one fact remains: a police officer has shot and killed an unarmed thirteen-year-old girl. The community is thrown into upheaval, leading to unrest, a growing movement to protest the senseless taking of black lives, and the arrival of white supremacist counter demonstrators.

How It Went Down Kekla Magoon,2014-10-21 When sixteen-year-old Tariq Johnson is shot to death, his community is thrown into an uproar because Tariq was black and the shooter, Jack Franklin, is white, and in the aftermath everyone has something to say, but no two accounts of the events agree.

We Light Up the Sky Lilliam Rivera,2021-10-26 Should you save a world that doesn't want to save you? Award-winning author Lilliam Rivera explores the haunting story of an alien invasion from the perspective of three Latinx teens. Pedro, Luna, and Rafa may attend Fairfax High School together in Los Angeles, but they run in separate spheres. Pedro is often told that he's "too much" and seeks refuge from his home life in a local drag bar. Luna is pretending to go along with the popular crowd but is still grieving the unexpected passing of her beloved cousin Tasha. Then there's Rafa, the quiet new kid who is hiding the fact that his family is homeless. But Pedro, Luna, and Rafa find themselves thrown together when an extraterrestrial visitor lands in their city and takes the form of Luna's cousin Tasha. As the Visitor causes destruction wherever it goes, the three teens struggle to survive and warn others of what's coming--because this Visitor is only the first of many. But who is their true enemy--this alien, or their fellow humans? Pura Belpré Honor-winning author Lilliam Rivera examines the days before a War of the Worlds-inspired alien invasion in this captivating and chilling new novel.

Light-Up Swan Tom Snarsky,2021-03-30 All art constantly aspires, Walter Pater claimed, towards the condition of music. The poems in Tom Snarsky's first full-length collection *Light-Up Swan* are animated by twin forces: an abiding love of music, and an equal fondness for the ghostly conversation engendered by quotation. With whimsy tempered by obsessive fascination, the author unfolds an open dialogue with a private pantheon of musicians and poets, both living and dead. These spectral encounters are staged on a far-reaching array of settings, from oceans to virtual gamescapes, starry canvases to comedy clubs. The speaker of the poems is by turns assured and uncertain: in one moment explaining a mathematical result from automata theory, and in the next returning to youthful conflicts and preoccupations. Are we going in circles is a fair question for this cyclical book that wears its obsessions and anxieties on its sleeve, but *Light-Up Swan* moves towards a helical lift. Like a string of soft lights winding up a swan's neck, these poems are composed of gentle details that welcome readers into a charmingly off-kilter world-once inside, their curiosity will be rewarded by a warm and unusual sensibility that only Tom Snarsky can bring.

Light Up Your Child's Mind Joseph S. Renzulli,Sally M. Reis,2009-08-11 Based on the renowned Renzulli Method, which has been adopted in schools all over the country, *Light Up Your Child's Mind* presents a practical program to help children fire up a love of learning to last a lifetime. World-renowned experts Drs. Renzulli and Reis illustrate the crucial role parents can play in their children's development and address how they can work with teachers to enhance their children's education. They uncover the hidden potential of daydreamers, rebels, and one-track minds, arguing that gifted behavior -- basic smarts, high levels of task commitment, and creativity -- can be fostered in bright children, even unmotivated ones. Step by step, *Light Up Your Child's Mind* will show parents how to set their kids on the path to a rewarding future.

You Light Up My Midlife Crisis Robyn Peterman,2021-05-17 Midlife is definitely a journey. The road has massive potholes.And the crisis... it's the gift that keeps on giving. Being forty is supposed to be freaking fabulous not fatal. Taking on a daunting new job minus the description isn't the smartest move I've ever made, even if it was to save a friend. Hopefully, it doesn't turn out to be the stupidest... or deadliest. Why can't things stay the way they were? I love my old job. Supergluing ghosts back together and solving their issues is its own reward. Not to mention, I'm seriously good at it. Although, I must say, I'm ridiculously excited for the new Death Counselor's arrival in nine months... Adding to my problems, there are four new angels in town who are riding my butt and judging every move I make. Literally. Who knew destroying one Immortal could cause me so much trouble? If I'm found guilty, I'll be pushing up daisies. Luckily, my nutty friends have my back and the Grim Reaper has my heart. What could possibly go wrong? Nothing is impossible. I am living proof. Let's just hope I live to prove it.
