Smile: The Story of Lily Allen Bella Wolfson, 2011-08-01 With her urban prom-queen style and West London punk attitude, Lily Allen is recognised worldwide as much for her quirky image and party-girl reputation as her music. Lily's meteoric rise to fame has been peppered with extreme highs and lows – no lower than when she tragically suffered a miscarriage in 2008. This, like every step of Lily's life, is charted in this new biography.

\*\*\*\*\* So, this is me. Lily Allen. I am a mother, and I was a wife. I'm also a singer and a songwriter. I have loved and been let down. I've been stalked and assaulted. I am a success and a failure. I've been broken and full of hope. I am all these things and more. I'm telling my truth because when women share their stories, loudly and clearly and honestly, things begin to change - for the better. So, this is my story. These are my thoughts exactly. \*\*Includes an exclusive new chapter\*\*

**Shoulda Been Higher** Tom W Clarke, 2023-10-01 The Hottest 100 is a national institution. For 30 years, triple j has held an annual countdown of its listeners' 100 favourite songs of the year, as voted by the public. It has evolved into the single most anticipated musical event of every year for millions of Australians. The Hottest 100 is so much more than music. It's beaches, barbeques, and bonfires. It's joy and despair, drama and debate, friendship and community. This book is a celebration of everything that makes the world's greatest musical democracy so damn iconic. **Blood Lily** Jenny Allen, 2021-09-23 NYPD independent forensics consultant Lilith Adams may not be precisely human, but it hadn't made her life any less monotonous. The nights and bodies just bled into a dull and seemingly useless existence. All she wanted was a real mystery to chase, a purpose. Everything is about to change, and her quiet little life will never be the same. When her uncle goes missing from a small town in Tennessee, Lilith's doting father sends her to investigate with his head of security, Chance Deveraux. They quickly find themselves caught in a whirlwind of violence and terror that uncovers a story buried for over six hundred years. The vengeful secret could very well cost her everything. To survive, they'll have to find powerful new allies, but trusting them might be the biggest mistake of all. Blood Lily is a thriller that redefines classic supernatural elements and myths through a scientific lens. The story challenges every relationship in Lilith's life, forcing her to deal with the emotional grit of loss in the face of overwhelming odds.

Escape to Woodshine Debra Star, 2024-03-01 This compassionate novel depicts

the disrupted lives of Greta and her daughter Lily, forced to abruptly relocate due to the unendurable violent behaviour of Pat, Greta's volatile, alcoholic husband. Their move lands mother and daughter in the rural Australian town of Woodshine – a new beginning offering hope after trauma's storm. Yet forward is the only direction, Lily just five years old. A tranquil childhood shattered, she grapples beyond her years while still cradling stuffed toys at bedtime, seeking security. Greta battles exhaustion from hypervigilance, longing to banish bad dreams. Their refuge in Woodshine brings peace step by step – a gentle landlord, good-hearted townsfolk and possibility breathing optimism into each new day. As Lily plays in grassy meadows under boundless skies, glimmers emerge that broken spirits can mend. While the indelible scars remain, maybe here they can continue writing their story without fear at the helm. Just maybe this move marks the start of budding happiness taking root for not just survival – but life thriving in the sunshine.

*Dark Matter* Michelle Paver, 2010-10-21 January 1937. Clouds of war are gathering over a fogbound London. Twenty-eight year old Jack is poor, lonely and desperate to change his life. So when he's offered the chance to be the wireless operator on an Arctic expedition, he jumps at it. Spirits are high as the ship leaves Norway: five men and eight huskies, crossing the Barents Sea by the light of the midnight sun. At last they reach the remote, uninhabited bay where they will camp for the next year. Gruhuken. But the Arctic summer is brief. As night returns to claim the land, Jack feels a

creeping unease. One by one, his companions are forced to leave. He faces a stark choice. Stay or go. Soon he will see the last of the sun, as the polar night engulfs the camp in months of darkness. Soon he will reach the point of no return - when the sea will freeze, making escape impossible. And Gruhuken is not uninhabited. Jack is not alone. Something walks there in the dark.
