Life Beyond Dictionaries Olga M. Karpova, Faina I. Kartashkova, 2015-09-04 This book brings together papers presented at the Tenth International School on Lexicography, titled "Life Beyond Dictionaries" and held in Ivanovo, Russia, and Florence, Italy, in September 2013. It continues the series of edited volumes dealing with the theoretical and practical aspects of lexicography, published by Cambridge Scholars Publishing in 2007, 2009, 2010, and 2013. The book is

divided into three sections, “Lexicography Worldwide: Historical and Modern Perspectives”, “Tourism and Heritage Dictionaries with Special Reference to Culture”, and “Projects of New Dictionaries”. The contributions to this volume investigate problems of world lexicography and its cultural contexts with special reference to projects of new dictionaries. As such, the book will be of interest to theoreticians, lexicographers, and students of linguistic faculties.

You, Me and Him Alice Peterson,2018-05-22 Josie and Finn are happily married, with promising careers, and a gorgeous young son, George. But despite their apparently enviable lives, George's hyperactivity disorder means the days aren't always easy. Josie's best friend Justin has always been there for her, and when she finds out she's pregnant again she turns to him for support. She loves George, but it's just such hard work, especially as Josie takes much of the strain. Finn is suspicious. What does Justin want in return for his help? And just how close are they really?

Lexicography and Terminology Olga Karpova,Olga M. Karpova,Faina Kartashkova,2009-03-26 The present book contains a collection of works devoted to current trends in theoretical and practical lexicography, terminology and terminography. All papers are divided into two main sections. Part I: Lexicography deals with analysis of historical and typological problems in lexicography with special reference to English, Italian, Russian and Southern African dictionaries for general- and special- purposes. The main focus is given to the description of principles in lexicographic presentation of non-equivalent lexics, rhyming slang, idioms, clichés and gender nominations of people in bilingual and monolingual dictionaries. Part II: Terminology and Terminography is devoted to description of the current tendencies observed in terminology and terminography studies with special reference to modern European languages such as English, Russian, Norwegian, etc. Terms of different special domains are viewed from the angle of the latest achievements of modern science, cognitive linguistics in particular. It reveals specific features of terminological word-combinations, terms in colloquial use, peculiarities of terms belonging to newly formed Languages for Special purposes, typical features of recently appeared LSPs and presentations of new dictionaries’ projects of different subject areas. This part reveals international nature of current tendencies in terminology studies and shows the national ways of their functioning and presentation in special dictionaries.
