Deborah, Awake Rod Mills,2011-09-29 Based on the biblical story of Judge Deborah, Deborah Awake is the account of a young Burger King manager, who was also a divorced mother of two, and how this unlikely woman brought down the billion dollar corporation, Chariots, inc. In her role as a teen Sunday school teacher at the behemoth 10,000 member Kedish Community Church, Deborah was alarmed at the unhealthy identification her students nurtured with the Chariots line of immodest apparel, their chain of 900 Chariot mall outlets coast to coast,and her Christian student's fascination with the immoral Chariots The Magazine. To Deborah's astonishment, she learned that John Sisera, the manager of the local Chariots store, not only contributed heavily to the Kedish Community Church youth department, was good friends with Pastor Randy the youth minister, and that John Sisera was also a prominent member of the Kedish Community Church council. Senior Pastor Barrak was unaware of the vile philosophy of the Chariots corporation, and of John Sisera's heavy influence on Pastor Randy and the youth department. The Sisera's, in Barak's opinion, were a fine Kedish Community Church family, and was unconcerned with the moral storm brewing in the youth department. God called on Deborah to do something about it, and to recruit Pastor Barak in the Battle.

The Complete Idiot's Guide to Astronomy Christopher Gordon De Pree,Alan Axelrod,2004 Astronomy is an ancient science on the cutting edge. Although it's been around for more than 5,500 years, astronomers say that we've learned more than 90 percent of what we know about the universe in just the last 50 years. Of this body of knowledge, a disproportionate amount has been acquired in the past decade, with each new year yielding more information than the last. The Complete Idiot's Guide to Astronomy, Third Edition, covers these new advances and discoveries and is repositioned to focus more on exciting, cutting-edge cosmology topics and less on backyard astronomy.
