**Relax, It's Just English** Brett Vanderburg, 2024-01-09 You don't get better at English by filling in blanks in grammar exercises. 'Business English' is just a marketing term. Books and dictionaries teach you words most people never use. 'If' is just a regular word with no special

grammar. If you can read this description, you can speak and write like a native English speaker, and you don't need to memorize 'Business English' phrases and do hundreds of grammar exercises to do it. Relax, It's Just English will show you that you already know most of the vocabulary and grammar you need to speak and write better English. There are no exercises, and you won't find hundreds of rules and exceptions. Over 28 chapters, you will learn shortcuts through some of the trickiest and most important parts of using English, all in a fun and easy-to-read style designed to take some of the pain out of learning the language. Writing work emails, managing tenses, and using the word 'if' are all covered in a simpler, more realistic way than most students of English have heard before, and many other overlooked topics are given needed attention. Perhaps most importantly, you'll unlearn some unnecessary rules you've been taught over the years. Less stress, more authentic language. Relax, it's just English.
