**Pretty Good Joke Book** Garrison Keillor,2021-08-10 Over 2,200 Jokes from America's favorite live radio show A treasury of hilarity from Garrison Keillor and the cast of public radio's A Prairie Home Companion. A guy walks into a bar. Eight Canada Geese walk into a bar. A termite jumps up on the bar and asks, "Where is the bar tender?" Drum roll. The Sixth Edition of the perennially popular Pretty Good Joke Book is everything the first five were and more. More puns, one-liners, light bulb jokes, knock-knock jokes, and third-grader jokes (have you heard the one about Elvis Parsley?). More religion jokes, political jokes, lawyer jokes, blonde jokes, and jokes in questionable taste (Why did the urologist lose his license? He got in trouble with his peers). More jokes about chickens, relationships, and senior moments (the nice thing about Alzheimer's is you can enjoy the same jokes again and again). It all started back in 1996, when A Prairie Home Companion fans laughed themselves silly during the first Joke Show. The broadcast was such a hit that it became an almost-annual gagfest. Then fans wanted to read the jokes, share them, and pass them around, and the first Pretty Good Joke Book was born. With over 200 new and updated jokes, the latest edition promises countless giggles, chortles, and guffaws anyone—fans of the radio show or not—will enjoy.

*Trap 3 Little Pigs* Kyle Exum,2019-06-25 Can't a wolf just get some bacon? Authored by YouTuber Kyle Exum, Trap 3 Little Pigs is a modern twist

of the original Three Little Pigs tale. Complimented by the Trap 3 Little Pigs song, the story involves a hungry wolf who just needs an entree for his dinner date, as well as three intelligent and athletic pigs. Although the story is structured as a children's book, the mixture of modern pop culture references and relatable humor is meant to be enjoyed by all ages. The words in this version of the story are modified from the lyrics in the Trap 3 Little Pigs song to be friendlier to young readers.

**Taking Funny Music Seriously** Lily E. Hirsch, 2024-07-02 Take funny music seriously! Though often dismissed as silly or derivative, funny music, Lily E. Hirsch argues, is incredibly creative and dynamic, serving multiple aims from the celebratory to the rebellious, the entertaining to the mentally uplifting. Music can be a rich site for humor, with so many opportunities that are ripe for a comedic left turn. *Taking Funny Music Seriously* includes original interviews with some of the best musical humorists, such as Tom Lehrer, the J. D. Salinger of musical satire; Peter Schickele, who performed as the invented composer P. D. Q. Bach, the supposed lost son of the great J. S. Bach; Kate Micucci and Riki Lindhome of the funny music duo Garfunkel and Oates; comedic film composer Theodore Shapiro; Too Slim of the country group Riders in the Sky; and musical comedian Jessica McKenna, from the podcast *Off Book*, part of a long line of funny girls. With their help, *Taking Funny Music Seriously* examines comedy from a variety of genres and musical contexts—from bad singing to rap, classical music to country, Broadway music to film music, and even love songs and songs about death. In its coverage of comedic musical media, *Taking Funny Music Seriously* is an accessible and lively look at funny music. It offers us a chance to appreciate more fully the joke in music and the benefits of getting that joke—especially in times of crisis—including comfort, catharsis, and connection.

**Playing with Myself** Randy Rainbow, 2022-04-19 Instant New York Times, USA Today, and Wall Street Journal Bestseller! An intimate and light-hearted memoir by viral sensation and three-time Emmy-nominated musical comedian Randy Rainbow that takes readers through his life—the highs, the lows, the lipstick, the pink glasses, and the show tunes. Randy Rainbow, the man who conquered the Internet with a stylish pair of pink glasses, an inexhaustible knowledge of Broadway musicals, and the most gimlet-eyed view of American politics this side of Mark Twain finally tells all in *Playing with Myself*, a memoir sure to cause more than a few readers to begin singing one of his greatest hits like “A Spoonful of Clorox” or “Cover Your Freakin’ Face.” As Randy has said, “There’s so much fake news out there about me. I can’t wait to set the record straight and finally give people a peek behind the green screen.” And set the record straight he does. *Playing with Myself* is a first-hand account of the journey that led Randy Rainbow from his

childhood as the over-imaginative, often misunderstood little boy who carried a purse in the second grade to his first job on Broadway as the host at Hooters and on to the creation of his trademark comedy character. In chapters titled “Pajama Bottoms” (a look back at the days when he wore pajama bottoms on his head to pretend he was Dorothy in The Wizard of Oz), “Yes, It’s My Real Name, Shut Up!” (no explanation necessary...) and “Pink Glasses” (a rose-colored homage to his favorite accessory), *Playing with Myself* is a memoir that answers the question “Can an introverted musical theatre nerd with a MacBook and a dream save the world, one show tune at a time?”

*Everybody Fights* Kim Holderness, Penn Holderness, 2021-03-30 A USA Today and Wall Street Journal bestseller! Learn how to fight better and end your arguments with your partner feeling closer, more loved, and better understood. We take our cars in for oil changes. We mow our lawns and pull weeds. Why don't we do maintenance on our marriages? This relationship is the most important one we will ever have, so why not get better at it? For the last several years, Penn and Kim Holderness of The Holderness Family have done the hard maintenance and the research to learn how to fight better. With the help of their marriage coach Dr. Christopher Edmonston, they break down their biggest (and in some cases, funniest) fights. How did a question about chicken wings turn into a bra fight (no, not a bar fight or a bra fight)? How did a roll of toilet paper lead to tears, resentment, and a stint in the guest bedroom? With their trademark sense of humor and complete vulnerability, Penn and Kim share their 10 most common Fight Fails and how to combat them. Throughout the book, they offer scripts for how to start, continue, and successfully close hard conversations. Couples will emerge equipped to engage and understand, not do battle—and maybe laugh a little more along the way. In *Everybody Fights*, couples will learn how to: Use magic words for healthy conflict resolution Address unspoken and unrealistic expectations Banish the three Ds of unhealthy communication—distraction, denial, and delay Carry individual baggage while helping your partner deal with theirs Penn and Kim want you to know you're not alone. *Everybody fights*. Marriage is messy. Marriage is work. But marriage is worth it. Fight for it!

*Deranged by Murray Sexton* Murray Sexton, 2012-05 Poking fun at twenty of the best songs ever, Murray Sexton's cabaret-style song parodies (or

derangements ) are by turns hilarious, clever, precise, gay, leathery, sentimental, deep and whimsical. Sexton leaves no sacred cow un milked as he takes unflinching aim at love, jealousy, open relationships, loan sharks, the Red Velvet Armadillo Groom s Cake from Steel Magnolias, and what folks call beer goggles (or as he phrases it, the Cosmopolitan Eye ). Also: celebrities who died of drug overdoses (provided their names rhyme).

**Billboard** ,1950-10-28 In its 114th year, Billboard remains the world's premier weekly music publication and a diverse digital, events, brand, content and data licensing platform. **Go the F\*\*k to Sleep** Adam Mansbach,2011-06-14 The #1 New York Times Bestseller: “A hilarious take on that age-old problem: getting the beloved child to go to sleep” (NPR). “Hell no, you can’t go to the bathroom. You know where you can go? The f\*\*k to sleep.” Go the Fuck to Sleep is a book for parents who live in the real world, where a few snoozing kitties and cutesy rhymes don’t always send a toddler sailing blissfully off to dreamland. Profane, affectionate, and radically honest, it captures the familiar—and unspoken—tribulations of putting your little angel down for the night. Read by a host of celebrities, from Samuel L. Jackson to Jennifer Garner, this subversively funny bestselling storybook will not actually put your kids to sleep, but it will leave you laughing so hard you won’t care.

*Planet Funny* Ken Jennings,2019-07-09 A Kirkus Reviews Best Book of the Year The witty and exuberant New York Times bestselling author and record-setting Jeopardy! champion Ken Jennings relays the history of humor in “lively, insightful, and crawling with goofy factlings,” (Maria Semple, author of *Where’d You Go Bernadette*)—from fart jokes on clay Sumerian tablets to the latest Twitter gags and Facebook memes. Where once society’s most coveted trait might have been strength or intelligence or honor, today, in a clear sign of evolution sliding off the trails, it is being funny. Yes, funniness. Consider: Super Bowl commercials don’t try to sell you anymore; they try to make you laugh. Airline safety tutorials—those terrifying laminated cards about the possibilities of fire, explosion, depressurization, and drowning—have been replaced by joke-filled videos with multimillion-dollar budgets and dance routines. Thanks to social media, we now have a whole Twitterverse of amateur comedians riffing around the world at all hours of the day—and many of them even get popular enough online to go pro and take over TV. In his “smartly structured, soundly argued, and yes—pretty darn funny” (Booklist, starred review) *Planet Funny*, Ken Jennings explores this brave new comedic world and what it means—or doesn’t—to be funny in it

now. Tracing the evolution of humor from the caveman days to the bawdy middle-class antics of Chaucer to Monty Python's game-changing silliness to the fast-paced meta-humor of The Simpsons, Jennings explains how we built our humor-saturated modern age, where lots of us get our news from comedy shows and a comic figure can even be elected President of the United States purely on showmanship. "Fascinating, entertaining and—I'm being dead serious here—important" (A.J. Jacobs, author of The Year of Living Biblically), Planet Funny is a full taxonomy of what spawned and defines the modern sense of humor.

And he only had three legs! He was a wonky donkey. Children will be in fits of laughter with this perfect read-aloud tale of an endearing donkey.
