Exploring the World: Adventures of a Global Traveler Howard J. Wiarda,2013-08-26 Professor Howard J. Wiarda, a leading academic expert on foreign policy, comparative politics, and international affairs, is the author of more than eighty books. Wiarda has traveled to many of the world's most troubled and exciting places. Now, in the more personal accounts of his global travels, he recalls his foreign research adventures, the countries visited, and the people he met and interviewed along the way. Wiarda's new four-volume set, *Exploring the World: Adventures of a Global Traveler*, details his travels and foreign adventures since 2006. In these travel books, he tells the stories that lie behind the research, offers his impressions of the countries and regions he has explored, and considers how and why some have been successful and others not. Volume I in this new series tells the story of Wiarda's 2010 circumnavigation of the globe. Volume II focuses on Europe and the continued importance of European regionalism—despite the bumper stickers advertising “Europe Whole and Free.” Volume III deals with Latin America and questions whether the region is really as democratic as we would like it to be. Volume IV provides Wiarda's analysis of Asia's economic miracles while also recounting his recent visits to the Persian Gulf and his assessment of modernization and development in the Islamic world. Insightful and entertaining, Wiarda's travel narratives offer commentary on important and interesting sites all over the world.

Conversations with a World Traveler Clifford A. L. Becker,2013-02 This book primarily recounts the author's experiences of living and working as a university professor in Copenhagen (11/67-11/68), Tehran (9/77-2/79), Athens (2/79-8/79), Beirut (9/79-7/81), Bahrain (9/85-7/96), and Botswana (8/96-8/10). Topics relevant to living abroad are discussed in the form of Conversations, allowing opportunity to ramble to interesting, but semi-related historical facts or human-interest anecdotes. The in-depth observations and poignant conclusions often reflect the reported current events as lived-through rather than gleaned from unreliable news media. Cultural mores in foreign countries, including exposure to different religious beliefs, are practical concerns when living as an expatriate in developing countries. The author's experiences in international travel, from castles and cathedrals in Europe to wild animal safaris in southern Africa, are meant to entertain the seasoned traveler, who has already shared these experiences, as well as the armchair tourist, who can enjoy this activity vicariously. While most of the book recalls events and personal experiences, some sociopolitical stances have necessarily been taken. Attempt is always made to present facts leading to the author's opinion. Motivation to write this book, however, was to share the author's international experiences, whether exciting or mundane.
