Boy Meets Hero Chayne Avery,Russell Garcia,2008 Granted extraordinary cosmic powers, Blue Comet, along with the

superhero Sunstar, defend the Golden Bay City against nefarious supervillains. But then Blue Comet meets Sunstar's brother - Justin - and he becomes a hero with two secret identities. One: his super powers, and two: his sexuality...

Understanding the City Through Its Margins Taylor & Francis Group, 2019-07-10 Cities the world over and in particular developing countries suffer from uneven development and inequality. This is often coupled with the view that these inequalities constitute unfortunate anomalies. In contrast, this edited volume draws out the ways in which the city has not been able to exist without its margins, both materially, ideationally, and socially. In this book the margins are, first, the mirrors of the city and, second, a fundamental route through which various centers can legitimate and sustain their power. Contemporary case studies are compared to a number of those from history with the accent on Asia, Africa and the Middle East, and engage with the underlying theoretical questions of what is the urban margin and what is marginality in urban society and spaces?

Stepbrother Broken Colleen Masters, 2015-08-29 Only Lukas Hawthorne could simultaneously break my spirit, crush my dreams...and make me dripping wet. He's a legend on campus - a star athlete with records that'll never be broken. I always see him on campus walking around with some new hot piece of ass, and I dream about what it would be like to be the one on his arm...It's totally unfair to have such an effortlessly handsome grad student as my TA. Who knew economic theory could be so sexy? Problem is, I've been so distracted by him all semester that now I'm failing his course, and I need pass if I hope to graduate on time. He

wants to meet with me after class, to discuss how I can make up my grade this summer...extra assignments, private lessons...whatever it takes. But when a disgusting realization is made-our student-teacher sex sessions are permanently interrupted.Our parents are engaged. They're madly in love and can't wait to make me, Lukas, and all of our siblings one big happy family. To make matters worse, we have to endure a family vacation at his father's lake house. Together. A million miles away from everything.Thing is, the more inappropriate my desire is for him, the more intensely it burns...and he isn't shy about meeting me halfway.According to him, we're going to defile every room and every surface of his father's house before we go back to school.Challenge accepted.

Leonardo Rena F. LaCaria,Leonardo (da Vinci),2004-10-01 Was the Shroud of Turin used to bury Jesus? Doubtful. In this compelling, thought-provoking, well-researched non-fiction

expose', the author unravels her very own exploration of the Shroud with incontrovertible proof that the Shroud was created by none other than Leonardo Da Vinci. Full of pictures, many color, and a very detailed explanation of how Da Vinci did it! But was he deliberately perpetrating a fraud? No. He was an artist, engineer, and scientist. It is the author's belief that Da Vinci was perhaps creating something entirely different. When the Shroud was found, it was the finder who believed it to be the burial cloth of Jesus. This book is worth the price.

Best of Enemies Rainier George Weiner, 2015-05-07 Suppose fate placed you on an inflatable life-raft in the middle of the freezing Atlantic Ocean along with your most bitter enemy contrivable? Would the emotions of hatred, revenge and love of country trump the desire to survive, if killing that enemy ensured your own demise? Captain Mat Richardson, USN, and Emil Gluckler, a German submarine commander, experience that option during the 2nd World War. Mat, captain of a small destroyer, and Emil, commander of an attacking submarine, become stranded on a life-raft after each of the combatant crafts sink each other during a fierce naval engagement. They subsequently experience 38 harrowing days striving for survival. If nothing else, this required the ultimate in mutual cooperation. If the two survived, would the events have a lasting effect on their relationship? Or, if one had the opportunity to kill the other at a later date in a new war-time circumstance, would he do so, or not?
