**The White Coat Investor** James M. Dahle, 2014-01 Written by a practicing emergency physician,

The White Coat Investor is a high-yield manual that specifically deals with the financial issues facing medical students, residents, physicians, dentists, and similar high-income professionals. Doctors are highly-educated and extensively trained at making difficult diagnoses and performing life saving procedures. However, they receive little to no training in business, personal finance, investing, insurance, taxes, estate planning, and asset protection. This book fills in the gaps and will teach you to use your high income to escape from your student loans, provide for your family, build wealth, and stop getting ripped off by unscrupulous financial professionals. Straight talk and clear explanations allow the book to be easily digested by a novice to the subject matter yet the book also contains advanced concepts specific to physicians you won't find in other financial books. This book will teach you how to: Graduate from medical school with as little debt as possible Escape from student loans within two to five years of residency graduation Purchase the right types and amounts of insurance

Decide when to buy a house and how much to spend on it Learn to invest in a sensible, low-cost and effective manner with or without the assistance of an advisor Avoid investments which are designed to be sold, not bought Select advisors who give great service and advice at a fair price Become a millionaire within five to ten years of residency graduation Use a Backdoor Roth IRA and Stealth IRA to boost your retirement funds and decrease your taxes Protect your hard-won assets from professional and personal lawsuits Avoid estate taxes, avoid probate, and ensure your children and your money go where you want when you die Minimize your tax burden, keeping more of your hard-earned money Decide between an employee job and an independent contractor job Choose between sole proprietorship, Limited Liability Company, S Corporation, and C Corporation Take a look at the first pages of the book by clicking on the Look Inside feature Praise For The White Coat Investor Much of my financial planning practice is helping doctors to correct mistakes that reading this book would have avoided in the first place. - Allan S. Roth, MBA, CPA, CFP(R), Author of How a Second Grader Beats Wall Street Jim Dahle has done a lot of thinking about the peculiar financial problems facing

physicians, and you, lucky reader, are about to reap the bounty of both his experience and his research. - William J. Bernstein, MD, Author of The Investor's Manifesto and seven other investing books This book should be in every career counselor's office and delivered with every medical degree.

- Rick Van Ness, Author of Common Sense Investing The White Coat Investor provides an expert consult for your finances. I now feel confident I can be a millionaire at 40 without feeling like a jerk. - Joe Jones, DO Jim Dahle has done for physician financial illiteracy what penicillin did for neurosyphilis.
- Dennis Bethel, MD An excellent practical personal finance guide for physicians in training and in practice from a non biased source we can actually trust. - Greg E Wilde, M.D Scroll up, click the buy button, and get started today!

**The White Coat Investor's Financial Boot Camp** James M. Dahle, 2019-03 Doctors and other high income professionals receive little training in personal finance, investing, or business. This book teaches them what they did not learn in school or residency. It includes information on insurance, personal finance, budgeting, buying housing, mortgages, student loan management, retirement

accounts, taxes, investing, correcting errors, paying for college, estate planning and asset protection.

**Student Loan Debt 101** Adam S. Minsky, Adam S Minsky Esq, 2014-09-11 NEW 2015 EDITION - CRITICAL UPDATES ABOUT FEDERAL STUDENT LOAN REPAYMENT, FORGIVENESS, AND DEFAULT RESOLUTION PROGRAMS! In 2013, student loan debt in the US passed \$1 trillion. That's more than our total amount of credit card debt and automobile debt. Graduates are starting out with poor employment prospects, obscene levels of debt, and few tools to help. Adam S. Minsky is a leading expert in student loan debt. He is renowned as a pioneer in student loan law as the founder of one of the first law firms in the country devoted entirely to helping student borrowers. With few resources available for student borrowers navigating byzantine repayment systems, he wrote this book as a practical, easy-to-read guide for managing your student debt. Whether your loans are federal or private, in good standing or in default, this guide identifies your options and helps you determine the best way forward.

**Make Change Work for You** Scott Steinberg, 2015-01-06 Finding the courage to embrace change and take chances is the only way to succeed. Business, culture, and competitive landscapes have fundamentally changed, but basic principles and best practices for succeeding and future-proofing both yourself and your organization haven't. With a mix of compelling stories, research from the social sciences and psychology, and real-world insights, **Make Change Work for You** shows readers how to reignite their career, rekindle their creativity, and fearlessly innovate their way to success by providing the tools needed to master uncertainty and conquer every challenge they'll face in life or business. **Make Change Work for You** opens with an overview of the most common factors that lead to self-defeating behaviors, including fear of failure, embarrassment, underperformance, rejection, confrontation, isolation, and change itself. Using a simple four-part model, Steinberg guides readers to understand and better respond to the challenges that change can bring: **Focus**: Define the problem and come to understand it objectively. **Engage**: Interact with the challenge and try a range of solutions.

Assess: Review the response(s) generated by your tactics. React: Adjust your strategy accordingly. And, finally, the book shows readers how to develop the vital personal and professional skills required to triumph in the “new normal” by understanding and engaging in the 10 new habits that highly successful people share: 1. Play the Odds 2. Embrace Tomorrow Today 3. Seek Constant Motion 4. Lead, Don't Follow 5. Never Stop Learning 6. Create Competitive Advantage 7. Connect the Dots 8. Pick Your Battles 9. Set and Align Your Priorities 10. Always Create Value

*The Barbarian Way* Erwin Raphael McManus, 2005-02-08 Two thousand years later the call to follow Christ has been repackaged to be smooth and trouble-free, filled with opportunity and promise but lacking risk, passion, and sacrifice. Is this really what Jesus died for? If He chose the way of the cross, where would He hesitate leading us? Is it possible that to follow Jesus is to choose the barbarian way? Jesus never made a pristine call to a proper or safe religion. Jesus beckons His followers to a path that is far from the easy road. It is a path filled with adventure, uncertainty, and unlimited possibilities?the only path that can fulfill the deepest longings and desires of your heart. This is the barbarian way: to give your heart to the only One who can make you fully alive. To love Him with simplicity and intensity. To unleash the untamed faith within. To be consumed by the presence of a passionate and compassionate God. To go where He sends you, no matter the cost.
