The Nightstalker B J Johnson,2016-07-22 A large populated, academic high school with extremely aggressive kids, was targeted by a vengeful, hooded mask serial killer call the Nightstalker. The principal of the school attempts to deal with the aggressive and unethical behavior of students, including a white supremacist group, by delegating six gifted and athletic students who were just as aggressive to contend with the serious problems. The six super athletic females, who were seniors, vowed to clear the school aggressive and corrupt students. They uncovered a conspiracy by a white supremacist group to terminate the small number of African Americans students from the school at any cost. The sinister Nightstalker stalks and blows away victims of the school with a 44 magnum at a certain hour of the night. The killer only left gruesome bodies, but no other evidence or clues, making it very difficult for law enforcements to apprehend the perpetrator, which propelled the school and city into a terrifying panic. The police department was suffering from budget woes, and had only two detectives assign to the most gruesome murders ever to occur in the city; they were Linda Russo and Jackie Williams. Their work was cut out for them, investigating the serious situations at Lakewood High at times, and tracking the illusive Nightstalker at night. Linda Russo believes that the gruesome killings were somehow connected to the 1990 Nightstalker killings in her hometown in Michigan in which a relative was a victim.

**The Janitor: Or, Dostoevsky in America** Mark Beyer,2020-08-15 Have you ever heard the story of the Hero turned Goat? At sixteen, Ernest Wayne is trapped in a world of hate. He cycles between knowing his friends and seeing enemies watching from the shadows. What has made me this way? he asks. An answer eludes him by day; at night he reads fantastic books in which he can only hope to learn some right path along the potholed roads leading to the end of the twentieth century.The day Ernest opens Crime and Punishment, Dostoevsky's voice shouts at him over the noise made constant by his daytime life. What he hears from the Russian master-storyteller makes the case for his next move. Murder, on a notorious scale. Twenty-five years later, Ernest is asked to recall the day in his life when he had planned to kill his classmates. This time he does not hear Dostoevsky speaking, but his own voice coming from behind the horror of what he had done, and what he hadn't. The Janitor: Or, Dostoevsky in America carries with it the passions of the frightened, the angry: those children compelled to react in the name of self-defined safety, and lone survival. Sometimes, the sum of all actions does not define a life. "Let me tell you the one about the Goat turned Hero..." Read and excerpt, and then BUY THE BOOK :-)

**Linked** Gordon Korman,2021-07-20 An unforgettable novel from the New York Times bestseller Gordon Korman Link, Michael, and Dana live in a quiet town. But it's woken up very quickly when someone sneaks into school and vandalizes it with a swastika. Nobody can believe it. How could such a symbol of hate end up in the middle of their school? Who would do such a thing? Because Michael was the first person to see it, he's the first suspect. Because Link is one of the most popular guys in school, everyone's looking to him to figure it out. And because Dana's the only Jewish girl in the whole town, everyone's treating her more like an outsider than ever. The mystery deepens as more swastikas begin to appear. Some students decide to fight back and start a project to bring people together instead of dividing them further. The closer Link, Michael, and Dana get to the truth, the more there is to face-not just the crimes of the present, but the crimes of the past. With Linked, Gordon Korman, the author of the acclaimed novel Restart, poses a mystery for all readers where the who did it? isn't nearly as important as the why?

Hymas,2017-04-18 Eleven-year-old Jeremy Wilderson teams up with his rival crime fighter to stop the stealing spree that’s wreaking havoc on Scottsville Middle School in this action-packed MAX novel. Jeremy Wilderson is not a thief. In fact, he is his middle school’s one and only retrieval specialist. Confiscated cell phones, stolen lunch money—he’ll discretely retrieve it before the last bell rings. Business is good, and if it weren’t for the meddling of preteen private investigator Becca Mills, he’d be happier than a gym teacher on dodgeball day. But a new job shatters his comfortable lifestyle. Now, thanks to Jeremy, the master key to the schools’ lockers is in the hands of an aspiring crime kingpin who doesn’t exactly have Jeremy’s strong moral character. Soon not even combination locks can protect the students’ textbooks and jackets. Retrieving the key is too big a job for one crime fighter, and only one person wants the key returned as much as Jeremy does: Becca Mills. Lockers are being robbed, the teachers are looking for the culprit, and the only person Jeremy can turn to is the girl who most wants to see him in the principal’s office. Will Jeremy be able to trust Becca enough to get the key back in the right hands? Or could he end up in detention until the end of high school instead?
