The Complete Mars, God of War Fiction House,2019-01-19 HIS EXCITING TALE FROM PLANET COMICS #15-36Centuries of carnage have failed to sate the blood-lust of a monster a hate-filled spirit who thunders through the universe obliterating civilizations with the torch and sword - MARS, GOD OF WAR. In a book of heroes, MARS was the ultimate villain; he existed to destroy, and he traveled the spaceways looking for planets on which to exercise his evil. MARS sought out a person on each planet to possess, and through that person tried to conquer the people, or obliterate life on that world. While his victories were always short-lived, driven by his psychopathy, MARS headed toward the next planet in search of victims. In Planet Comics #35 MARS encountered MYSTA OF THE MOON, who defeated him, and took over his spot in this thrilling science-fiction anthology! These stories were illustrated by famous pulp and comic book artist JOE DOOLIN.
