Lee’s Bold Plan for Point Lookout Jack E. Schairer,2011-06-30 In July 1864, while hemmed in by Grant at Richmond, General Robert E. Lee conceived a bold plan designed not only to relieve Lynchburg and protect the Confederate supply line but also to ultimately make a bold move on Washington itself. A major facet of this plan, with the addition of General Jubal Early’s forces, became the rescue of the almost 15,000 Confederate prisoners at Point Lookout, a large Union prison camp at the confluence of the Potomac River and Chesapeake Bay. With international recognition hanging in the balance for the Confederacy, the failure of Lee’s plan saved the Union and ultimately changed the course of the war. This work focuses on the many factors that contributed to this eventual failure, including Early’s somewhat inexplicable hesitancy, a significant loss of time for Confederate troops en route, and aggressive defensive action by Union General Lew Wallace. It also discusses various circumstances such as Washington’s stripped defenses, the potential release of imprisoned Southern troops and a breakdown of Union military intelligence that made Lee’s gamble a brilliant, well-founded strategy.

I Never Liked Those C-130's Anyway Terry Wilbur Smith,Malcolm R. Smith,J. Wilfred Cahill,2003 Your chance to relive a little piece of The Good Old Days and find the answers to these burning questions: Which future Coast Guard Captain said Shit, Mal, let's do a 360 and get out of here. Which Coast Guard astronaut said, when asked to describe his scariest moment, Flying as Malcolm Smith's co-pilot. Which Coast Guard aviator got the blame for putting training wheels and streamers on the commanding officer's and XO's new bicycles. Which Coast Guard aviator threw up in his glove while flying rather than make a mess in the cockpit. This book brings back some of the funniest moments of the Coast Guard during the time period between the Old Guard and the new modern Coast Guard. For more than two decades, Mal has threatened to write a book to chronicle his many colorful experiences during his Coast Guard aviation career. Mal can spin a tale better than any sailor and his exploits in and out of the cockpit are indeed legendary. But the fact is, the closer he gets to the completion of this life-long dream of his, the more nervous I become. I can't wait to read it! RADM David W. Kunkel, COAST GUARD AVIATOR #1726 Malcolm Smith is a master storyteller with a flair for finding humor in everyday activities and recounting his observations with entertaining splendor that leaves you thirsting for another. Since meeting him when I was a teenager in Alaska, I have been absorbed by his colorful renditions and have long awaited this composition. I just hope I'm not the subject in one of his stories. CAPT. The 11th Michigan Volunteer Infantry in the Civil War Eric R. Faust,2015-11-26 The hard-fighting 11th Michigan Volunteer Infantry was recruited from sparsely settled southwest Michigan shortly after the Civil War broke out. Mainly composed of young farmers and tradesmen, the regiment rapidly evolved into one of the Army of the Cumberland’s elite combat units, tenaciously fighting its way through some of the war’s bloodiest engagements. This book—featuring a complete unit roster—chronicles the regiment through the words of the veterans, tracing their development from a rabble of idealists into a fine-tuned fighting machine that executed successful bayonet charges against superior numbers. The narrative continues into the postwar period, discussing the ex-soldiers’ careers through Reconstruction and the Gilded Age. Photographs, maps, illustrations and a statistical analysis round out the work.
