Ahoy! Sophie Blackall,2024-04-02 Join a child captain and parent first mate as they embark on a wild high seas adventure...all without leaving the living room! This imaginative romp of a picture book is filled with glorious illustrations from a beloved Caldecott Medalist and New York Times bestselling creator. Raise the mainsail! Batten the hatches! It's time to set sail...on the couch! There's a storm coming, and a child is ready to captain the ship. Make haste and climb aboard, they call out to their parent, before you're swept out to sea! Sea? What sea? The parent is only trying to vacuum the rug. But the child is adamant. It's not a rug--it's the ocean. And that broom? It's the ship's mast. Soon enough, child and parent are both off on an imaginary nautical adventure! Here is a thoroughly engaging, hilarious picture book that celebrates the joys of playing make-believe--and hanging out with a parent!

Meddling Kids Edgar Cantero,2018-05-29 NEW YORK TIMES BESTSELLER • A mad scientist's concoction of teen detectives, H. P. Lovecraft, and a love of Americana, this is a story filled with rich horror, thrilling twists, outright hilarity, and surprising poignancy. While this is obviously an ode to Scooby Doo... fans will love the idea of a group of mystery hunters coming back together after leaving the business.” –Bustle “Filled with high jinks both terrorizing and hilarious.” –USA Today In 1977, four teenagers and a dog–Andy (the tomboy), Nate (the nerd), Kerri (the bookworm), Peter (the jock), and Tim (the Weimaraner)–solved the mystery of Sleepy Lake. The trail of an amphibian monster terrorizing the quiet town of Blyton Hills leads the gang to spend a night in Deboën Mansion and apprehend a familiar culprit: a bitter old man in a mask. Now, in 1990, the twenty-something former teen detectives are lost souls. Plagued by night terrors and Peter's tragic death, the three survivors have been running from their demons. When the man they apprehended all those years ago makes parole, Andy tracks him down to confirm what she's always known–they got the wrong guy. Now she'll need to get the gang back together and return to Blyton Hills to find out what really happened in 1977, and this time, she's sure they're not looking for another man in a mask.

Radio Drama and Comedy Writers, 1928-1962 Ryan Ellett,2017-11-02 More than 700 uncredited scriptwriters who created the memorable characters and thrilling stories of radio's Golden Age receive due recognition in this reference work. For some, radio was a stepping stone on the way to greater achievements in film or television, on the stage or in literature. For others, it was the culmination of a life spent writing newspaper copy. Established authors dabbled in radio as a new medium, while working writers saw it as another opportunity to earn a paycheck. When these men and women came to broadcasting, they crafted a body of work still appreciated by modern listeners.

It Had to Be You Linda Windsor,2011-04-13 Trust is not high on straight-talking rancher Dan Jarrett's list. He doesn't believe there are many people worthy of it. Case-in-point: his new stepfather. His widowed mother says it was love at first sight, but Dan is convinced the man is a con artist spending his mother's nest egg. And the only reason Dan's going on the family holiday cruise is to gain time to prove his suspicions. After losing both of her parents to cancer, E.R. nurse Sunny Elders cherishes any time she can spend with the loved ones she has left-her sister's family. Relaxing together on a cruise filled with love and laughter sounds like the perfect prescription for healing. And Sunny's unsinkable spirit and her maddening penchant for zany disasters provide an ample dose of both. Collision Course. Troubles Waters Ahead! Rancher Dan Jarrett, a true stickler for tradition, doesn't believe in the love-at-first sight bug that bit his widowed mom. In fact, he's sure the man she met and married on a seniors' cruise is a fraud, out to break her bankbook and her heart. Dan's mission? Endure a family holiday cruise till he gets enough proof to expose his stepfather for the scoundrel he is. But will his plans go aground when he bumps headlong into a walking accident-waiting-to-happen with an infectious smile? Nurse Fix-It to the Rescue! Sunny Elders is determined. True, being paired with Dan Jarrett-time after time after time-might result in disaster, but it's no coincidnece. The recent loss of her parents and her nurse's training make it impossible to ignore the obvious: This bull-headed cowpoke and his folks need help. Enter Sunny, a woman with a mission. But can she set Dan's Stetson on straight without tripping over her heart? One thing is certain: Before this hilarious high-sea adventure is over, these two stubborn hearts will hit the unfamiliar waters of trust - trust in each other and in the One who orders our steps, who knows better than we ever could exactly what - and who - we need to be whole.

Surrender of a Siren Tessa Dare,2009-08-25 New author Tessa Dare takes passion to the high seas in this steamy tale of a runaway bride and a devilishly disarming privateer. Desperate to escape a loveless marriage and society’s constraints, pampered heiress Sophia Hathaway jilts her groom, packs up her paints and sketchbook, and assumes a new identity, posing as a governess to secure passage on the Aphrodite. She wants a life of her own: unsheltered, unconventional, uninhibited. But it’s one thing to sketch her most wanton fantasies, and quite another to face the dangerously handsome libertine who would steal both her virtue and her gold. To any well-bred lady, Benedict “Gray” Grayson is trouble in snug-fitting boots. A conscienceless scoundrel who sails the seas for pleasure and profit, Gray lives for conquest–until Sophia’s perception and artistry stir his heart. Suddenly he’ll brave sharks, fire, storm, and sea just to keep her at his side. She’s beautiful, refined, and ripe for seduction. Could this counterfeit governess be a rogue’s redemption? Or will the runaway heiress’s secrets destroy their only chance at love?
Like a Natural Woman Kirsten Pullen,2014-08-08 Bathing beauty Esther Williams, bombshell Jane Russell, exotic Carmen Miranda, chanteuse Lena Horne, and talk-show fixture Zsa Zsa Gabor are rarely hailed as great actors or as naturalistic performers. Those terms of praise are given to male stars like Marlon Brando and James Dean, whose gritty dramas are seen as a departure from the glossy spectacles in which these stars appeared. Like a Natural Woman challenges those assumptions, revealing the skill and training that went into the work of these five actresses, who employed naturalistic performance techniques, both onscreen and off. Bringing a fresh perspective to film history through the lens of performance studies, Kirsten Pullen explores the ways in which these actresses, who always appeared to be “playing themselves,” responded to the naturalist notion that actors should create authentic characters by drawing from their own lives. At the same time, she examines how Hollywood presented these female stars as sex objects, focusing on their spectacular bodies at the expense of believable characterization or narratives. Pullen not only helps us appreciate what talented actresses these five women actually were, but also reveals how they sought to express themselves and maintain agency, even while meeting the demands of their directors, studios, families, and fans to perform certain feminine roles. Drawing from a rich collection of classic films, publicity materials, and studio archives, Like a Natural Woman lets us take a new look at both Hollywood acting techniques and the performance of femininity itself.

On a cruise in the Baltic Sea, Thomas finds himself in the middle of an international drug ring involving the handsome cruise director, Tom, a middle-aged man with a secret penchant for male company in bed. Ann Crews, one of Thomas’s new acquaintances, easily falls for Tom’s charm and becomes an unwitting accomplice in his illegal trade, delivering suspicious parcels to Tom’s friends during stopovers. Thomas, with the help of Ann’s travel companion, Susan Stone, and a mysterious Mrs. Livingston, must try to catch Tom red-handed before it becomes too late for his new friend, Ann, who has become Tom’s unrelenting and steadfast admirer.
