Dance Class #3 Beka, 2013-09-10 Julie, Lucy, and Alia are best friends who share the same passion: dance! A new year of classes has begun and this year, in addition to their regular ballet and modern dance classes, the three girls are introduced to a new style of dance – African folk! Powered by deep percussion-based music, this style is unlike anything they've ever tried before. While the girls enjoy their new art form, problems at home and in the classroom threaten to cause them to have to stop taking their dance classes. Can the girls balance their studies and their extracurricular activities, or will they have to give up dancing for good?

Frankie Sparks and the Lucky Charm Megan Frazer Blakemore, 2020-02-18

Frankie Sparks uses her inventing skills to trap a leprechaun in this fourth chapter book in the STEM inspired Frankie Sparks, Third-Grade Inventor series. It's springtime in Ms. Cupid's class, and the entire class is excited to build their very own leprechaun traps. Maybe, if they catch one, they will all get the gift of good luck! And after a few magical clues, it looks like there might be a leprechaun on the loose in Frankie Sparks's house! Her best friend, Maya, is convinced the leprechaun exists, but Frankie has her doubts—especially when it feels like every trap she designs fails! Will Frankie and Maya find their lucky charm, or figure out how to create some luck all on their own?

Lucky Strikes and a Three Martini Lunch Jennifer C. Dunn, Jimmie Manning, Danielle M. Stern, 2015-10-05 This second edition of *Lucky Strikes and a Three Martini Lunch: Thinking About Television's Mad Men* explores the attributes of the AMC series that allow it to be such a popular and vital contribution to contemporary cultural discourse. Set in the 1960s in New York, the Emmy and Peabody-winning series follows the competitive, seductive, and oftentimes ruthless lives of the men and women of Madison Avenue's advertising agencies. Many alluring and captivating qualities constitute the *Mad Men* experience: the way it evokes nostalgia, even from those who did not

live in the era being portrayed; its interrogations of identities, and how these explorations of the past illuminate viewers' concepts of the present; the compelling (and often heartbreaking) relationships between characters trying to make their way in an ever-changing and increasingly complex world; and the titillation of the characters' discovery of the power of mass-mediated communication and its abilities to allow learning, information sharing, manipulation, and connection, not to mention how their journeys reflect our own in contemporary society. The essays collected in this volume speak to both fans of the show who may not typically embrace theory and criticism, as well as those who do. Additionally, this version was designed with educators in mind. It still includes engaging essays that critically analyze the show from a multitude of perspectives, but now they are organized in way to facilitate easy use in the classroom. This structure allows educators to simply construct and conduct a course using this book as a primary textbook and organize the course according to the way it is laid out. Each chapter provides any type of reader with the opportunity to think about and enjoy the show even after it is no longer on the air.

Happy Healthy You KJ Landis,2017-08-15 The successful life coach and author of *Superior Self* offers concrete, easy-to-follow strategies for bringing more health and happiness into your life. With our hectic modern lives, it's easy to feel drained and worn down. But when we stop to consider what's tapping our energy most, we discover that old habits, unconscious patterns, and past experiences are dragging us down and blocking our self-growth. In *Happy Healthy You*, life coach KJ Landis helps identify how, why, and where we get

ourselves stuck, and how we can utilize the drama and trauma of the past as a springboard to becoming our most authentic, vibrant selves. We all face a lot of stress in our day to day lives. Over time, those stressors can build into a major obstacle, causing us to retreat into survival mode. And when you're only surviving, you're not thriving. KJ Landis knows the story all too well—because she lived it herself. Now, she provides the playbook for tackling the blockages in our lives and moving beyond them to a life of happiness and health. In this book you will learn:

- The root of what keeps us “stuck” in our lives
- How to use the Negative Thought Pot to rid ourselves of self-deprecating beliefs
- How hormones and epigenetics affect mental and physical wellness
- The role of nutrition in our day-to-day health
- Therapeutic movement as a mode of healing
- The power of self-care through restorative practices
- And much, much more!
