Macy is a scholar of Buddhism, systems thinking, and deep ecology whose decades of writing, teaching, and activism have inspired people around the world. In this collection of writings, leading spiritual teachers, deep ecologists, and diverse writers and activists explore the major facets of Macy's lifework. Combined with eleven pieces from Macy herself, the result is a rich chorus of wisdom and compassion to support the work of our time. "Being fully present to fear, to gratitude, to all that is—this is the practice of mutual belonging. As living members of the living body of Earth, we are grounded in that kind of belonging. Even when faced with cataclysmic changes, nothing can ever separate us from Earth. We are already home."— Joanna Macy

Mother Mother Annie Macmanus, 2021-05-27 THE SUNDAY TIMES TOP TEN BESTSELLER, JUNE 2021 'Annie Macmanus is writer whose understanding and capturing of human nature comes as easily to her as breathing' CANDICE CARTY-WILLIAMS 'A work of gilded melancholy that is going to take everyone by surprise'

UNA MULLALLY 'Macmanus writes with flair and confidence rarely seen in a debut' SINÉAD GLEESON One Saturday morning, TJ McConnell wakes up to find his mother, Mary, gone. He doesn't know where - or why - but he's the only one who can help find her. Mary grew up longing for information about the mother she never knew. Her brother could barely remember her, and their father numbed his pain with drink. Now aged thirty-seven, Mary has lived in the same house her whole life. She's never left Belfast. TJ, who's about to turn eighteen, is itching to see more of the world. But when his mother disappears, TJ begins to realise what he's been taking for granted. MOTHER MOTHER takes us down the challenging road of Mary's life while following TJ's increasingly desperate search for her, as he begins to discover what has led her to this point. This is a story about family, grief, addiction and motherhood, and it asks an important question - if you spend your life giving everything to the ones you love, do you risk losing yourself along the way? 'A brilliant book...that explores the brutal legacy of addiction and the consequences of a deep grief left to stagnate' Sara Cox 'A tender, surprising, occasionally bleak, moving and delicate book' Irish Times 'A study of grief, addiction and what it means to be a mother' Stylist 'Melancholy, beautifully

unadorned prose' Mail on Sunday 'Unflinching and unsparing but also beautifully written' Daily Mail 'An incredible debut' Daily Mirror 'A page-turning exploration of grief, addiction, young motherhood and unbreakable family ties' British Vogue

Everybody (Else) Is Perfect Gabrielle Korn, 2021-01-26 From the former editor-in-chief of Nylon comes a provocative and intimate collection of personal and cultural essays featuring eye-opening explorations of hot button topics for modern women, including internet feminism, impossible beauty standards in social media, shifting ideals about sexuality, and much more. Gabrielle Korn starts her professional life with all the right credentials. Prestigious college degree? Check. A loving, accepting family? Check. Instagram-worthy offices and a tight-knit group of friends? Check, check. Gabrielle's life seems to reach the crescendo of perfect when she gets named the youngest editor-in-chief in the history of one of fashion's most influential publications. Suddenly she's invited to the world's most epic parties, comped beautiful clothes and shoes from trendy designers, and asked to weigh in on everything from gay rights to lip gloss on one of the most influential digital platforms. But behind the scenes, things are far from perfect. In fact, just a few months before landing her dream job, Gabrielle's

health and wellbeing are on the line, and her promotion to editor-in-chief becomes the ultimate test of strength. In this collection of inspirational and searing essays, Gabrielle reveals exactly what it's truly like in the fashion world, trying to find love as a young lesbian in New York City, battling with anorexia, and trying not to lose herself in a mirage of women's empowerment and Instagram perfection. Through deeply personal essays, Gabrielle recounts her struggles to reconcile her long-held insecurities about her body while coming out in the era of The L Word, where swoon-worthy lesbians are portrayed as skinny, fashion-perfect, and power-hungry. She takes us with her everywhere from New York Fashion Week to the doctor's office, revealing that the forces that try to keep women small are more pervasive than anyone wants to admit, especially in a world that's been newly branded as woke. From #MeToo to commercialized body positivity, Korn's biting, darkly funny analysis turns feminist commentary on its head. Both an in-your-face take on impossible beauty standards and entrenched media ideals and an inspiring call for personal authenticity, this powerful collection is ideal for fans of Roxane Gay and Rebecca Solnit.

Dinner: The Playbook Jenny Rosenstrach, 2014-08-26 NEW

YORK TIMES BESTSELLER Three signs you need this book: 1) Chicken fingers qualify as adventurous. (Hey, they're not nuggets.) 2) You live in fear of the white stuff touching the green stuff. 3) Family dinner? What's family dinner? When Jenny Rosenstrach's kids were little, her dinner rotation looked like this: Pasta, Pizza, Pasta, Burgers, Pasta. It made her crazy—not only because of the mind-numbing repetition, but because she loved to cook and missed her prekid, ketchup-free dinners. Her solution? A family adventure: She and her husband, Andy, would cook thirty new dishes in a single month—and her kids would try them all. Was it nuts for two working parents to take on this challenge? Yes. But did it transform family dinner from stressful grind to happy ritual? Completely. Here, Rosenstrach—creator of the beloved blog and book *Dinner: A Love Story*—shares her story, offering weekly meal plans, tons of organizing tips, and eighty-plus super-simple, kid-vetted recipes. Stuck in a rut? Ready to reboot dinner? Whether you've never turned on a stove or you're just starved for inspiration, this book is your secret weapon. Praise for *Dinner: The Playbook* "Your hard-to-please crew will wolf down these inventive ways to introduce 'fancy' foods. Jenny Rosenstrach created them for her family, and she swears you'll be shocked by the clean

plates. . . . Dinner: The Playbook mixes ‘You can do this’ inspiration, practical planning, and easy recipes [with] hard-earned wisdom for getting a kid-pleasing meal on the table, night after night.”—Redbook “The master of simple, low-stress cooking. You might know her from her blog, Dinner, A Love Story; her new book, Dinner: The Playbook, is full of the same secret strategies for busy women.”—Glamour “Families and novice cooks who accept Rosenstrach’s challenge will definitely find a few ‘keepers’ here.”—Library Journal “Jenny Rosenstrach has truly mastered the art of the happy family dinner. This is the most sensible advice on cooking for kids I’ve ever seen: no gimmicks, no tricks, just practical advice for working parents. I wish this book had been around when my son was small.”—Ruth Reichl “This book is for anyone who loves the promise of a home-cooked dinner but gets bogged down by the day-to-day reality of it: picky kids, picky spouses, the extinction of the nine-to-five workday, and the pressure—oh, the pressure—to get it on the table before everyone collapses into a hangry (hungry + angry) meltdown. Which is to say that this book is for me, me, me. And I bet it’s for you too.”—Deb Perelman, author of The Smitten Kitchen Cookbook “Well, Jenny Rosenstrach, on the behalf of my whole family, thanks for the most

practical—and yet still inspired—cookbook on our shelf. You are singularly responsible for my return to the kitchen.”—Kelly Corrigan, author of *Glitter and Glue* “Jenny Rosenstrach is warm, wise and a genius when it comes to dinners.”—Joanna Goddard, blogger, *A Cup of Jo*

Pieces of Happiness Anne Ostby, 2017-08-01 A novel of five lifelong friends who, in their sixties, decide to live together on a cocoa farm in Fiji, where they not only start a chocolate business but strengthen their friendships and rediscover themselves. I've planted my feet on Fijian earth and I intend to stay here until the last sunset. Why don't you join me? Leave behind everything that didn't work out! When Sina, Maya, Ingrid, and Lisbeth each receive a letter in the mail posing the same question, the answer is obvious. Their old high school friend Kat—Kat the adventurer, Kat who spread her wings and took off as soon as they graduated—has extended the invitation of a lifetime: Come live with me on my cocoa farm in Fiji. Come spend the days eating chocolate and gabbing like teenagers once again, free from men, worries, and cold. Come grow old in paradise, together, as sisters. Who could say no? Now in their sixties, the friends have all but resigned themselves to the cards they've been dealt. There's Sina, a single

mom with financial woes; gentle Maya who feels the world slipping away from her; Ingrid, the perennial loner; Lisbeth, a woman with a seemingly picture-perfect life; and then Kat, who is recently widowed. As they adjust to their new lives together, the friends are watched over by Ateca, Kat's longtime housekeeper, who oftentimes knows the women better than they know themselves and recognizes them for what they are: like a necklace made of shells: from the same beach but all of them different. Surrounded by an azure-blue ocean, cocoa trees, and a local culture that is fascinatingly, joyfully alien, the friends find a new purpose in starting a business making chocolate: bittersweet, succulent pieces of happiness. A story of love, hope, and chocolate, **PIECES OF HAPPINESS** will reaffirm your faith in friendship, second chances, and the importance of indulging one's sweet tooth.

Sorted Books Nina Katchadourian, 2013-02-08 A witty and thought-provoking collection of visual poems constructed from stacks of books. Delighting in the look and feel of books, conceptual artist Nina Katchadourian's playful photographic series proves that books' covers—or more specifically, their spines—can speak volumes. Over the past two decades, Katchadourian has perused libraries across the globe, selecting, stacking, and photographing groupings of two, three, four, or five books so that their titles can be read as sentences, creating whimsical narratives from the text found there. Thought-provoking, clever, and at times laugh-out-loud funny (one cluster of titles from the Akron Museum of Art's research library consists of: Primitive Art /Just Imagine/Picasso/Raised by Wolves), *Sorted Books* is an enthralling collection of visual poems full of wry wit and bookish smarts. Praise

for Sorted Books “Katchadourian’s project . . . takes on a weight beyond its initial novelty. It’s a love letter to books, book collecting and the act of reading.” —San Francisco Chronicle “As a longtime fan of [Katchadourian’s] long-running Sorted Books project I’m thrilled for the release of Sorted Books—a collection spanning nearly two decades of her witty and wise minimalist mediations on life by way of ingeniously arranged book spines. . . . In an era drowned in periodic death tolls for the future of the physical book, her project stands as a celebration of the spirit embedded in the magnificent materiality of the printed page.” —Brain Pickings “Katchadourian’s stacks possess an understated sophistication; they are true to the intimate nature of books and yet reveal their dramatic features and unexpected potential.” —Publishers Weekly

Rilke's Book of Hours Anita Barrows, 2005-11-01 A FINALIST FOR THE PEN/WEST TRANSLATION AWARD The 100th Anniversary Edition of a global classic, containing beautiful translations along with the original German text. While visiting Russia in his twenties, Rainer Maria Rilke, one of the twentieth century's greatest poets, was moved by a spirituality he encountered there. Inspired, Rilke returned to Germany and put down on paper what he felt were spontaneously received prayers.

Rilke's Book of Hours is the invigorating vision of spiritual practice for the secular world, and a work that seems remarkably prescient today, one hundred years after it was written. Rilke's Book of Hours shares with the reader a new kind of intimacy with God, or the divine—a reciprocal relationship between the divine and the ordinary in which God needs us as much as we need God. Rilke influenced generations of writers with his Letters to a Young Poet, and now Rilke's Book of Hours tells us that our role in the world is to love it and thereby love God into being. These fresh translations rendered by Joanna Macy, a mystic and spiritual teacher, and Anita Barrows, a skilled poet, capture Rilke's spirit as no one has done before.
