Partition Voices Kavita Puri, 2019-07-11 UPDATED FOR THE 75TH ANNIVERSARY OF PARTITION 'Puri does profound and elegant work bringing forgotten narratives back to life. It's hard to convey just how important this book is' Sathnam Sanghera 'The most humane account of partition I've read ... We need a candid conversation about our past and this is an essential starting point' Nikesh Shukla, Observer _____ Newly revised for the seventy-fifth anniversary of partition, Kavita Puri conducts a vital reappraisal of empire, revisiting the stories of those collected in the 2017 edition and reflecting on recent developments in the lives of those affected by partition. The division of the Indian subcontinent in 1947 into India and Pakistan saw millions uprooted and resulted in unspeakable violence. It happened far away, but it would shape modern Britain. Dotted across homes in Britain are people who were witnesses to one of the most tumultuous events of the twentieth century. But their memory of partition has been shrouded in silence. In her eye-opening and timely work, Kavita Puri uncovers remarkable testimonies from former subjects of the Raj who are now British citizens – including her own father. Weaving a tapestry of human experience over seven decades, Puri reveals a secret history of ruptured families and friendships, extraordinary journeys and daring rescue missions that reverberates with compassion and loss. It is a work that breaks the silence and confronts the difficult truths at the heart of Britain's shared past with South Asia.

Letter to a Child Never Born Oriana Fallaci, 1982 A pregnant woman who regards motherhood as a responsible, moral choice prepares for her child's birth by remarking upon and examining her ambivalent feelings toward herself, her society, and her unborn child

PRAISE FOR ROLF DOBELLI 'Dobelli has a gift for identifying the best ideas in the world' Jonathan Haidt, author of The Righteous Mind 'One of Europe's finest minds' Matt Ridley, author of The Evolution of Everything 'A virtuosic synthesizer of ideas' Joshua Greene, author of Moral Tribes

Three Drops of Blood and Other Stories Sadeq Hedayat, 2012-10-25 This collection, previously unpublished in English, displays all the evocative force of Hedayat's writing, and confirms his place in the literary canon. The title story follows the protagonist's increasingly unstable mental state through the repeated occurrence of three drops of blood, while 'Hajji Morad' depicts an almost Joycean epiphany in classically understated terms, as a man mistakes another woman for his wife. Written before the revolution of 1979, Hedayat's stories were banned by the Tehran authorities in 2006. Addressing themes such as marriage and divorce customs and the displacement of Iran's ancient Zoroastrian faith, they have acquired a new relevance in recent decades.

All that is Solid Melts Into Air Marshall Berman, 1983 The experience of modernization -- the dizzying social changes that swept millions of people into the capitalist world -- and modernism in art, literature and architecture are brilliantly integrated in this account.

Windows NT/2000 Native API Reference Gary Nebbett, 2000 Windows NT/2000 Native API Reference is absolutely unique. Currently, documentation on Windows NT's native APIs can only be found through access to the source code or occasionally Web sites where people have chosen to share bits of insight gained through reverse engineering. This book provides the first complete reference to the API functions native to Windows NT and covers the set of services that are offered by Windows NT to both kernel- and user-mode programs. Ideal for the intermediate and advanced level user- and kernel-mode developers of Windows systems, this book is devoted to the NT native API and consists of documentation of the 210 routines included in the API. Also included are all the functions added in Windows 2000.

Funny in Farsi Firoozeh Dumas, 2007-12-18 NEW YORK TIMES BESTSELLER • Finalist for the PEN/USA Award in Creative Nonfiction, the Thurber Prize for American Humor, and the Audie Award in Biography/Memoir This Random House Reader's Circle edition includes a reading group guide and a conversation between Firoozeh Dumas and Khaled Hosseini, author of The Kite Runner! "Remarkable . . . told with wry humor shorn of sentimentality . . . In the end, what sticks with the reader is an exuberant immigrant embrace of America."—San Francisco Chronicle In 1972, when she was seven, Firoozeh Dumas and her family moved from Iran to Southern California, arriving with no firsthand knowledge of this country beyond her father's glowing memories of his graduate school years here. More family soon followed, and the clan has been here ever since. Funny in Farsi chronicles the American journey of Dumas's wonderfully engaging family: her engineer father, a sweetly quixotic dreamer who first sought riches on Bowling for Dollars and in Las Vegas, and later lost his job during the Iranian revolution; her elegant mother, who never fully mastered English (nor cared to); her uncle, who combated the effects of American fast food with an army of miraculous American weight-loss

gadgets; and Firoozeh herself, who as a girl changed her name to Julie, and who encountered a second wave of culture shock when she met and married a Frenchman, becoming part of a one-couple melting pot. In a series of deftly drawn scenes, we watch the family grapple with American English (hot dogs and hush puppies?—a complete mystery), American traditions (Thanksgiving turkey?—an even greater mystery, since it tastes like nothing), and American culture (Firoozeh's parents laugh uproariously at Bob Hope on television, although they don't get the jokes even when she translates them into Farsi). Above all, this is an unforgettable story of identity, discovery, and the power of family love. It is a book that will leave us all laughing—without an accent. Praise for *Funny in Farsi* "Heartfelt and hilarious—in any language."—*Glamour* "A joyful success."—*Newsday* "What's charming beyond the humor of this memoir is that it remains affectionate even in the weakest, most tenuous moments for the culture. It's the brilliance of true sophistication at work."—*Los Angeles Times Book Review* "Often hilarious, always interesting . . . Like the movie *My Big Fat Greek Wedding*, this book describes with humor the intersection and overlapping of two cultures."—*The Providence Journal* "A humorous and introspective chronicle of a life filled with love—of family, country, and heritage."—Jimmy Carter "Delightfully refreshing."—*Milwaukee Journal Sentinel* "[*Funny in Farsi*] brings us closer to discovering what it means to be an American."—*San Jose Mercury News*

A Persian Requiem Simin Daneshvar, 2012-06-04 Tribal leaders in opposition to the government, the corruption of occupation, society torn apart by shifting political loyalties... this is the background to one woman's powerful story. *A Persian Requiem* is a powerful and evocative novel. Set in the southern Persian town of Shiraz in the last years of World War II, when the British army occupied the south of Persia, the novel chronicles the life of Zari, a traditional, anxious and superstitious woman whose husband, sef, is an idealistic feudal landlord. The occupying army upsets the balance of traditional life and throws the local people into conflict. sef is anxious to protect those who depend upon him and will stop at nothing to do so. His brother, on the other hand, thinks nothing of exploiting his kinsmen to further his own political ambitions. Thus a web of political intrigue and hostilities is created, which slowly destroys families. In the background, tribal leaders are in open rebellion against the government, and a picture of a society torn apart by unrest emerges. In the midst of this turbulence, normal life carries on in the beautiful courtyard of Zari's house, in the rituals she imposes upon herself and in her attempt to keep the family safe from external events. But the corruption engendered by occupation is pervasive - some try to profit as much as possible from it, others look towards communism for hope, whilst yet others resort to opium. Finally even Zari's attempts to maintain normal family life are shattered as disaster strikes. An immensely moving story, *A Persian Requiem* is also a powerful indictment of the corrupting effects of colonization. *A Persian Requiem* (first published in 1969 in Iran under the title *Savushun*), was the first novel written by an Iranian woman and, sixteen reprints and half a million copies later, it remains the most widely read Persian novel. In Iran it has helped shape the ideas and attitudes of a generation in its revelation of the factors that contributed to the Islamic Revolution in 1979. Simin Daneshvar's *A Persian Requiem* ... goes a long way towards deepening our understanding of Islam and the events leading up to the 1979 Revolution ... The central

characters adroitly reflect different Persian attitudes of the time, attitudes that were eventually to harden into support for either the Ayatollah and his Islamic fundamentalism or, alternatively, for the corrupting Westernisation of the Shah. The value of the book lies in its ability to present these emergent struggles in human terms, in the day-to-day realities of small-town life ... Complex and delicately crafted, this subtle and ironic book unites reader and writer in the knowledge that human weakness, fanaticism, love and terror are not confined to any one creed. The Financial Times A Persian Requiem is not just a great Iranian novel, but a world classic. The Independent on Sunday ... it would be no exaggeration to say that all of Iranian life is there. Spare Rib For an English reader, there is almost an embarrassment of new settings, themes and ideas ... Under the guise of something resembling a family saga - although the period covered is only a few months - A Persian Requiem teaches many lessons about a society little understood in the West. Rachel Billington, The Tablet This very human novel avoids ideological cant while revealing complex political insights, particularly in light of the 1979 Iranian revolution. Publishers Weekly A Persian Requiem, originally published [in Iran] in 1969, was a first novel by Iran's first woman novelist. It has seen sixteen reprints, sold over half a million copies, and achieved the status of a classic, literally shaping the ideas of a generation. Yet when asked about the specific appeal of the novel, most readers are at a loss to pinpoint a single, or even prominent aspect to account for this phenomenal success. Is it the uniquely feminine perspective, allowing the read

The Orange Girl Jostein Gaarder, 2010-07-15 From the author of SOPHIE'S WORLD, a modern fairy tale with a philosophical twist. 'My father died eleven years ago. I was only four then. I never thought I'd hear from him again, but now we're writing a book together' To Georg Røed, his father is no more than a shadow, a distant memory. But then one day his grandmother discovers some pages stuffed into the lining of an old red pushchair. The pages are a letter to Georg, written just before his father died, and a story, 'The Orange Girl'. But 'The Orange Girl' is no ordinary story - it is a riddle from the past and centres around an incident in his father's youth. One day he boarded a tram and was captivated by a beautiful girl standing in the aisle, clutching a huge paper bag of luscious-looking oranges. Suddenly the tram gave a jolt and he stumbled forward, sending the oranges flying in all directions. The girl simply hopped off the tram leaving Georg's father with arms full of oranges. Now, from beyond the grave, he is asking his son to help him finally solve the puzzle of her identity.

Forty Short Letters to My Wife Nader Ebrahimi, 2017-10-17 Forty Short Letters to My Wife is a collection of letters that Nader Ebrahimi wrote to his wife while practising the art of calligraphy. In these letters he talks about their life together, their love and their problems, openly discussing their difficulties and shared anxieties. For Ebrahimi the writing of these letters was not just an occasion for practising calligraphy but an exercise in exploring his understanding of life, love and the relationship between husband and wife.

Eleven Minutes Paulo Coelho, 2009-10-13 "The book casts a curiously sweet spell." – Entertainment Weekly Eleven Minutes tells the story of Maria, a young girl from a Brazilian village whose first innocent brushes with love leave her heartbroken. At a tender age, she becomes convinced that she will

never find true love, instead believing that “love is a terrible thing that will make you suffer.” A chance meeting in Rio takes her to Geneva, where she dreams of finding fame and fortune, yet ends up working as a prostitute. In Geneva, Maria’s despairing view of love is put to the test when she meets a handsome young painter. In this odyssey of self-discovery, Maria must choose between pursuing a path of darkness—sexual pleasure for its own sake—or risking everything to find her own inner light and the possibility of true love.

Symphony of the Dead ‘Abbās Ma’rūfī,2007 A contemporary version of the Cain and Abel story, this novel was greeted with widespread praise when it was first published in Iran in 1989. Set in the northern town of Ardabil in the aftermath of the Second World War, the story begins as Urhan Urkhani, a prominent citizen of the town, sets out to find his brother in a midwinter snowstorm. Over the course of that day-long search, the entire history of the family is revealed in four symphony-like movements. Told through the rotating viewpoints of the family patriarch and each of his four children, the family's misfortunes become the mirror of a paternalistic and oppressive society that pits brother against brother, encourages a father to denounce a son and burn his poems, forces a daughter to remain in an unhappy marriage, and abandons the last child to a mysterious hidden existence.

Her Eyes Buzurg ‘Alavī,1989 *Her Eyes* was originally published in 1952 and is recognized by many scholars as Bozorg Alavi's finest novel. Alavi, a leading contemporary Persian writer and a champion of the Left, is well known for his political activism, which led to his imprisonment in Iran under the regime of Reza Shah. *Her Eyes* is the story of Farangis, a member of the Iranian upper class whose life of leisure has left her without employable skills. Despairing, she enrolls in a Parisian art school, only to discover that she is severely lacking as a painter. She returns to Iran to participate in the political activities of Ostad Makan, Iran's greatest painter. This most popular of Alavi's novels, translated into English for the first time, presents a realistic picture of 20th-century Iran in the throes of rapid, forced modernization. Co-published with the Persian Heritage Foundation.
