Steve Santagati, Emma Kate Tsai

Code of Honor Men Steve Santagati, Emma Kate Tsai, 2012-10-27 Everyone lives by a code of honor, but this Code of Honor are the rules and principles bad boys and bad girls live by. New York Times and Amazon bestselling author Steve Santagati first revealed the tenets to being a bad boy in *The MANual*, and now you'll learn the ten commandments that define him and all bad boys, as well as the ten commandments that define all Bad Girls. The Code has been passed down over time from one bad boy and bad girl to another, and now has finally been put to paper. Bad boys and bad girls live by the commandments within--ALL TEN. What's a bad boy? What's a bad girl? A man or a woman who breaks tradition to lead a happier and freer life. Like Don Miguel Ruiz's *Four Agreements*, the Code of Honor is a bible of ten agreements all bad boys and bad girls make with themselves and the world around them. They're easy to remember and simple to follow, and have been carefully selected so that they represent the top ten most important issues for all men and women of independent means, heart, and spirit. Most of the commandments go by the same title, but they take on different meanings for either gender. Bad boys and bad girls are not the same, though they may be equal. Get ready to achieve great insight once you begin digging in to these commandments, particularly once you read those attributed to the opposite gender. Find out how they see the world and learn how to effectively communicate with them, and seduce them. You cannot understand this book without first reading the foreword--bad in this case is a very good and free thing indeed.
