**Female Figurines from the Mut Precinct** Elizabeth A. Waraksa,2009 Elizabeth A. Waraksa examines the ceramic female figurines excavated by John Hopkins at the Precinct of Mut in Luxor, Egypt between 2001 and 2004. The figurines date from the New Kingdom to the Late Period (ca. 1550-332 BCE). Ceramic figurines are frequently overlooked by archaeologists, art historians, and social historians because they lack the aesthetic qualities usually associated with Egyptian art. However, the Hopkins-excavated figurines display features that mark them as standardized ritual objects. Waraksa argues that ceramic female figurines were produced in Workshops, utilized by magician/physicians in healing rituals, and regularly snapped and discarded at the end of their effective lives. This is a new, broader interpretation for objects that have previously been considered as toys, dolly, concubine figures, and - most recently - votive fertility figurines.-- Publisher's website

Moon Magic Aurora Kane, 2020-01-28 Harness the power of the magical, mystical, glorious Moon with more than 100 spells, chants, and rituals, along with Esbat celebrations for the Full Moon. The Moon is one of our most prominent and ancient symbols. It has shaped how we understand and track time, its movement controls the tides, and its rise into the sky signals the coming of night. The distinct phases of the lunar cycle have associations with different states of being. These states mirror a kind of spiritual quest which, like our search for ourselves, never ends. When we observe the Moon, we see reflections of the grand pattern of life that is birth, death, and rebirth. With this invaluable handbook filled with enchantingly beautiful illustrations, follow the Moon as she traverses each sign of the zodiac and discover how each astrological phase affects magic—and how your personal Moon sign affects your magical work. The discussions include the influence of the seldom-discussed energies of the Blue Moon, the Black Moon, and lunar eclipses. Each Moon phase is explored individually to cover the phase's main themes along with Moon rituals, intention setting, and practical ways to celebrate and manifest health, wealth, and confidence. With specific suggestions for each phase, you'll discover a variety of tools for harnessing moon magic, including: Traditional lunar herbs such as lavender, angelica, mugwort, and sage to magnify and support your intentions Crystals and gemstones to raise your personal vibration and enhance your intuitive powers Essential oils and candles to match your mood or intention and add vibrational power to your spells and rituals You'll soon be using spells during each moon phase for things like: Conquering change (New Moon) Living joyfully (Waxing Moon) Romantic love (Full Moon) Banishing bad (Waning Moon) Open your arms to Mother Moon, and allow her to take you into hers, with Moon Magic. Twelve Years a Slave Solomon Northup,2024-01-04

Filmatised in 2013 and the official recipient of three Oscars, Solomon Northup's powerful slave narrative 'Twelve Years a Slave' depicts Northup's life as he is sold into slavery after having spent 32 years of his life living as a free man in New York. Working as a travelling musician, Northup goes to Washington D.C, where he is kidnapped, sent to New Orleans, and sold to a planter to suffer the relentless and brutal life of a slave. After a dozen years, Northup escapes to return to his family and pulls no punches, as he describes his fate and that of so many other black people at the time. It is a harrowing but vitally important book, even today. For further reading on this subject, try 'Uncle Tom's Cabin' by Harriet Beecher Stowe. Solomon Northup (c.1807-c.1875) was an American abolitionist and writer, best remembered for his powerful race memoir 'Twelve Years a Slave'. At the age of 32, when he was a married farmer, father-of-three, violinist and free-born man, he was kidnapped in Washington D.C and shipped to New Orleans, sold to a planter and enslaved for a dozen years. When he gained his freedom, he wrote his famous memoir and spent some

years lecturing across the US, on behalf of the abolitionist movement. 'Twelve Years a Slave' was published a year after 'Uncle Tom's Cabin' by Harriet Beecher Stowe and built on the anti-slavery momentum it had developed. Northup's final years are something of a mystery, though it is thought that he struggled to cope with family life after being freed.
