**Girlhood** Melissa Febos,2021-03-30 National Book Critics Circle Award Winner National Bestseller Lambda Literary Award Finalist NAMED ONE OF THE BEST BOOKS OF THE YEAR BY TIME \* NPR \* The Washington Post \* Kirkus Reviews \* Washington Independent Review of Books \* The Millions \* Electric Literature \* Ms Magazine \* Entropy Magazine \* Largehearted Boy \* Passerbuys “Irreverent and original.” –New York Times “Magisterial.” –The New Yorker “An intoxicating writer.” –The Atlantic “A classic!” –Mary Karr “A true light in the dark.” –Stephanie Danler “An essential, heartbreaking project.” –Carmen Maria Machado A gripping set of stories about the forces that shape girls and the adults they become. A wise and brilliant guide to transforming the self and our society. In her powerful new book, critically acclaimed author Melissa Febos examines the narratives women are told about what it means to be female and what it takes to free oneself from them. When her body began to change at eleven years old, Febos understood immediately that her meaning to other people had changed with it. By her teens, she defined herself based on these perceptions and by the romantic relationships she threw herself into headlong. Over time, Febos increasingly questioned the stories she'd been told about herself and the habits and defenses she'd developed over years of trying to meet others' expectations. The values she and so many other women had learned in girlhood did not prioritize their personal safety, happiness, or freedom, and she set out to reframe those values and beliefs. Blending investigative reporting, memoir, and scholarship, Febos charts how she and others like her have reimagined relationships and made room for the anger, grief, power, and pleasure women have long been taught to deny. Written with Febos' characteristic precision, lyricism, and insight, *Girlhood* is a philosophical treatise, an anthem for women, and a searing study of the transitions into and away from girlhood, toward a chosen self.

*Photoshop* Mathew Meckinze,2015-12-05 (STEP-BY-STEP Instructions along with Live SCREEN-SHOTS) Photographs are one of the most precious things we have because they are our memories and in many cases they are the memories of our ancestors. Yet they are degrading day by day. Specially in the case of printed photographs, they are not aging gracefully they are fading and deteriorating. Now if they have been damaged by flood or by fire, things are far worse - they are in disrepair, they are torn and burnt and watermarked. But using Photoshop, not only can we preserve their current state and make certain that they don't degrade and they don't discolor and they don't fade, but we can recover and restore them. We can make them look the way they used to - in fact we can make them look even better than they used to. And that's what we are going to talk about - is bringing your images and restoring them, preserving them and making certain that they live on forever. Welcome to the Advanced Photo Restoration process using Photoshop. Here we will discuss the following How to bring in the images into the computer, whether by using a scanner or a digital camera. Then we will talk about powerful and nondestructive tools for getting you quickly and easily into Photoshop. And how to save a lot of time with Cropping and Blurring.
