Embracing the idea of collaboration among art and technology educators and practitioners, was what Menano and Fidalgo proposed to the authors of the chapters in this book. This book presents ideas that help educators to re-evaluate and re-think how to approach art and technology in the educational setting and offers solutions to develop new experiences for students and communities.Each chapter presents teaching practices and successful activities that address the challenges facing art and technology education professionals. Along with descriptions of the learners, the settings, the schools and the communities in which they work, the authors share their thoughts and concerns about the changing educational landscape around them. The authors are respected and experienced instructors who are engaged with the use of art and technology and each chapter reflects the authors' diverse practices, their students at different educational levels, and the different educational and socio-cultural contexts in which the learning and teaching takes place. Twelve Years a Slave Solomon Northup,2024-01-04 Filmatized in 2013 and the official recipient of

three Oscars, Solomon Northup's powerful slave narrative 'Twelve Years a Slave' depicts Nortup's life as he

is sold into slavery after having spent 32 years of his life living as a free man in New York. Working as a travelling musician, Northup goes to Washington D.C, where he is kidnapped, sent to New Orleans, and sold to a planter to suffer the relentless and brutal life of a slave. After a dozen years, Northup escapes to return to his family and pulls no punches, as he describes his fate and that of so many other black people at the time. It is a harrowing but vitally important book, even today. For further reading on this subject, try 'Uncle Tom's Cabin' by Harriet Beecher Stowe. Solomon Northup (c.1807-c.1875) was an American abolitionist and writer, best remembered for his powerful race memoir 'Twelve Years a Slave'. At the age of 32, when he was a married farmer, father-of-three, violinist and free-born man, he was kidnapped in Washington D.C and shipped to New Orleans, sold to a planter and enslaved for a dozen years. When he gained his freedom, he wrote his famous memoir and spent some years lecturing across the US, on behalf of the abolitionist movement. 'Twelve Years a Slave' was published a year after 'Uncle Tom's Cabin' by Harriet Beecher Stowe and built on the anti-slavery momentum it had developed. Northup's final years are something of a mystery, though it is thought that he struggled to cope with family life after being freed.
