CIA Lock Picking Central Intelligence Agency,2015-12-31 There has been much opinion and little fact written on the subject of lock picking. It is the purpose of this book to clarify the facts about this delicate process, and at the same time to train you in proper procedure. Reading this book is certainly enough to get you started picking simple locks, but remember: a great deal of time and patience are needed to become a truly proficient locksmith. In this volume, you will learn the fundamental theories of lock picking in addition to proper terminology, the importance of tool design (i.e. how to select and use the right tool for a given job), the effects of tolerances, and finally the techniques most commonly used by locksmiths to successfully pick the vast majority of standard pin and wafer tumbler locks. Lock picking is a useful, engaging, and satisfying skill; with this book and a little determination, you'll be off to a great start.

The Private Club 3 J.S. Cooper,Helen Cooper,2014-02-28 What is the Private Club? When Meg Riley accepted a job at the Private Club she didn't expect to be thrown into a world of deception and lust. She doesn't know who she can trust, but that doesn't stop her from falling for Greyson Twining. Greyson Twining is the handsome owner of the club. He is charismatic, alluring and way out of her league. While his smile sets her heart on fire, everything else about him makes her want to run away. Especially when Meg finds out that her roommate and confidante, Nancy has gone missing. Meg isn't sure if she can trust her heart, but as more secrets are revealed, she fears that she may already be in too deep. The Private Club 3 is the last book in the explosive Private Club series. Readers should be 18 or over due to mature language and situations.

Objective First Certificate Self-study Student's Book Annette Capel,Wendy Sharp,2008-02-14 This popular First Certificate course has been updated to prepare students for the new examination syllabus introduced from December 2008. A clear organisation and fresh approach have already made it a popular route to success at FCE in many countries: thirty short units provide thorough training in exam skills, solid language development, and lively class discussion. The course is written by experienced authors who have an in-depth knowledge of the FCE exam, and understand the needs of both students and teachers alike. The Self-study Student's Book contains a self-study section with answers and advice to students studying independently.

addictive love story of the internet age . . . Just what you need WENDY HOLDEN Is there a safer space for secret desires than virtual reality? .It begins by chance: Leo receives emails in error from an unknown woman called Emmi. Being polite he replies, and Emmi writes back. A few brief exchanges are all it takes to spark a mutual interest in each other, and soon Emmi and Leo are sharing their innermost secrets and longings. The erotic tension simmers, and it seems only a matter of time before they will meet in person. But they keep putting off the moment - the prospect both unsettles and excites them. And, after all, Emmi is happily married. Will their feelings for each other survive the test of a real-life encounter? Translated from German by Jamie Bulloch and Katharina Bielenberg
