USPS's business model is to fulfill its mission through self-supporting, businesslike operations; however, USPS has experienced increasing difficulties. Due to volume declines, losses, a cash shortage, and rising debt, the USPS was added to a high-risk list in July 2009. The objectives of this report were to assess: (1) the viability of USPS's business model; (2) strategies and options to address challenges to its business model; and (3) actions Congress and USPS need to take to facilitate progress toward financial viability. Includes recommendations. Charts and tables.
