*Dad's Hiking Logbook* Special Hikes Publishing, 2019-12-25 Document all your amazing hikes with this 120 pages Hiking Journal. Use the prompts to write in the details of the hiking trip. The prompts are meant to help you remember the most important details of your hike (date, duration, hiking companions). But there is also enough space in this hiking notebook to describe the highlights of your hikes - store your most cherished memories! This light weight outdoor journal comes with 120 pages to record the details of 120 hikes. The handy 6x9 format makes it ideal to take along on each hiking trip and allows you to fit it into your backpack or pocket easily. It has a matte cover for an attractive design. The hiking diary makes also a great gift for any hiker, ideal for Father's Day or a birthday.

**The Analyst in the Inner City, Second Edition** Neil Altman, 2011-08-24 In 1995, Neil Altman did what few psychoanalysts did or even dared to do: He brought the theory and practice of psychoanalysis out of the cozy confines of the consulting room and into the realms of the marginalized, to the very individuals whom this theory and practice often overlooked. In doing so, he brought together psychoanalytic and social theory, and examined how divisions of race, class and culture reflect and influence splits in the developing self, more often than not leading to a negative self image of the other in an increasingly polarized society. Much like the original, this second edition of *The Analyst in the Inner City* opens up with updated, detailed clinical vignettes and case presentations, which illustrate the challenges of working within this clinical milieu. Altman greatly expands his section on race, both in the psychoanalytic and the larger social world, including a focus on whiteness which, he argues, is socially constructed in relation to blackness. However, he admits the inadequacy of such categorizations and proffers a more fluid view of the structure of race. A brand new section, *Thinking Systemically and Psychoanalytically at the Same Time*, examines the impact of the socio-political context in which psychotherapy takes place, whether local or global, on the clinical work itself and the socio-economic categories of its patients, and vice-versa. Topics in this section include the APA's relationship to CIA interrogation practices, group dynamics in child and adolescent psychotherapeutic interventions, and psychoanalytic views on suicide bombing. Ranging from the day-to-day work in a public clinic in the South Bronx to considerations of global events far outside the clinic's doors (but closer than one might think), this book is a timely revision of a groundbreaking work in psychoanalytic literature, expanding the import of psychoanalysis from the centers of analytical thought to the margins of clinical need.

**Adobe GoLive 4.0**, 1999 Adobe GoLive is a professional Web-site design and publishing tool. This book and CD-ROM package, covering GoLive's functions and applications, can be used as a set of self-paced tutorials, or as source material for a course on the subject.

**Morphing Magic** Scott Anderson, 1993 In the past few years morphing, a new computer graphics technique, has been gaining popularity. This book begins by outlining the background of morphing. It then gives a detailed description of techniques being used for morphing, followed by a chapter outlining how to implement each of the techniques. In the final section of the book, readers will find pointers on where to find more information. (Desktop Publishing)

**Revenge of the Damned** Chris Bunch, Allan Cole, 2001 Sten had fully expected to die in a blaze of glory, taking his Emperor's greatest foe with him. Instead he was a slave laborer in a P.O.W. camp deep in the heart of enemy territory. But sitting out the action had never been Sten's style. And now that the war was building to a climax, the Eternal Emperor needed him more than ever. Not even the toughest prison in the known universe could

keep Sten from his mission ... For more information on this or any other Orbit title, visit the Orbit website at [www.orbitbooks.co.uk](http://www.orbitbooks.co.uk)
