The one thing Jehal fears is that the white dragon still lives- and if that is so, then blood will flow, on all sides...

Another morning of bullying and torment from a batch of doll-like triplets more violent and unbalanced by the day. When it is uncovered by Jimmy-1, a triplet who might be different, what will it mean for his future and hers? Not just another dystopian novel. New author Sara Litchfield explores what it means to be a child, a mother and a monster in a chilling world devoid of comfort.
