**How To Make Fast Cash** Judy Helm Wright, 2013-07-31 Most people today end up with too much month and not enough money. Many college graduates, senior citizens and downsized executives are searching for ways to increase or supplement their income. There are very few jobs around that will pay sufficient to cover needs, let alone wants. Jobs that used to be available for unskilled workers or teenagers are now being taken by those who are under-employed. The unemployment figures are discouraging no matter how much motivation, skill, and talent you have. You started selling old stuff on Craigslist and donating plasma, and you're still not covering expenses. So what are you to do? Create A Job

Author Judy H. Wright and a group of interns were having a break at Artichoke Press when they shared the difficulty of finding work to pay their expenses. A brainstorming session turned into a project, which turned into interviews, which morphed into the book you are reading right now! The young interns learned that no matter who signs the paycheck, the business you work for is always you. The more sources of income and options you have, the happier you will be. You will love the 148 great ideas on making fast cash. Some are well known, some are quirky, some are so easy to accomplish that you will start them today. I've figured out and perfected a simple step-by-step formula for predictably, almost automatically raking in huge amounts of cash with my system and I've been using it to quietly make myself ridiculous amounts of money. And up until now, I've only shared my closely guarded blueprint with a small handful of people who've each paid thousands of dollars to learn from me personally. But, don't worry, it's not gonna cost you anything to learn the exact same, quick and easy formula that other folks have paid \$2,500 dollars to learn. Why would I do this? Because I've just gotten through putting my entire blueprint into a home study course called Project Fast Cash. It is the ultimate guide on how To Quickly and Easily Start Making Money From Home. The cool thing is... You're gonna learn step-by-step exactly how to set up your own money making business in 7 days or less... a system which will make you money on autopilot day in day out. And when I say exact steps I mean...STEP#1: Do this, here's how and why. STEP#2: Do this, here's how and why. STEP#3: Do this, and so on...This is NOT some course filled with vague theories and ideas that never work for REAL PEOPLE in the REAL WORLD...This is my PERSONAL TRUE LIFE TESTED experience and I specifically spell out how to follow the same steps as me and start earning REAL BIG MONEY... EVERY WEEK! The bottom line is... I'm gonna show you how to copy me and use this powerful formula... the exact same one I use to make over \$30,000 a month with a simple automated system. Listen to this... Here's just a small piece of what you'll learn... \* The simple technique I've used to make over \$5,000 in 5 days selling somebody else's product - and how you can too. \* The most profitable products to sell and where to find them all for free. \* The secret truth about marketing and what you must do to guarantee

your success.\* AND MUCH, MUCH MORE!
