**Make A Mint: Surveys For Cash** Kelly Decker,2020-07-04 Make a Mint: Surveys for Cash is Kelly Decker’s best-selling book because it explains the ins-and-outs of the survey-taking business. Start earning money from day one – GUARANTEED. It is the only book on the market teaching how to avoid survey company scams. Very few survey companies are legitimate. Surveys For Cash recommends only the most trusted and respected survey companies in the business. Discover all the tricks used by survey companies to screen undesirable survey-takers and their secret techniques to get opinions for free (or a very low fee). Get insider information on how to beat the system and make a lot of money doing surveys. Surveys For Cash discusses how to treat survey-taking as a business--maximizing profit, using time efficiently, and increasing revenue. It also explains how to avoid being disqualified from most surveys by properly filling out the personal profile and classification questions, and recognizing the desired demographic for each survey. Learn to select the best employment status, occupation, income level, and most preferred state and city of residence. In addition, find out how to qualify for specific surveys, learn strategies for survey success, and when to be purposely disqualified from a survey. Finally, Surveys For Cash addresses how to get paid, how to ensure earning a good income, and why most survey-taking is a tax-free endeavor. Everything necessary to succeed is in Surveys For Cash...GUARANTEED. On the very first day will not only pay for this book in full, but also earn ten times the cost of the book as extra cash. GUARANTEED. There is no risk. The book will pay for itself. If you decide that you don’t like taking surveys, then you lose NOTHING for trying. But if you like it, the amount of money you can make is limitless.
