Mallorca - the Beaches Randolph Riecker, 2018-03-09 The Spanish island of Mallorca has the best beaches in the Mediterranean, and it's well worth taking the time to plan which beaches to visit during a summer holiday to this beautiful island. Mallorca is the largest island in the Balearic Islands archipelago, which are part of Spain and located in the western Mediterranean. The capital of Mallorca, Palma de Mallorca, is also the capital of the autonomous community of the Balearic Islands. These islands have been an autonomous region of Spain since 1983. The Cabrera Archipelago is administratively grouped with Mallorca (in the municipality of Palma). Similar to the other Balearic Islands of Menorca, Ibiza and Formentera, the island is a very popular holiday destination, particularly for tourists from the UK, Italy and Germany. The international airport near Palma is one of the busiest in Spain, and over 20 million passengers travel through it each year. Since the 1950's, Mallorca has been a major tourist hotspot, and tourism has become the main source of revenue for the island. The boom in tourism in Spain has provided significant growth in the economy of the country. The island's popularity as a tourist destination has steadily grown since the 1950's, with many artists and academics choosing to visit and live here. Visitors to Mallorca continued to increase with holiday makers in the 1970's

approaching 3 million a year. In 2010 over 6 million visitors arrived. In 2013, Mallorca was visited by nearly 10 million tourists, and the Balearic Islands as a whole had about 13 million tourists. With thousands of rooms available, Mallorca's economy is largely dependent on its tourism industry. Holiday makers are attracted by the large variety of beaches, warm weather, and high-quality tourist amenities. One of the greatest things about living on Mallorca is the vast number of beaches that are available within reach, but even those who have lived on the island for many years are yet to discover many of the beautiful beaches that are hidden along Mallorca's coastline. Here we have a comprehensive examination of all of Mallorca's beautiful beaches. For those of you who are itching to go somewhere new and exciting, especially where beach holidays are concerned, then this is definitely the place for you. Is it time for you to discover a new holiday destination ?
