The Ghost of the Lantern Lady Carolyn Keene, 2013-01-29 Nancy loves a good mystery. That's why she, Bess, and George are volunteering at Persimmon Woods Pioneer Village, a living history museum of the 1830s. Nancy's heard that a lot of weird things have been happening there, like the eerie sightings of the Lantern Lady the ghost of an original settler. But as soon as Nancy starts investigating, she learns that even though the workers at Persimmon Woods are in costume, the danger isn't an act. Someone has concocted a cunning scheme to destroy the village—and if Nancy doesn't find the culprit, she could become history, too.

Stars and Ribbons Rhiannon Ifans, 2022-02-15 Wassail songs are part of Welsh folk culture, but what exactly are they? When are they sung? Why? And where do stars and pretty ribbons fit in? This study addresses these questions, identifying and discussing the various forms of winter wassailing found in Wales in times past and present. It focuses specifically on the Welsh poetry written over the centuries at the celebration of several rituals – most particularly at Christmas, the turn of the year, and on Twelfth Night – which served a distinct purpose. The winter wassailing aspired to improve the quality of the earth's fertility in three specific spheres: the productivity of the land, the animal kingdom, and the human race. This volume provides a rich collection of Welsh songs in their original language, translated into English for the first time, and with musical notation. It also provides a comprehensive analysis of these poems and of the society in which they were sung.

Game Boys Michael Kane,2008-06-19 A year inside the fierce rivalries and big business of competitive videogaming A technology-fueled spin on a classic sports tale, Game Boys profiles cyber-athletes who compete for dominance in the professional gaming circuit, a world populated with rivalries, big egos, corporate sponsorships, and large cash prizes. House Made of Dawn [50th Anniversary Ed] N. Scott Momaday,2018-12-18 "Both a masterpiece about the universal human condition and a masterpiece of Native American literature. . . . A book everyone should read for the joy and emotion of the language it contains." — The Paris Review A special 50th anniversary edition of the magnificent Pulitzer Prize-winning novel from renowned Kiowa writer and poet N. Scott Momaday, with a new preface by the author A young Native American, Abel has come home from war to find himself caught between two worlds. The first is the world of his father's, wedding him to the rhythm of the seasons, the harsh beauty of the land, and the ancient rites and traditions of his

people. But the other world—modern, industrial America—pulls at Abel, demanding his loyalty, trying to claim his soul, and goading him into a destructive, compulsive cycle of depravity and disgust. An American classic, *House Made of Dawn* is at once a tragic tale about the disabling effects of war and cultural separation, and a hopeful story of a stranger in his native land, finding his way back to all that is familiar and sacred.

Chains Laurie Halse Anderson, 2010-01-05 If an entire nation could seek its freedom, why not a girl? As the Revolutionary War begins, thirteen-year-old Isabel wages her own fight...for freedom. Promised freedom upon the death of their owner, she and her sister, Ruth, in a cruel twist of fate become the property of a malicious New York City couple, the Locktons, who have no sympathy for the American Revolution and even less for Ruth and Isabel. When Isabel meets Curzon, a slave with ties to the Patriots, he encourages her to spy on her owners, who know details of British plans for invasion. She is reluctant at first, but when the unthinkable happens to Ruth, Isabel realizes her loyalty is available to the bidder who can provide her with freedom. From acclaimed author Laurie Halse Anderson comes this compelling, impeccably researched novel that shows the lengths we can go to cast off our chains, both physical and spiritual.
