The Best Graduate Programs Jonathan Spaihts, Princeton Review (Firm), 1998 This updated Second Edition of The Best Graduate Programs: Humanities and Social Sciences simplifies the process of finding and getting into the right program. Only The Princeton Review combines the hard facts about more than 600 top programs with the revealing results of a survey of more than 1,700 currently enrolled students. Included here are profiles of master's and doctoral programs in: African Studies American Studies Anthropology Archaeology Art History Asian Studies Classics Comparative Literature Economics English French Geography German History International Relations Italian Linguistics Music Philosophy Political Science Psychology Religion Sociology Slavic Studies Spanish Women's Studies and many more-- More Than Just Facts and Figures Not only do we tell you all about the top programs, we explain everything you need to know about the grad school experience before you make the commitment: how to choose a school and get admitted, which professional societies to join, how to get the maximum amount of financial aid, and, most important, how to survive graduate school.

Standard Catalog of World Coins 1801-1900 Thomas Michael, Tracy L Schmidt, 2019-03-26 The 19th Century produced some of the most popular coinage in world monetary history, as evidenced by the number of high-profile auctions worldwide bringing record prices and further driving demand for these classic coins. The Standard Catalog of World Coins, 1801-1900, is designed to meet the needs of researchers, collectors, auctioneers and dealers of this vast range of coins produced during the critically important time. With a more than 40 year tradition of excellence in the hobby, the

Standard Catalog of World Coins gathers and vets data from more than 140 worldwide experts to produce the most respected and referenced resource on the subject. Featuring 27,500 actual-size images, the volume covers all mint-issue coins of the world, as well as tokens, patterns, sets and more. Arranged alphabetically by country, each coin listing provides: • Current values listed by date, variety and grade • Universal KM reference number • Detailed descriptions of obverse and reverse designs • Clear images to aid in identification What's more, coins struck in gold, platinum and silver are detailed with: • Total coin weight • Fineness • Actual precious metal weight
