**Twitter and Tear Gas** Zeynep Tufekci, 2017-05-16 A firsthand account and incisive analysis of modern protest, revealing internet-fueled social movements' greatest strengths and frequent challenges To understand a thwarted Turkish coup, an anti-Wall Street encampment, and a packed Tahrir Square, we must first comprehend the power and the weaknesses of using new technologies to mobilize large numbers of people. An incisive observer, writer, and participant in today's social movements, Zeynep Tufekci explains in this accessible and compelling book the nuanced trajectories of modern protests—how they form, how they operate differently from past protests, and why they have difficulty persisting in their long-term quests for change. Tufekci speaks from direct experience, combining on-the-ground interviews with insightful analysis. She describes how the internet helped the Zapatista uprisings in Mexico, the necessity of remote Twitter users to organize medical supplies during Arab Spring, the refusal to use bullhorns in the Occupy Movement that started in New York, and the empowering effect of tear gas in Istanbul's Gezi Park. These details from life inside social movements complete a moving investigation of authority, technology, and culture—and offer essential insights into the future of governance.

*The Jakarta Method* Vincent Bevins, 2020-05-19 NAMED ONE OF THE BEST BOOKS OF 2020 BY NPR, THE FINANCIAL TIMES, AND GQ The hidden story of the wanton slaughter -- in Indonesia, Latin America, and around the world -- backed by the United States. In 1965, the U.S. government helped the Indonesian military kill approximately one million innocent civilians. This was one of the most important turning points of the twentieth century, eliminating the largest communist party outside China and the Soviet Union and inspiring copycat terror programs in faraway countries like Brazil and Chile. But these events remain widely overlooked, precisely because the CIA's

secret interventions were so successful. In this bold and comprehensive new history, Vincent Bevins builds on his incisive reporting for the Washington Post, using recently declassified documents, archival research and eye-witness testimony collected across twelve countries to reveal a shocking legacy that spans the globe. For decades, it's been believed that parts of the developing world passed peacefully into the U.S.-led capitalist system. The Jakarta Method demonstrates that the brutal extermination of unarmed leftists was a fundamental part of Washington's final triumph in the Cold War.

**The Last Pirate** Tony Dokoupil, 2015-01-06 A haunting and often hilarious memoir of growing up in 80s Miami as the son of Big Tony, a flawless model of the great American pot baron. To his fellow smugglers, Anthony Edward Dokoupil was the Old Man. He ran stateside operations for one of the largest marijuana rings of the twentieth century. In all they sold hundreds of thousands of pounds of marijuana, and Big Tony distributed at least fifty tons of it. To his son he was a rambling man who was also somehow a present father, a self-destructive addict who ruined everything but affection. Here Tony Dokoupil blends superb reportage with searing personal memories, presenting a probing chronicle of pot-smoking, drug-taking America from the perspective of the generation that grew up in the aftermath of the Great Stoned Age.

**DO EPIC SHIT.** ANKUR. WARIKOO, 2021

*The Comfort Book* Matt Haig, 2021-07-06 An instant New York Times Bestseller! The new uplifting book from Matt Haig, the #1 New York Times bestselling author of *The Midnight Library*, for anyone in search of hope, looking for a path to a more meaningful life, or in need of a little encouragement. Named by The Washington Post as one of the best feel-good books of 2021. "It is a strange paradox, that many of the clearest, most comforting life lessons are learnt while we are at our lowest. But then we never think about food more than when we are hungry and we never

think about life rafts more than when we are thrown overboard.” THE COMFORT BOOK is Haig’s life raft: it’s a collection of notes, lists, and stories written over a span of several years that originally served as gentle reminders to Haig’s future self that things are not always as dark as they may seem. Incorporating a diverse array of sources from across the world, history, science, and his own experiences, Haig offers warmth and reassurance, reminding us to slow down and appreciate the beauty and unpredictability of existence.

**Ditch That Textbook** Matt Miller, 2015-04-13 Textbooks are symbols of centuries-old education. They're often outdated as soon as they hit students' desks. Acting by the textbook implies compliance and a lack of creativity. It's time to ditch those textbooks--and those textbook assumptions about learning In Ditch That Textbook, teacher and blogger Matt Miller encourages educators to throw out meaningless, pedestrian teaching and learning practices. He empowers them to evolve and improve on old, standard, teaching methods. Ditch That Textbook is a support system, toolbox, and manifesto to help educators free their teaching and revolutionize their classrooms.

**How to Stop Time** Matt Haig, 2018-02-06 From the New York Times bestselling author of The Midnight Library. “A quirky romcom dusted with philosophical observations....A delightfully witty...poignant novel.” —The Washington Post “She smiled a soft, troubled smile and I felt the whole world slipping away, and I wanted to slip with it, to go wherever she was going... I had existed whole years without her, but that was all it had been. An existence. A book with no words.” Tom Hazard has just moved back to London, his old home, to settle down and become a high school history teacher. And on his first day at school, he meets a captivating French teacher at his school who seems fascinated by him. But Tom has a dangerous secret. He may look like an ordinary 41-year-old, but owing to a rare condition, he's been alive for centuries. Tom has lived history--performing with

Shakespeare, exploring the high seas with Captain Cook, and sharing cocktails with Fitzgerald. Now, he just wants an ordinary life. Unfortunately for Tom, the Albatross Society, the secretive group which protects people like Tom, has one rule: Never fall in love. As painful memories of his past and the erratic behavior of the Society's watchful leader threaten to derail his new life and romance, the one thing he can't have just happens to be the one thing that might save him. Tom will have to decide once and for all whether to remain stuck in the past, or finally begin living in the present. *How to Stop Time* tells a love story across the ages—and for the ages—about a man lost in time, the woman who could save him, and the lifetimes it can take to learn how to live. It is a bighearted, wildly original novel about losing and finding yourself, the inevitability of change, and how with enough time to learn, we just might find happiness. Soon to be a major motion picture starring Benedict Cumberbatch.

**Reasons to Stay Alive** Matt Haig, 2016-02-23 From the #1 New York Times bestselling author of *The Midnight Library*. Destined to become a modern classic. —Entertainment Weekly  
**WHAT DOES IT MEAN TO FEEL TRULY ALIVE?** At the age of 24, Matt Haig's world caved in. He could see no way to go on living. This is the true story of how he came through crisis, triumphed over an illness that almost destroyed him and learned to live again. A moving, funny and joyous exploration of how to live better, love better and feel more alive, *Reasons to Stay Alive* is more than a memoir. It is a book about making the most of your time on earth. I wrote this book because the oldest clichés remain the truest. Time heals. The bottom of the valley never provides the clearest view. The tunnel does have light at the end of it, even if we haven't been able to see it . . . Words, just sometimes, really can set you free.

Tuffers' Twitter Tales: The Best Cricket Stories From Tuffers' Twitter Followers Phil Tufnell, 2012-12-17 In this exclusive ebook-only edition, Phil Tufnell, aka 'Tuffers', the Sunday Times

bestselling author of *Tuffers' Cricket Tales*, shares a selection of the most outrageous and hilarious cricket stories he has received from his Twitter followers.

**Ask a Manager** Alison Green, 2018-05-01 From the creator of the popular website *Ask a Manager* and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called “the Dear Abby of the work world.” Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit “reply all” • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for *Ask a Manager* “A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work.”—Booklist (starred review) “The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience.”—Library Journal (starred review) “I am a huge fan of Alison Green's *Ask a Manager* column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide*

“Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together*

**Tribe of Mentors** Timothy Ferriss, 2017 Life-changing wisdom from 130 of the world's highest achievers in short, action-packed pieces, featuring inspiring quotes, life lessons, career guidance, personal anecdotes, and other advice

*Pandora's Jar* Natalie Haynes, 2022-03-29 NEW YORK TIMES BESTSELLER “Funny, sharp explications of what these sometimes not-very-nice women were up to, and how they sometimes made idiots of . . . but read on!”—Margaret Atwood, author of *The Handmaid's Tale* The national bestselling author of *A Thousand Ships* returns with a fascinating, eye-opening take on the remarkable women at the heart of classical stories Greek mythology from Helen of Troy to Pandora and the Amazons to Medea. The tellers of Greek myths—historically men—have routinely sidelined the female characters. When they do take a larger role, women are often portrayed as monstrous, vengeful or just plain evil—like Pandora, the woman of eternal scorn and damnation whose curiosity is tasked with causing all the world's suffering and wickedness when she opened that forbidden box. But, as Natalie Haynes reveals, in ancient Greek myths there was no box. It was a jar . . . which is far more likely to tip over. In *Pandora's Jar*, the broadcaster, writer, stand-up comedian, and passionate classicist turns the tables, putting the women of the Greek myths on an equal footing with the men. With wit, humor, and savvy, Haynes revolutionizes our understanding of epic poems, stories, and plays, resurrecting them from a woman's perspective and tracing the origins of their mythic female characters. She looks at women such as Jocasta, Oedipus' mother-turned-lover-and-wife (turned Freudian sticking point), at once the cleverest person in the story and yet often unnoticed. She considers Helen of Troy, whose marriage to Paris “caused” the

Trojan war—a somewhat uneven response to her decision to leave her husband for another man. She demonstrates how the vilified Medea was like an ancient Beyonce—getting her revenge on the man who hurt and betrayed her, if by extreme measures. And she turns her eye to Medusa, the original monstered woman, whose stare turned men to stone, but who wasn't always a monster, and had her hair turned to snakes as punishment for being raped. Pandora's Jar brings nuance and care to the millennia-old myths and legends and asks the question: Why are we so quick to villainize these women in the first place—and so eager to accept the stories we've been told?

**Permission to Feel** Marc Brackett, Ph.D., 2019-09-03 The mental well-being of children and adults is shockingly poor. Marc Brackett, author of *Permission to Feel*, knows why. And he knows what we can do. We have a crisis on our hands, and its victims are our children. Marc Brackett is a professor in Yale University's Child Study Center and founding director of the Yale Center for Emotional Intelligence. In his 25 years as an emotion scientist, he has developed a remarkably effective plan to improve the lives of children and adults - a blueprint for understanding our emotions and using them wisely so that they help, rather than hinder, our success and well-being. The core of his approach is a legacy from his childhood, from an astute uncle who gave him permission to feel. He was the first adult who managed to see Marc, listen to him, and recognize the suffering, bullying, and abuse he'd endured. And that was the beginning of Marc's awareness that what he was going through was temporary. He wasn't alone, he wasn't stuck on a timeline, and he wasn't "wrong" to feel scared, isolated, and angry. Now, best of all, he could do something about it. In the decades since, Marc has led large research teams and raised tens of millions of dollars to investigate the roots of emotional well-being. His prescription for healthy children (and their parents, teachers, and schools) is a system called RULER, a high-impact and fast-effect approach to understanding and

mastering emotions that has already transformed the thousands of schools that have adopted it. RULER has been proven to reduce stress and burnout, improve school climate, and enhance academic achievement. This book is the culmination of Marc's development of RULER and his way to share the strategies and skills with readers around the world. It is tested, and it works. This book combines rigor, science, passion and inspiration in equal parts. Too many children and adults are suffering; they are ashamed of their feelings and emotionally unskilled, but they don't have to be. Marc Brackett's life mission is to reverse this course, and this book can show you how.

**The Humans** Matt Haig, 2013-07-02 The bestselling, award-winning author of *The Midnight Library* offers his funniest, most devastating dark comedy yet, a "silly, sad, suspenseful, and soulful" (*Philadelphia Inquirer*) novel that's "full of heart" (*Entertainment Weekly*). When an extra-terrestrial visitor arrives on Earth, his first impressions of the human species are less than positive. Taking the form of Professor Andrew Martin, a prominent mathematician at Cambridge University, the visitor is eager to complete the gruesome task assigned him and hurry home to his own utopian planet, where everyone is omniscient and immortal. He is disgusted by the way humans look, what they eat, their capacity for murder and war, and is equally baffled by the concepts of love and family. But as time goes on, he starts to realize there may be more to this strange species than he had thought. Disguised as Martin, he drinks wine, reads poetry, develops an ear for rock music, and a taste for peanut butter. Slowly, unexpectedly, he forges bonds with Martin's family. He begins to see hope and beauty in the humans' imperfection, and begins to question the very mission that brought him there. Praised by *The New York Times* as a "novelist of great seriousness and talent," author Matt Haig delivers an unlikely story about human nature and the joy found in the messiness of life on Earth. *The Humans* is a funny, compulsively readable tale

that playfully and movingly explores the ultimate subject—ourselves.

**Twitter For Dummies** Laura Fitton, Anum Hussain, Brittany Leaning, 2014-12-05 A fully updated new edition of the fun and easy guide to getting up and running on Twitter With more than half a billion registered users, Twitter continues to grow by leaps and bounds. The Top Books of the Year Mat Board Twitter Tool 11 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous captivating novels enthralling the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the captivating narratives that have captivated audiences this year. The Must-Read : Colleen Hoovers "It Ends with Us" This touching tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of

Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Mat Board Twitter Tool 11 : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and gripping novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
