She lived by a strict set of rules... Meredith Durant believes those who won't marry, matchmake, and she's made a notable career for herself helping young women find the perfect mate. He's a grown man who leaves her breathless and wishing just maybe this time she could have a happy ending. But how can that happen when, once her job is done, she must watch him wed another? He's decided to break her rules: Barry Aberdeen, the future Duke of Gayle, knew his days of freedom were numbered. With his sister recently married, his mother turned her marital aspirations to him. She's even gone as far as to hire a matchmaker. Worse, the matchmaker is a childhood friend--Meredith Durant. Only the rigid, serious creature is not the carefree girl he remembered. If he's going to be saddled with a matchmaker, he's going to have fun loosening Meredith's too-tight chignon. What he doesn't expect is how entranced he'll be when those strands come falling down around her shoulders. God is Your Matchmaker Stephanie Herzog,2011-07-28 This book contains the truth about dating that opposes to God's that the Church has embraced. As a result we're reaping the same destructive results as they. It exposes the dangers of creating situations where people could fall into sin, creating emotional, mental, spiritual and physical bonding with the wrong person, and how we're sending a confusing message to the world as they see our hypocrisy in what we preach and practice. I also share my own testimony and how God brought my husband and I together supernaturally without our efforts to make it happen, realizing that these are God's principles and standards for marriage, which can also be applied in all areas of our lives. Finally I share the only key to one's happiness deep intimacy with Jesus, not marriage.

Fraudulently Ever After Angela Casella,Denise Grover Swank,2021-11-15 She's cursed to live out romance tropes gone wrong. As a millionaire bad boy looking for a fake girlfriend, he is one. They're a disaster in the making...and each other's last hope. Tina I'm cursed. Yes, really. I broke a boy's heart because he wasn't romance hero material, and his nonna cursed me to live out my favorite plotlines...without the happy ending. Consider my track record: Second-chance romance? Turns out my old flame returned home to cook meth, not take care of his parents. Redeemed bad boy? He writes to me occasionally from prison. Billionaire businessman? Rory was my prince charming...right up until his ex-girlfriend showed up with a baby bump. My love life is a lost cause, but my friends claim they have a solution. They're convinced I can rip control from the curse by seeking out a trope situation instead of getting sucked into one. When I find Zachary Littlefield's ad seeking a fake girlfriend, I decide it's go-time. Because I am so immune to hot rich boys. Zach I'm the screw-up spare to my brother, the heir—the Littlefield who can never do anything right. Now my brother's making a huge mistake, and I'm expected to celebrate. Instead, I do what any half-intelligent man would: I hire a date to stir up trouble at his engagement party. Tina's not my type, but there's something about her... Maybe it's that she seems completely immune to my charm. I've never met a challenge I didn't want to screw up...or screw. **An interconnected standalone in the Bad Luck Club series**
